SECTION 108 – MEASUREMENT AND PAYMENT

108.03 PARTIAL PAYMENTS

[Include the following with all contracts:]

In accordance with P.L. 1991, C.133, regarding the prompt payment of construction contracts, the required 30-day payment period shall begin when the "Certificate for Payment to Contractor" has been approved in the Authority's contract management system (CapEx Manager) by the Assistant Chief Engineer of Construction.

As a result of the American Recovery and Reinvestment Act as well as the State of New Jersey Stimulus Initiatives, Contractors and Subcontractors are required to submit monthly employment and wage data to the State via an automated web based application using electronic Form CC-257R through the New Jersey Portal at <http://www.state.nj.us>

All employment and wage data must be accurate and consistent with the certified payroll records. The contractor is responsible for ensuring that their subcontractors comply with these reporting requirements. Within five (5) business days of submitting the required data each month, the Contractor shall provide a written statement to the Authority certifying that he and his subcontractors have submitted the required information to the State.
