

Document Change Announcement

Standard Drawings

DCA2011-SD-05

DATE: September 19, 2011

Subject: Revisions to Standard Drawings VM-8 and VM-11

Description of Change

Standard Drawing VM-8 has been revised to include CSL tubes in the drill shaft foundation to be consistent with the Standard Supplemental Specifications. VM-11 has been revised to correct dimensional criteria for the edge of the sign chord and the lane line at the request of NJTA operations Department.

Instructions to Designers and Consultants

Effective immediately, the revisions contained in this announcement shall be applied to all projects in every phase of design. For advertised contracts awaiting the opening bids, this revision shall be incorporated via addendum, if applicable. Contact your NJTA Project Manager for instructions. Attached revision is noted in italics.

Designers may access these revisions in the NJTA Standard Drawings, which is available on the Authority's Web Page: <http://www.state.nj.us/turnpike/standard-drawings.html>.

Information for In-House Staff

The revisions have been incorporated into the Standard Drawings, which is available on the Authority's Web Page: <http://www.state.nj.us/turnpike/standard-drawings.html>. Please distribute the information to your respective Project Managers and have them direct their consultants appropriately.

Recommended By:

A handwritten signature in black ink, appearing to read 'R. Fischer', written over a horizontal line.

Robert J. Fischer, P.E.
Assistant Chief Engineer, Design

Approved By:

A handwritten signature in black ink, appearing to read 'R. Raczynski', followed by the date '9/26/11', written over a horizontal line.

Richard J. Raczynski, P.E.
