

Document Change Announcement

Standard Drawings

DCA2011-SD-04

DATE: May 16, 2011

Subject: Revisions to Standard Drawings

Description of Change

Standard Drawing GR-9 has been modified to simplify Berm Surfacing detail.

E-14 has been modified to revise Median/Parapet detail.

ITS-1 to 15 and ITS-17 to 34 have been revised to include modifications required to clarify details based on constructability comments from on-going VMS Installations contracts on both Roadways.

VM-1 to 22 have been revised to incorporate constructability comments from on-going VMS Installations contracts on both Roadways.

CM-1 to 10 have been revised to incorporate constructability comments from on-going VMS Installations contracts, revised HCMS cabinet details and comments addressed during a current Fabrication contract.

Instructions to Designers and Consultants

Effective immediately, the revisions contained in this announcement shall be applied to all projects in every phase of design. For advertised contracts awaiting the opening bids, this revision shall be incorporated via addendum, if applicable. Contact your NJTA Project Manager for instructions. Attached revision is noted in italics.

Designers may access these revisions in the NJTA Design Manual, which is available on the Authority's Web Page: <http://www.state.nj.us/turnpike/NJTA-Design-Manual.htm>.

Information for In-House Staff

The revisions have been incorporated into the Design Manual, which is available on the S drive @ S:\Project Files\Design-Procedure Manual. Please distribute the information to your respective Project Managers and have them direct their consultants appropriately.
