LAW

231-09-2017 Authorization to Enter into Maintenance and Jurisdictional Agreement No. 67-13 with the County of Middlesex and the Borough of Carteret

This agenda item seeks authorization to enter into a Maintenance and Jurisdictional Agreement with Middlesex County and Carteret covering various county and municipal roads in the vicinity of Interchange 12 on the New Jersey Turnpike.

232-09-2017 Authorization to Enter into Maintenance and Jurisdictional Agreement No. 124-16 with the County of Middlesex and to Convey Property to the County of Middlesex for its Perrineville Road Bridge Project

This agenda item seeks authorization to enter into a Maintenance and Jurisdictional Agreement with Middlesex County covering the crossings of Station Road (CR 615) and Prospect Plains Road (CR 614) over the New Jersey Turnpike which were improved as part of the Interchange 6 to 9 Widening Program (the "Program"). This agenda item also seeks authorization to convey to the county a small (7,641 square feet) piece of property located in Monroe Township that the Authority purchased in furtherance of its mitigation requirements for the Program. The County requires this property for its project to replace the Perrineville Road Bridge over the Millstone River. This conveyance will not affect the property needed for mitigation.

233-09-2017 Authorization to Enter into Maintenance and Jurisdictional Agreement No. 126-16 with the Township of Robbinsville and to Convey Parcel 991 to the Township

This agenda item seeks authorization to enter into a Maintenance and Jurisdictional Agreement with the Township of Robbinsville covering various Township road crossings on the New Jersey Turnpike. Authorization is also sought to effect the property conveyances under the Agreement, and to donate to the Township Parcel 991, a 50-acre property in the Township that was purchased by the Authority for mitigation purposes and is encumbered with a conservation easement.

234-09-2017 Authorization to Enter into Maintenance and Jurisdictional Agreement No. 149-17 with the County of Cape May and the Township of Middle

This agenda item seeks authorization to enter into a Maintenance and Jurisdictional Agreement with the County of Cape May and the Township of Middle covering various County and Township road crossings on the Garden State Parkway in the vicinity of Interchanges 9, 10 and 11. Authorization is also sought to effect the property conveyances under the Agreement.

235-09-2017 Authorization to Enter into Maintenance and Jurisdictional Agreement No. 134-17 with the Township of Carneys Point

This agenda item seeks authorization to enter into a Maintenance and Jurisdictional Agreement with Carneys Point Township covering various Township rights of way and the New Jersey Turnpike.

A. STATE/GOVERNMENT CONTRACTS

249-09-2017 **Intelligent Transportation Management System Support Services**
SHI International Corp.

R-134444 (ITS)
Budget Code: 010 00 830 121020
State Contract No. 89851 expiring 6/30/20
Amount: \$479,605.08

Under this contract, the Authority will procure IBM's services through SHI International Corp. for continued additional technical support for "Release 2" of the Authority's Intelligent Transportation Management System ("ITMS") for the period October 1, 2017 through September 30, 2018. System administrative support will be provided by the IBM ITMS Project Team. The Project Team will also provide software support to ITS including bug fixes and minor system enhancements, as well as critical support when the ITMS System is required for roadway sign changes during outages. This contract includes a fixed annual cost component as well as a not-to-exceed amount for additional support services.

AGENDA
NEW JERSEY TURNPIKE AUTHORITY
BOARD MEETING: September 26, 2017

- 250-09-2017 **Annual Computer Hardware Refresh II**
SHI International Corp.
R-134685 (ITS)
Budget Code: 010 00 830 480030
State Contract No. 89974 expiring 03/31/2020
Amount: \$ 669,430.00

Under this contract, SHI International Corp. ("SHI") will supply 210 computer workstations, 48 laser jet and multifunction printers (laser jet print, copy, scan and fax) and 100 laptop computer units. SHI will also provide miscellaneous computer hardware items required to support the Authority's end-user computing hardware infrastructure. On average, the Authority replaces 15% of its computer hardware resources on an annual basis. This allows the ITS Department to continually refresh equipment, providing the latest technologies in a phased deployment model. This method has the least impact on end-users and allows adjustment to new technologies without adversely effecting productivity and hardware stability.

- 251-09-2017 **State Contract Modifications**
At prior Board of Commissioners meetings, the Authority approved purchases (up to a maximum authorized dollar amount) from the vendors listed herein under the New Jersey State contracts referenced below. Under this contract, Dell Marketing, LP will add Office 365 Pro Plus software and licenses to the Authority's existing Microsoft Enterprise Agreement. The Authority has chosen to replace the Microsoft Office 2010 software, which is currently installed throughout the Authority, with Office 365. Microsoft Office 2010 has reached end of mainstream support.
