

DIVISION 400 - STRUCTURES

The following is added after the division table of contents and before Section 401 – Concrete Structures:

[Include in new bridge construction projects where AASHTO LRFD Design and Construction Specifications are referenced in the contract documents.]

Where reference is made to the AASHTO Standard Specifications for Highway Bridges for design and construction throughout Division 400, the reference shall be replaced with AASHTO LRFD Bridge Design Specifications and AASHTO LRFD Bridge Construction Specifications respectively.
