*Document Change Announcement*

***2004 Standard Supplemental Specifications  
Removal of Existing Non-Composite Deck Slabs***

**DCA2006SS-04**

**June 30, 2006**

**Subject: Revisions to Section 417 Bridge Deck Rehabilitation**

These revisions incorporate the removal of existing Non-Composite Deck Slabs.

**Instructions to Designers and Consultants**

Effective immediately, all contracts shall incorporate the revisions listed herein where applicable. For advertised contracts awaiting the opening of bids these revisions shall be incorporated via addendum where applicable. Contact your NJTA Project Manager for instruction. Attached revisions are noted in *italics*.

Designers may access these revisions in the 2004 Standard Supplemental Specification, which is available on the following Authority Web Page: <http://www.state.nj.us/turnpike/nj-buss.htm>

**Information for In-House Staff**

The specification revisions have been incorporated into the 2004 Standard Supplemental Specification, which is available in the S: / drive. Please distribute the information to your Project Managers and have them direct their consultants appropriately.
