Document Change Announcement

***2004 Standard Supplementary Specifications
High Performance Concrete Parapets***

DCA2009SS-07

May 28, 2009

Subject: Revisions to Section 401 Concrete Structures; Subsections 401.23 Measurement, and Subsection 401.24 Payment of the Standard Specifications; and Section 434 High Performance Concrete; Subsections 434.01 Description, 434.02 Materials, 434.04 Production of the HPC, 434.06 Measurement and 434.07 Payment of the Standard Supplementary Specifications.

This revision implements the use of High Performance Concrete Parapets.

Instructions to NJTA Staff, Designers and Consultants

Effective immediately, all contracts shall incorporate the revisions listed herein. For advertised contracts awaiting the opening of bids this revision shall be incorporated via addendum. Contact your NJTA Project Manager for instruction. Attached revision is noted in *italics*.

Designers may access these revisions in the Standard Supplementary Specification, which is available on the following Authority Web Page: <http://www.state.nj.us/turnpike/nj-buss.htm>
These additions have been incorporated into the 2004 Standard Supplementary Specification, which is available on the S:/drive. Please distribute the information to your Project Managers and have them direct their consultants appropriately.
