**RESPONSE TO INQUIRY # 1 FOR PUBLIC BID R-143420**  
**FOR**  
**AUTOMATIC FLOOR SCRUBBER**

**BID OPENING DATE: FRIDAY 10-9-18 AT 11:30 AM**

**The Authority has received the following question regarding the above bid, responses are as follows:**

**QUESTION # 1**

I am interested in bidding an equivalent item. The specified item (Karcher BD 50/50) comes standard with a brush assembly. You have added a second item on the bid form (pad driver # 4.762-534.0). My question is, do you actually need both the brush and the pad driver or are you adding in the pad driver because the unit does not come with it? I basically want to know if I need to bid an equivalent machine with both a brush and a pad driver as the machine I have comes with a pad driver standard (the brush would be additional).

**ANSWER # 1**

**The Authority is requesting a unit price for line items 1 and 2 on the Bid Quotation sheet (page 6), as the requesting department needs both items for cleaning applications throughout the Authority.**

No Other Changes. All Other Data Remains In Effect.

**Very truly yours,**
