

New Jersey Turnpike Authority
Engineering Department

Order for Professional Services No. T3735
Concept Development and Preliminary Engineering for the
Rehabilitation/Replacement of Various Turnpike Bridges

Responses to Inquiries
Request for Expressions of Interest

1. **Inquiry:** Does Authority want the consultants to prepare the EO 215 documentation?

Response: The Consultant is not required to prepare the EO 215 document under OPS No. T3735.

2. **Inquiry:** Will the selected Consultant be precluded from pursuing final design services under a separate OPS?

Response: The following paragraph is added after the first paragraph under Project Description (Page No. 1 of 32).

The Consultant who is awarded this assignment will not be precluded from pursuing final design activities or supervision of construction services under a separate OPS in the future for any work associated with the three (3) bridges being studied under OPS No. T3735.
