Evergreen Environmental, LLC
Purchase Riparian Mitigation Credits for Contract No. P300.253 – Widening and Interchange Improvements, Milepost 34.5 to 38, Egg Harbor Township, Atlantic County
RM-131452
Budget Code: 39028031
Amount: \$505,000.00

AGENDA
NEW JERSEY TURNPIKE AUTHORITY
BOARD MEETING: APRIL 25, 2017

This Agreement will provide for the purchase of riparian mitigation credits to mitigate the vegetated riparian zone impacted by the project. The Flood Hazard Area Permit issued for the project requires compensation for the 1.261 acres riparian zone impacts. The current Flood Hazard Area Control Act Rules allow for riparian zone compensation in the form of creation, enhancement, restoration, preservation, riparian credit purchase from an approved mitigation bank, or combination thereof. The purchase of riparian credits was found to be the most cost effective method of riparian zone mitigation for this project. The Great Egg Harbor Mitigation Bank owned and operated by Evergreen Environmental LLC was verified by NJDEP to be the only bank within the project's watershed that offers riparian credits.

128-04-2017 **Armored Car Services (Negotiated)** **Modification**
 Extend and Modify Terms of Existing Contract with Garda CL Atlantic, Inc.
 RM-124861 (Tolls and Finance)
 Budget Code: Various

AGENDA
NEW JERSEY TURNPIKE AUTHORITY
BOARD MEETING: APRIL 25, 2017

Garda CL Atlantic, Inc. ("Garda") has provided armored car services related to the collection of tolls and other revenue from the Authority Roadways since 2011 (Contract No. 1633). After two unsuccessful public bids, authorization was received at the Authority's February 28, 2017 Board of Commissioners meeting to promptly conduct contract negotiations with available qualified vendors and to extend Contract No. 1633 with Garda through April 30, 2017 (Agenda Item 060-02-2017). Negotiations are ongoing. In the event that staff recommends a new vendor (other than the incumbent, Garda) to provide the services, it would be necessary to extend the existing contract with Garda for an additional 60 days to permit a seamless transition to the new carrier. The Finance and Tolls Departments have requested that the Contract No. 1633 with Garda be extended an additional 60 days through June 30, 2017. Garda has agreed to the 60-day extension but has requested an increase to the service unit prices. Given that this Contract was originally due to expire in November 2016 (but delayed to permit a needed/extensive procurement process), staff accepts the request. Therefore authorization is requested to: 1) extend Contract No. 1633 with Garda through June 30, 2017; and 2) permit Garda to increase the unit prices for the armored car services through the expiration of the extended term.
