1. **Inquiry: Karen Eftaxes of RMS**

Question: With regard to choosing the Resident Engineer for this OPS, page 5, item 2 states: The Qualified Firm shall review the criteria set forth by the Authority in the RFEOI in consideration of the person proposed for the assignment. Where can I find the "criteria set forth by the Authority in the RFEOI"? Not sure if this is a qualified staff member or a staff member who must possess an engineering license.

Response:

The criteria would be Subsection B2 – Scope of work. This explains what will be expected from this OPS.
