

HOLIDAY DISPLAY POLICY

Placing any holiday display, holiday signage or any other similar holiday structure on New Jersey Turnpike or Garden State Parkway property is permitted only with the prior written approval of the New Jersey Turnpike Authority (“Authority”) and only at the following locations:

- the toll plazas at Turnpike Interchanges 8A, 9, 13, and 13A;
- the Garden State Parkway Union and Raritan Toll Plazas; and
- the PNC Bank Arts Center (northbound side).

The specific display areas at each of these locations are outlined on Exhibit A (the cross-hatched areas) and are known as the Display Areas. The Authority reserves the right to limit the number of displays at each location.

No display, signage or similar structure shall exceed a height of 10 feet or a width of 6 feet, or weigh more than 35 pounds. It must be located at least 6 feet from the roadway and any sidewalks. It must be weighed down by at least six, 50-pound sand bags. The applicant must provide all materials needed, as determined by the Authority, to secure the display. The applicant will not be permitted to access the display, other than to assist with the erection or removal of the display, so any display lighting must operate automatically.

Please note that the Authority may decide that, for reasons of safety, the display must be erected and removed by Authority personnel. In such cases, the applicant will be required to reimburse the Authority for its costs. The Authority will provide an estimate of such costs prior to erecting the display. The Applicant will be required to pay that estimated amount prior to the erection of the display and reimburse the Authority to the extent the costs exceed the estimate. If the amount paid by the applicant exceeds the Authority’s costs, the excess shall be returned to the applicant after the display has been removed.

To obtain approval for a holiday display, you must submit an application package that includes the following documents:

- ✓ New Jersey Turnpike Authority [Traffic Permit Application](http://www.njta.com) available online at <http://www.njta.com> Place your cursor over the ABOUT NJTA tab and then click on Traffic Permit. Within the very first sentence you’ll see [Traffic Permit Application](#)
- ✓ Signed Indemnification form (which is part of the Traffic Permit Application)
- ✓ Signed Reimbursement Acknowledgement form, which can be found below.
- ✓ Certificates of liability insurance made out to the New Jersey Turnpike Authority as certificate holder and additional insured
- ✓ Copy of the motor vehicle insurance policy providing proof of coverage for any vehicle entering Authority property for the purpose of placing, maintaining or removing the permitted holiday display
- ✓ Any associated plans, maps, details, etc., that further identify the proposed display.

The package of the completed materials must be sent to the Authority at the follow address:

or

Allow three (3) weeks from the date you have submitted all required materials for the application to be processed. Allow an additional two (2) weeks after the Traffic Permit is approved for the display to be erected.

Important:

- Permits will not be issued until all requirements are fulfilled
- Permits may be revoked at any time
- In all cases the Authority reserves the right to determine the specific location within a Display Area in which the display will be erected
- Displays will be permitted on a first come/first served basis

Please note that the insurance coverage identified in the Traffic Permit Application is the minimum amount required by the Authority. Depending upon the circumstances and/or conditions of work, the Authority's Law Department reserves the right to modify the insurance requirements for a particular permit.

A copy of the Traffic Permit with respective insurance must be in the possession of the applicant at all times when the applicant is occupying Authority property for the placement, maintenance, or removal of the display.

If an extension beyond the Traffic Permit expiration date is required, it is the applicant's responsibility to obtain the appropriate insurance certificates and contact the Maintenance Department to request the extension. Please allow at least one (1) week for the processing of extension requests.

If you have any questions regarding the placement of holiday displays on New Jersey Turnpike or Garden State Parkway property, please contact the Building Maintenance Manager at (732) 750-5300 ext. 8676 or email mmazza@njta.com.
