

**New Jersey Turnpike Authority
Operations Department**

**Order for Professional Services No. A3758
ON-CALL PROFESSIONAL TRAFFIC ENGINEERING CONSULTANT SERVICES**

**Responses to Inquiries
Request for Expressions of Interest**

1. **Inquiry:** On Page 4 of the RFEOI, the text states that a detailed estimate of work hours and a project schedule will be evaluated for this submission. Can you provide additional information regarding what the Authority is looking for pertaining to these items?

Response: Items 4 and 5 on Page 4 may be ignored.

2. **Inquiry:** In the table on Page 7 under the subsection entitled “Consultant Selection”, the cumulative weights do not total 100%. Can you please elaborate as to how 100% is arrived at?

Response: “22%” in the entry for “Key Personnel’s Qualifications and Relevant Experience” is a typographical error. The correct number for that specific entry is “20%”.

3. **Inquiry:** On Page 4 for Items #4 and #5 – Considering this solicitation is for an on-call assignment, is a detailed estimate of work hours and a project schedule required?

Response: No. Items 4 and 5 on Page 4 may be ignored.

4. **Inquiry:** Please confirm that the Authority’s offices will be open on Friday, April 19 given that it is considered a holiday by some.

Response: The administrative offices of the NJ Turnpike Authority are closed on Friday, April 19. Therefore, the statement on Page 6 that reads, “Expressions of Interest must be submitted no later than 2 p.m. on April 19, 2019” is erroneous. Expressions of Interest must be submitted no later than 2 p.m. on Thursday, April 18.
