

**SPECIFICATIONS**

1. Authority Staff will notify Vendor of the need to conduct repairs to toll vault lids.
2. The Authority will have approximately 100 to 150 repairs at each pick up. The quantities may vary depending on the volume of traffic for the time of year; summer months may have a higher volume of repair and in the fall months there may be a smaller volume of repairs.
3. Vendor will pick up and determine nature of repairs/modification which may include welding broken corners, straightening bent sheet metal and replacing cocking pins.
4. The pick-up of units will be at the Raritan South Toll Plaza.
5. Once the Item to be repaired has been picked up from its location, it must be returned to Raritan South Toll Plaza within 15 calendar days, unless otherwise approved by Authority personnel in proper working condition.
6. Price must also include any parts necessary to ensure proper working condition. If awarded, the bidder will be able to order appropriate stock of parts.

**If any bidder would like a CD of drawings contact Christine Noble at 732-750-5300 x 8632 or by email: noble@turnpike.state.nj.us**

The Authority will not be responsible for any costs incurred for any tolls while traveling on the Garden State Parkway.
