AGENDA  
NEW JERSEY TURNPIKE AUTHORITY  
SPECIAL BOARD MEETING: September 19, 2017

## GENERAL BUSINESS

229-09-2017 **Authorization to Adopt Series 2017 Turnpike Revenue Bond Resolution**

Approval is requested to adopt the Series 2017 Turnpike Revenue Bond Resolution which authorizes the issuance of up to \$779.375 million of Turnpike Revenue Bonds. These bonds include up to \$600 million of new money bonds, and up to \$179.375 million of refunding bonds. The \$600 million of new money bonds are expected to be the final bond issuance needed to complete the Authority's \$7 Billion Capital Improvement Program. The \$179.375 million of refunding bonds will be used to refund the Series 2013D-3, Series 2013E-3 and Series 2014B-3 bonds. These bonds are floating rate note bonds which have a mandatory tender on January 1, 2018 and must be refinanced on or before that date to avoid an escalation in interest costs.
