Document Change Announcement

2004 Standard Supplementary Specifications Substructure Waterproofing

DCA2009SS-18

October 19, 2009

Subject: Revisions to Section 418 Bridge Structural Repair, Subsections 418.02 Materials, 418.06 Substructure Waterproofing; Section 923 Miscellaneous, Subsection 923.06 Dampproofing and Waterproofing.

The following relates to substructure waterproofing.

Instructions to NJTA Staff, Designers and Consultants

Effective immediately, all contracts currently in the design phase shall incorporate the revisions listed herein. For advertised contracts awaiting the opening of bids this revision may be incorporated via addendum. Attached revision is noted in *italics*.

Designers may access these revisions in the Standard Supplementary Specification, which is available on the following Authority Web Page: <http://www.state.nj.us/turnpike/nj-buss.htm>
These additions have been incorporated into the 2004 Standard Supplementary Specification, which is available on the S:/drive. Please distribute the information to your Project Managers and have them direct their consultants appropriately.
