

**NEW JERSEY TURNPIKE AUTHORITY**

**NOTICE OF INTENT TO SOLE SOURCE**

**RM-147624 SICK OPTIC OVERHEAD SCANNERS**

The New Jersey Turnpike Authority (“Authority”) intends to establish a sole source contract with SICK, Inc. located in Bloomington, MN to provide several overhead scanners and components (“Equipment”) for use on the Authority’s toll lanes (Garden State Parkway and New Jersey Turnpike). The Equipment, stated below, is described with SICK Optic model names and part numbers.

Description	Model Name	Part Number
LMS500 Pro Outdoor Variant Standard Resolution	LMS511-10100	1046135
M12, 4 Pin Ethernet (d-coded) Male	STE-1204-GE	6032802
Metal Body, M12, 5 Pin Female	DOS-1205-GA	6027534
Mounting bracket, mounting set 1	Mounting kit 1	2015623
Mounting bracket, mounting set 2	Mounting kit 2	2015624

SICK, Inc. is the manufacturer of the original Equipment. Subsequently, the existing lane software codes and automatic vehicle classifications processes were written specifically for and are compatible with the Equipment.

Vendors who believe they can compete for this Equipment are required to submit an email with a brief statement of intent to compete. The statement and any other questions regarding this sole source procurement should be directed to Purchasing Manager, Dale Barnfield [dbarnfield@njta.com](mailto:dbarnfield@njta.com) by Monday, March 4, 2019.

The Authority does not guarantee that any competitively solicitation will occur for this procurement, but does reserve the right to publicly solicit bids.
