

## *Document Change Announcement*

*2009 Manual for Traffic Control in Work Zones*

**DCA2011-TM-01**

**DATE: May 16, 2011**

**Subject: Appendix A – Traffic Protection Standard Drawings**

### **Description of Change**

Traffic Protection Standard Drawings TP-1 thru TP-22B have been updated and new Traffic Protection Standard Drawings TP-26 Toll Lane Closings and TP-27 Construction Access are being added.

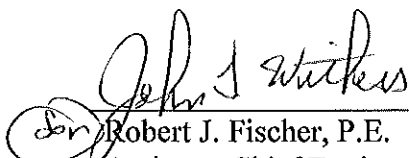

### **Instructions to NJTA Staff, Designers and Consultants**

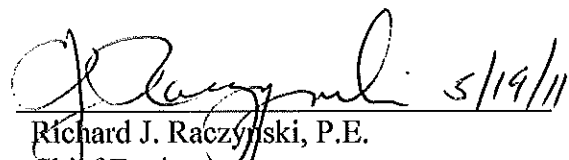

Staff, designers and consultants may access these revisions in the Manual for Traffic Control in Work Zones, which is available on the Authority's Web Page: <http://www.state.nj.us/turnpike/professional-services.html> under Engineering Reference Material. Please distribute the information to your Project Managers and have them direct their consultants appropriately.

The updated Manual for Traffic Control in Work Zones will be considered for use on all contracts which are not currently advertised.
