Document Change Announcement

***2004 Standard Supplementary Specifications
Storage/Staging & NJDPES Stormwater Permit Program***

DCA2011SS-02

March 11, 2011

**Subject: Revisions to Section 105 Control of Materials, Subsection 105.07
Storage of Materials and Staging Areas**

The following changes to the specifications apply to all contracts.

Instructions to NJTA Staff, Designers and Consultants

Effective immediately, all contracts currently in the design phase shall incorporate the revisions listed herein. For advertised contracts awaiting the opening of bids this revision will be incorporated via addendum. For contracts under construction, this requirement shall apply to all contracts that have staging areas within the Turnpike Right-of-Way. Contact your NJTA Project Manager for instruction. Attached revision is noted in *italics*.

Designers may access these revisions in the Standard Supplementary Specification, which is available on the following Authority Web Page: <http://www.state.nj.us/turnpike/professional-services.html>
These additions have been incorporated into the 2004 Standard Supplementary Specification, which is available on the S:/drive. Please distribute the information to your Project Managers and have them direct their consultants appropriately.
