

## *Document Change Announcement*

*2007 Design Manual*

**DCA2010-DM-10**

**DATE July 21, 2010**

**Subject: Revision to Subsection 2.7.5(3) of the Design Manual**

### Description of Change

Revised the language under maintenance considerations to update and clarify design layout guidance for access to areas between noise barriers and Right-of-Way lines for inspection, repairs, maintenance, etc. based on comments received from NJTA Maintenance Department on Widening Program design submissions.

### Instructions to Designers and Consultants

Effective immediately, the revisions contained in this announcement shall be applied to all projects in every phase of design. Contact your NJTA Project Manager for instructions. Attached revision is noted in italics.

Designers may access these revisions in the NJTA Design Manual, which is available on the Authority's Web Page: <http://www.state.nj.us/turnpike/nj-buss.htm>.

### Information for In-House Staff

The revisions have been incorporated into the Design Manual, which is available on the S drive @ S:\Project Files\Design-Procedure Manual. Please distribute the information to your respective Project Managers and have them direct their consultants appropriately.
