Document Change Announcement

*2004 Standard Supplementary Specifications
High Density Polyethylene Pipe*

DCA2011SS-05

March 21, 2011

Subject: Revisions to Section 502 Storm Drains, Subsection 502.02 Materials, & 502.03 Methods of Construction; Section 917 Pipes, New Subsection 917.08 High Density Polyethylene (HDPE) Pipe

The following changes to the specifications apply to all contracts which specify HDPE pipe.

Instructions to NJTA Staff, Designers and Consultants

Effective immediately, all contracts currently in the design phase shall incorporate the revisions listed herein. For advertised contracts awaiting the opening of bids this revision may be incorporated via addendum. Contact your NJTA Project Manager for instruction. Attached revision is noted in *italics*.

Designers may access these revisions in the Standard Supplementary Specification, which is available on the following Authority Web Page: <http://www.state.nj.us/turnpike/professional-services.html>
These additions have been incorporated into the 2004 Standard Supplementary Specification, which is available on the S:/drive. Please distribute the information to your Project Managers and have them direct their consultants appropriately.
