

2017-3.4 Addition of a new Grouping for Noise Barriers on Deck and Approach forms.

A new grouping to collect defects associated with noise barriers has been added on the Deck 1 (General) 2 and Approach/Roadway 2 forms as noted below.

Both forms have the same grouping which contain the same defects and should be used based on location of the walls, on approach or mounted to bridge (Deck).

APPROACH/ROADWAY 2

BA NBI 72
