

Job Opportunity
Automotive Technician
New Jersey Turnpike Authority

Education: A high school diploma or GED. Graduate of formal accredited automotive vocational training. ASE certification in Automobile Technician or Medium/Heavy Truck Technician and/or Accredited Original Equipment Manufacturer's Automotive or Truck Technician Training.

License: Possess a valid New Jersey driver's license.

Experience: Four years journeyman-level experience in performing skilled automotive or truck work involving inspection, diagnosis, modification, maintenance, and repair.

Qualified applicant will be invited to participate in a written test and, if successful, a practical test which will measure the candidates basic knowledge in all diesel and gasoline related system groups including but not limited to electrical and electronic systems, engine performance, drivability and emissions, drivetrain, fuel systems, cooling and heating systems.

Please submit all licenses and certifications and resume to address below, or fax to 732-750-5366.
