

## Document Change Announcement

### Standard Drawings

DCA2011-SD-01

DATE: January 3, 2011

Subject: New Standard Drawings FE-1, FE-2 and ITS-10

### Description of Change

Standard Drawings FE-1 and FE-2 have been revised to provide currently available fence options. ITS-10 has been revised to provide consistency in drafting conduit line style.

### Instructions to Designers and Consultants

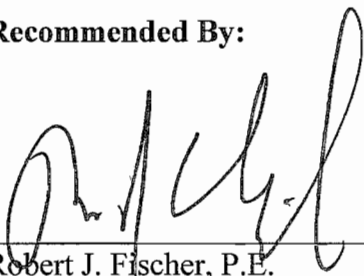

Effective immediately, the new standard drawings contained in this announcement shall be applied to all projects in every phase of design. For advertised contracts awaiting the opening bids, this revision shall be incorporated via addendum, if applicable. Contact your NJTA Project Manager for instructions.

Designers may access these revisions in the NJTA Standard Drawings, which is available on the Authority's Web Page: <http://www.state.nj.us/turnpike/standard-drawings.html>.

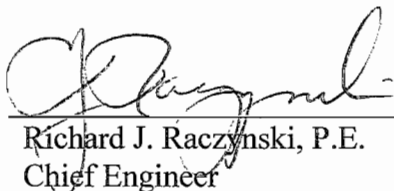

### Information for In-House Staff

The new standard drawings have been incorporated into the Standard Drawings, which is available on the Authority's Web Page: <http://www.state.nj.us/turnpike/standard-drawings.html>. Please distribute the information to your respective Project Managers and have them direct their consultants appropriately.
