274-07-2013 **Ratification of Action Taken and Authorization for the Acquisition of Property Interests and Payment of Related Expenses Required for the New Jersey Turnpike Authority Interchange 6 to 9 Widening Program**

2009 Capital Construction Program

Project No. 39018001

Previously Requested: \$3,319,000.00

Additional Amount Required: **\$1,642,411.04**

Total Amount Requested: \$4,961,411.04

Under Agenda Item Nos. 142-07 and 148-09, and subsequently clarified in Agenda Item No. 315-09-2011, the Commissioners authorized the Executive Director to take all steps necessary to acquire property interests necessary for construction of the Interchange 6 - 9 Widening Project, subject to final approval by the Commissioners. This agenda item seeks ratification of those actions taken under the delegated authority described above, as well as authorization for actions not yet taken relative to the above Project.

275-07-2013 **Ratification of Action Taken and Authorization for the Acquisition of Property Interests Necessary for the New Jersey Turnpike Authority Interchanges 9, 10 and 11 Improvements Project, Garden State Parkway**

Township of Middle, County of Cape May

Project No. 39023022

Amount: \$491,231.12

Under Agenda Item No. 129-04-2012, the Commissioners deemed various property interests necessary for the Interchanges 9, 10 and 11 Improvements Project and authorized the Executive Director to take all steps necessary to prepare for the acquisition of those interests, subject to final approval by the Commissioners. This agenda item seeks ratification of those actions taken under the delegated authority described above, as well as authorization for actions not yet taken relative to the above Project.

276-07-2013 **Ratification of Action Taken and Authorization for the Acquisition of Two (2) Property Interests and Payment of Related Expenses Required for the Garden State Parkway Interchange 105 Improvements Project**

Boroughs of Tinton Falls and Eatontown, Middlesex County

Project No.: 30378106

Amount: \$13,300.00

In October 2012 under Agenda Item No. 395-10-2012, the Commissioners authorized the Executive Director to take all steps necessary to prepare for the acquisition of property required for the Interchange 105 Improvements Project, subject to final approval by the Commissioners. This agenda item seeks ratification of those actions taken under the delegated authority described above, as well as authorization for actions not yet taken relative to the above Project.

**AGENDA  
NEW JERSEY TURNPIKE AUTHORITY  
BOARD MEETING: JULY 24, 2013**

277-07-2013 **Ratification of Action Taken and Authorization for Entry Into a Lease Agreement with the City of Somers Point for Access to Property and Payment of Related Expenses Required for the Great Egg Harbor River Bridge Project, Garden State Parkway**

**Township of Upper, Cape May County, City of Somers Point, Atlantic County  
Project No.: 39021036  
Amount: \$82,500.00**

In October 2012, under Agenda Item No. 398-10-2012, the Commissioners authorized the Executive Director to take all steps necessary for the acquisition of property required for the above project. This agenda item seeks ratification of those actions taken under the delegated authority described above, as well as authorization for actions not yet taken relative to the above Project, in particular as relates to a lease agreement with the City of Somers Point for Tax Block 2903, Lot 1, which property was encumbered by Green Acres.

278-07-2013 **Authorization to Declare Property Surplus to the Authority's Needs, New Jersey Turnpike Parcels 74X3, 76X2, 80AX, 80X2, 80X3, 80X4, 81X1, 81X2 and 82X Block 50, Lot 1, 84 Henry Street, Township of Secaucus, Hudson County**

This property is located on Henry Street in the Town of Secaucus, County of Bergen, consisting of approximately 2.1 acres of land.

279-07-2013 **Authorization to Declare Property Surplus to the Authority's Needs, Garden State Parkway, Section 2, Parcels 4630X, 4631AX, 4631BX, 4632X, 4633X, 4634X, 4635X, 4636X and 4637X, Total Area: 20,725 Square Feet**  
**Nutley Township, Essex County, New Jersey**

Certain properties referenced above, also known as Block 8601, Lots 2,3,4,5,6,7,8,9 & 10 on Section 2 of the Township of Nutley tax map located in Essex County, New Jersey, consists of a 20,750 square feet land located adjacent in the Authority's right of way. Said property has been the subject of recent litigation related to decades' long encroachment by adjoining property owners located on Linn Road, Nutley Township and poses a potential liability to the Authority. In accordance with the Authority's Surplus Property Policy, an internal review and certification determined that the Authority no longer requires the properties and does not see any future use of the property by the Authority. As part of global settlement with all adjoining property owners, the Authority has agreed to declare the above referenced parcels as surplus and convey title to the adjoining property owners. In exchange, the property owners have agreed to pay for legal fees as well as associated engineering, surveying and recording fees.

280-07-2013 **Authorization for the Executive Director to Execute a Memorandum of Agreement (MOA) with the Port Authority of New York and New Jersey (PANYNJ) for the Replacement of the Goethals Bridge over the Turnpike Mainline and Connections to the Turnpike Interchange 13, Township of Elizabeth, County of Union**

This agenda item seeks authorization for the Executive Director to execute a MOA with the PANYNJ relative to the replacement and realignment of the Goethals Bridge (the "Bridge"). The Bridge currently spans the Turnpike mainline at its approach to the Turnpike Interchange 13. As such the parties agreed that it would be prudent to enter into an agreement that would set forth the parties' responsibilities with respect to the design and construction of the Bridge as it affects the Authority's facilities. Some of the issues addressed in the MOA include, design review, construction oversight and management, maintenance and protection of traffic, reimbursement of costs and land transfers.

**AGENDA  
NEW JERSEY TURNPIKE AUTHORITY  
BOARD MEETING: JULY 24, 2013**

281-07-2013 **Authorization to Enter into a Memorandum of Understanding with the Motor Vehicle Commission Relating to the Suspension of Motor Vehicle Registrations for Toll Violators**

In 2012, the Motor Vehicle Commission (“MVC”) and the Authority entered into a Memorandum of Understanding (“MOU”) pursuant to which, as part of a pilot program, the MVC would exercise its statutory authority to suspend the motor vehicle registrations of Authority patrons who fail to pay their required tolls. The MVC and Authority have determined that the pilot program has been effective in working out numerous operating details and now desire to enter into a MOU to make this an ongoing program. The Authority shall continue to reimburse the MVC for the costs MVC incurs to administer this program. Authorization is therefore requested for the Executive Director to enter into a MOU with MVC for this purpose.

**NEW JERSEY TURNPIKE AUTHORITY**  
**BOARD MEETING: JULY 24, 2013**

There are two UPSs installed at the Statewide Traffic Management Center ("STMC"). These UPSs are failing and require prompt maintenance. Given the criticality of the UPSs at the STMC, ITS has requested the UPSs located in the STMC be added to the list of Authority facilities included in Contract No. 1791 awarded to Eaton. Eaton will immediately replace the batteries, as well as provide 24/7/365 coverage, four-hour response time, support services, corrective maintenance and service coverage, full battery warranty (parts and labor), preventive maintenance, and monitoring software.
