December 11, 2007

**Subject: Revisions to Section 108 Measurement and Payment, Subsection 108.03
Partial Payments**

Instructions to NJTA Staff, Designers and Consultants

Effective immediately, all contracts that are funded by Project Revenue Codes, 030, 040 and 080 shall incorporate the revisions listed herein for the reduction of retainage to two (2) percent based on NJSA 27:23-6.3 from the current standard specification requirement. Contracts that are funded by Project Revenue Codes 202, 065 and 078 shall follow the current standard specification requirement unless over \$5 million. Those over \$5 million shall incorporate the change to the first sentence of the Subsection as previously established and shown on the attachment.

For advertised contracts awaiting the opening of bids these revisions shall be incorporated via addendum. Contact your NJTA Project Manager for instruction. Attached revision is noted in *italics*.

Designers may access these revisions in the Standard Supplemental Specification, which is available on the following Authority Web Page: <http://www.state.nj.us/turnpike/nj-buss.htm>

The specification revisions have been incorporated into the 2004 Standard Supplemental Specification, which is available on the S:/drive. Please distribute the information to your Project Managers and have them direct their consultants appropriately.
