SECTION I -- INTRODUCTION

Enclosed herewith is a Request for Proposal (“RFP”) by the New Jersey Turnpike Authority (“Authority”) for a provider to perform Insurance Brokerage Services (as further described in Section III, the “Services”). The Successful Proposer(s) (as hereinafter defined) will be awarded a contract (the “Services Agreement”) for a term of two (2) years, with the option to extend for two (2) one –year terms at the Authority’s sole discretion.

The Authority seeks proposals (“Proposals”) from all interested and qualified providers (“Proposers”). Such Proposals must be responsive to all of the requirements of this RFP. The Authority intends to select one or more Proposers (the “Successful Proposer(s)”) to perform the Services based on the evaluation criteria set forth in Section IV.

The solicitation of Proposals is being conducted pursuant to the statutes and laws of the State of New Jersey, as found in *N.J.S.A. 27:23-6.1*, and Executive Order No. 37 (Corzine, 2006), and the regulations and policies of the Authority with regard to the procurement of professional services. Furthermore, Proposals are being solicited through a fair and open process in accordance with *N.J.S.A. 19:44A-20.1*, et seq. In addition, Proposers are required to comply with the Equal Employment Opportunity (“EEO”) requirements of P.L. 1075, C.127 and (*N.J.A.C. 17:27*).

Upon review of all Proposals, the Authority may request that one or more Proposers appear for an oral presentation focusing on how their proposed approach and solution will satisfy the requirements of this RFP. The Authority may limit the number of Proposers that can make oral presentations to permit efficient competition among the most highly rated Proposals. Should an oral presentation be requested, it will be an opportunity for each invited Proposer to introduce its staff to the Authority, address how the Proposer will provide the Services, and to present supplementary information regarding its Proposal and credentials as related to the specific needs of the Authority. The Proposer may use handouts, display boards, products and other materials during this oral presentation; provided, however, that the presentation will be restricted to a maximum time period specified by the Authority, including the time allotted for a question and answer period. Information relating to the Proposer’s recent experience on similar assignments, approach to the Services and the use of innovative and/or cost-effective measures should be included in the oral presentation.

Proposer(s) invited to make an oral presentation may submit a best and final offer (“BAFO”) either during oral presentation or within **two (2)** business days following the presentation. The BAFO can modify any aspect of the Proposal provided the RFP requirements continue to be satisfied and provided further that the revised price proposal of the BAFO is not higher than the original price proposal.

After evaluating Proposals of those invited to make an oral presentation, an evaluation committee consisting of representatives of the Authority (“Evaluation Committee”) may enter into negotiations with same. The primary purpose of negotiations is to maximize the Authority’s ability to get the best value based on the requirements and evaluation criteria set forth in the RFP. Negotiations may involve the identification of significant weaknesses ambiguities and other deficiencies in the Proposal, including price, which could preclude awarding a Services Agreement to the Proposer. More rounds of negotiations may be held with one Proposer than another. Negotiations will be structured to safeguard information and ensure that all Proposers in the competitive range are treated fairly.

After evaluation of the BAFO submissions and any subsequent negotiations, the Evaluation Committee will recommend to the Executive Director to award a contract to the Proposer(s) whose Proposal(s), conforming to the RFP, is most advantageous to the Authority, price and other factors considered. The Executive Director may accept, reject or modify the recommendation of the Evaluation Committee. The Executive Director may negotiate further reductions in price with the recommended Proposer(s).

Negotiations will be conducted only in those circumstances where they are deemed by the Authority to be in the Authority's best interests and to maximize the Authority's abilities to get the best value. Therefore, Proposers are advised to submit their best price proposals in response to this RFP, because the Authority, may, after evaluation, make an award based solely on the content of these initial submissions, without further negotiations with the Proposer.

A DRAFT FORM OF THE SERVICES AGREEMENT IS ATTACHED. (See Appendix 1). ANY PROPOSED MODIFICATIONS TO THE SERVICES AGREEMENT MUST BE IDENTIFIED AND SUBMITTED WITH YOUR RESPONSE TO THIS RFP; OTHERWISE, BY SUBMISSION OF YOUR RESPONSE, YOU WILL BE DEEMED TO HAVE ACCEPTED THE SERVICES AGREEMENT ATTACHED HEREIN AND WILL BE FORECLOSED FROM NEGOTIATING ANY CHANGES TO THE SERVICES AGREEMENT.

Upon issuance, each such Addendum shall be deemed to be a part of this RFP.

I. Acceptance of Proposals

This RFP does not commit the Authority to make an award. The contents of the Proposal shall become a contractual obligation, if, in fact, a Proposal is accepted and a Services Agreement is entered into with the Authority. The Authority may award a Services Agreement solely on the basis of the Proposal submitted without any negotiations. The Authority reserves all rights to engage in negotiations as described in Section I if it deems it in its best interests. Failure of a Proposer to adhere to and/or honor any or all of the obligations of its Proposal may result in rescission of any award of the Services Agreement by the Authority.

J. Rejection of Proposals

The Authority reserves the right to reject any and all Proposals. The Authority shall not be obligated at any time to make an award to any Proposer.

K. Final Agreement

Any Services Agreement entered into with a Successful Proposer shall be satisfactory to the Authority in accordance with the laws of the State of New Jersey. The provisions of the attached Services Agreement, not otherwise set forth in this RFP, are hereby incorporated into this RFP. L. Dissemination of Information

Information included in this document or in any way associated with this RFP is intended for use only by the Proposer and the Authority and is to remain the property of the Authority. Under no circumstances shall any of said information be published, copied or used, except in replying to this RFP.

M. Public Records

Any Proposal received from a Proposer in response to this RFP constitutes a public document that will be made available to the public upon request pursuant to New Jersey’s Open Public Records Act, *N.J.S.A. 47:1A-1 et seq.* A Proposer may request the Authority’s General Counsel to deem certain sections of its proposal containing personal, financial or proprietary information non-disclosable, which determination shall be in accordance with such act.

P. Small Business Enterprises Requirements

It is the policy of the Authority that small businesses (each a “small business enterprise” or “SBE”) as determined and defined by the State of New Jersey, Division of Minority and Women Business Development (“Division”) and the New Jersey Department of the Treasury (“Treasury”) should have the opportunity to participate in Authority contracts (*N.J.A.C. 17:13-1.1, et seq.*).

To the extent the Proposer engages subcontractors or sub-consultants to perform any of the Services for the Authority pursuant to the Services Agreement, the Proposer must demonstrate to the Authority’s satisfaction that a good faith effort will be made to utilize subcontractors and sub-consultants who are registered with the Division as SBEs in the State of New Jersey.

SECTION III -- SCOPE OF SERVICES

A. **Organization and Function of the New Jersey Turnpike Authority**

The Authority owns and operates the New Jersey Turnpike, the Garden State Parkway and owns the PNC Bank Arts Center. It was created by the New Jersey Turnpike Authority Act of 1948, as amended and supplemented *N.J.S.A. 27:23-1 et seq.* (the “Act”). The Act authorizes the Authority to construct, maintain, repair, and operate the New Jersey Turnpike, to collect tolls, and to issue Turnpike revenue bonds or notes, subject to approval of the Governor. On May 27, 2003, the Act was amended to empower the Turnpike to assume all powers, rights, obligations and duties of the New Jersey Highway Authority, which owned and operated the Garden State Parkway and owns the PNC Bank Arts Center. The Authority Board of Commissioners consists of eight members: five members appointed by the Governor, one appointed by the Governor upon the recommendation of the President of the Senate, one appointed by the Governor upon recommendation of the Speaker of the General Assembly, and the Commissioner of the State Department of Transportation. At this time, the Commissioner of the Department of Transportation serves as Chair of the Authority.

B. **General Scope**

The Authority requires world class insurance coverages and services and recognizes that the right brokerage partner(s) is integral to achieving this goal. The Successful Proposer(s) will need to provide information, as requested in Section IV, which will demonstrate strategic account planning, superior technical expertise and disciplined execution.

The Authority appreciates the value of its casualty insurance coverages and the insurance companies providing such risk transfer and related services, (referred to interchangeably herein as “carriers”, “underwriters” and/or “insurers”). The Authority encourages complete and open communications with the broker(s) who will be the Successful Proposer(s) and wishes to develop and maintain a close, working relationship with its underwriters. The Authority requires “risk management” level solutions to its insurance issues given the risk profile and exposure characteristics in which the Authority operates. In other words, the Authority’s insurance needs should not be addressed using “off-the-shelf” insurance products but should be tailored to the best solution for the Authority. Proposers who choose to submit a Proposal to this RFP should be prepared to offer value-added, non-standard, customized solutions to the Authority’s needs, and develop creative solutions to reduce the Authority’s total cost of risk (“TCOR”). The Proposer(s) will need to propose a comprehensive but practical approach to assisting the Authority in achieving these goals.

Since November 2012, the Authority’s broker of record for these services has been Willis of New Jersey, Inc. (“Willis”). Willis’ agreement with the Authority expires in November 2019. The Authority also has contracted with an insurance and risk management consultant, currently Hanover Stone Partners, LLC (“Hanover Stone”) and the Successful Proposer(s) will be expected to work closely with the Authority and Hanover Stone to achieve the Authority’s insurance and risk management goals. The Authority also has contracted with a third-party

administrator, Inservco Insurance Services, Inc. (“Inservco”), who acts as administrator for general liability, auto liability, police protective and employment claims and provides periodic loss runs. Attached hereto as Appendix 3 is a chart indicating the Authority’s current casualty insurance program.

All submittals should include evidence of the Proposer’s planning to obtain the best coverage/service solution available and sufficient detail to exhibit coverage/service enhancements that should be included in a proposed marketing specification.

The Successful Proposer(s) will have a short period of time to secure quotations from carriers for the Authority. It is of critical importance that the timelines and deadlines that the Authority sets are met. Submission of a response to this RFP will be conclusive evidence of agreement to meet all terms of this contract, including the deadlines set forth herein. In addition, each Proposer who renders a submission will be required to attest in writing that it will be able to meet the deadlines that are outlined in this RFP.

The Authority reserves the right to continue with its present insurance broker affiliation for the remainder of any current or renewal contract term, structure its programs to relate directly to its underwriters (without brokerage assistance) or award brokerage affiliations to one or more Proposers, as it deems in its best interest, in accordance with the terms of this RFP.

The Proposers will be required to provide any or all of the Services set forth below. If the Proposer(s) deems that additional services may be required in connection with the Authority’s programs, then the Proposer(s) should present those additional services and related cost, if any, in its response and it should note that they are in addition to those required.

The following listing of required services is provided to enable Proposers to understand the scope of services required by the Authority and to price their submission accordingly. Under no circumstances are Proposers authorized to market any insurances on behalf of the Authority.

C. Detailed Scope

The Successful Proposer(s) shall perform the following services as required by the Authority:

I. Insurance Brokerage Services

1. Design, market and implement the broadest casualty insurance program at the most reasonable cost that adequately protects the Authority and other designated parties against the risks arising out of the Authority’s past, present and future operations, specifically tailored to the Authority’s needs, which shall include renewals to the lines of insurance which are outlined on Appendix 3, and such other related insurance needs of the Authority as may be deemed necessary during the term of this contract.
2. Assist the Authority in the preparation of insurance underwriting submissions, for review and approval by the Authority prior to submission to insurance underwriters.

3. Meet with the Authority and its consultants, as often as the Authority deems necessary, prior to policy renewals to develop a negotiation strategy for meetings with insurance underwriters. The strategy will address risks to be covered, markets to be solicited, and insurance limits/layers. Conduct negotiations with interested insurance underwriters, regulatory authorities and others. Negotiations will include establishing the details of policy forms, coverage, premiums, service and terms and conditions. Keep the Authority informed of significant developments in the negotiations. At least one hundred and twenty (120) days prior to program anniversary, submit a written report stating all pertinent information in summary form, such as:
 - a. insured program earned premiums and incurred losses by year and coverage line;
 - b. anticipated renewal terms and conditions and other indications of market conditions, trends, and anticipated changes;
 - c. identification of problems in areas such as claim handling, safety hazards, uninsured risks;
 - d. recommendations for improved program design; achieve enhancements in rate, terms and conditions;
 - e. services performed and planned; and
 - f. accounting of all income received on the Authority's account and the method by which fees and/or commissions are calculated.
4. Before binding the specific insurance coverages the Authority wishes to purchase, disclose in writing:
 - a. a summary of all quotes and indications sought and received with all pertinent information, or, if the Authority prefers, a copy of all quotes and indications sought and all quotes or indications received in connection with that coverage;
 - b. any interest the Successful Proposer may have in, or contractual arrangements with, any of the prospective insurers; and
 - c. the maximum amount or percentage rate of compensation which the Successful Proposer, its parent companies, subsidiaries or affiliates, may receive in connection with the placement of the insurance coverage; and the successful Proposer will obtain the Authority's written consent to the amount or rate of compensation the Successful Proposer will receive before coverage is bound.
5. Assist the Authority with the evaluation of options received from the insurance market.
6. Respond to questions related to coverage and the placement process; throughout the term of the agreement, provide ongoing coverage analyses and critique of policy language. Obtain answers from underwriters to policy coverage questions.
7. Deliver confirmation of coverage being placed. Follow up with insurance carriers for issuance of policies and endorsements and deliver same to the Authority in a timely manner.

8. Review all policies, binders, certificates, endorsements or other documents delivered by insurers or intermediaries for the purpose of confirming their accuracy and conformity to negotiated specifications and the Authority's instructions and advise the Authority of any errors in, or recommended changes to, such policies.
9. Meet, as requested by the Authority, with its representatives to explain coverage and policies. Promptly respond to the Authority's requests for coverage information, analysis of changing market conditions, and assistance in developing procedures for handling loss exposures, and assist the Authority in reporting subsequent changes in underwriting information to insurance companies.
10. Verify the accuracy of all rates and premiums charged.
11. Provide coverage summaries for all placements.
12. Accept premium payments on behalf of and remit premiums to insurers and, where applicable, remit taxes and fees to the relevant authorities, all on a timely basis and within the requirements of the insuring and contract agreements.
13. Assure that insurance policies are placed with reputable and financially responsible insurers who possess A. M. Best rating of A-/VII or better and who are licensed in New Jersey or have approved surplus lines insurer eligibility. Monitor published financial information of the Authority's current insurers and alert the Authority when the status of one or more of such insurers falls below minimum financial guidelines.
14. Assess the financial soundness of the insurers that the Successful Proposer recommends to provide the Authority coverages based on publicly available information, including that produced by well-recognized rating agencies. Provide the Authority with factual analysis of such issues.
15. Review for accuracy third party service agreements, premium and exposure audits, rating adjustments (including workers' compensation experience rating data), retrospective, deductible and other loss-sensitive premium adjustments and dividend calculations and loss data
16. Provide the Authority with an annual stewardship report describing, at a minimum, services provided to the Authority over the past year, service objectives for the upcoming year and the Successful Proposer's estimate of future changes in insurance premium levels and coverage grants.

APPENDIX 2

State Contractor Political Contributions Compliance Public Law 2005, Chapter 51 and Executive Order 117

In order to safeguard the integrity of State government procurement by imposing restrictions to insulate the award of State contracts from political contributions that pose the risk of improper influence, purchase of access, or the appearance thereof, Executive Order 134 (McGreevey) was signed on September 22, 2004 and became effective October 15, 2004. EO134 was applicable to all State agencies, the principal departments of the executive branch, any division, board, bureau, office, commission within or created by a principal executive branch department, and any independent State authority, board, commission, instrumentality or agency. EO134 was superseded by P.L. 2005, c. 51, signed into law on March 22, 2005 (“Chapter 51”). In September 2008, Executive Order 117 (Corzine) was signed and became effective November 15, 2008. EO117, which applies only prospectively, extends Chapter 51’s political contribution restrictions by expanding the definition of “business entity” to include, for example, more corporate shareholders and sole proprietors. EO117 and Chapter 51 contain restrictions and reporting requirements that will necessitate a thorough review of their provisions by bidders.

Pursuant to the requirements of Chapter 51 and EO117, the terms and conditions set forth in this Appendix are material terms of any contract entered into by the Authority.

DEFINITIONS

For the purpose of this Appendix, the following shall be defined as follows:

a) “**Contribution**” – means a contribution reportable by the recipient under the New Jersey Campaign Contributions and Expenditures Reporting Act, P.L. 1973, c. 83, *N.J.S.A.* 19:44A-1 *et seq.*, and implementing regulations set forth at *N.J.A.C.* 19:25-7 and *N.J.A.C.* 19:25-10.1 *et seq.*, made on or after October 15, 2004. As of January 1, 2005, contributions in excess of \$300 are reportable.

b) “**Business Entity**” – means any natural or legal person; business corporation (and any officer, person, or business entity that owns or controls 10% or more of the corporation’s stock); professional services corporation (and any of its officers or shareholders); limited liability company (and any members); general partnership (and any partners); limited partnership (and any partners); in the case of a sole proprietorship: the proprietor; a business trust, association or any other legal commercial entity organized under the laws of New Jersey or any other state or foreign jurisdiction, including its principals, officers, or partners. The definition of a business entity also includes (i) all principals who own or control more than 10 percent of the profits or assets of a business entity; (ii) any subsidiaries directly or indirectly controlled by the business entity; (iii) any political organization organized under section 527 of the Internal Revenue Code that is directly or indirectly controlled by the business entity, other than a candidate committee, election fund, or political party committee; and (iv) if a business entity is a natural person, that

person's spouse, civil union partner or child, residing in the same household, except for contributions by spouses, civil union partners, or resident children to a candidate for whom the contributor is eligible to vote, or to a political party committee within whose jurisdiction the contributor resides.

PROHIBITION ON THE AGREEMENTS/BREACH OF EXISTING THE AGREEMENT

As set forth in Chapter 51 and EO117, the Authority shall not enter into a the Agreement to procure from any Business Entity services or any material, supplies or equipment, or to acquire, sell or lease any land or building, where the value of the transaction exceeds \$17,500, if that Business Entity has solicited or made any contribution of money, or pledge of contribution, including in-kind contributions, to a candidate committee and/or election fund of any candidate for or holder of the public office of Governor or Lieutenant Governor, or to any State, county or municipal political party committee, or legislative leadership committee during specified time periods.

Further, it shall be a breach of the terms of any contract with the Authority for any Business Entity who has been awarded the contract, during the term of the contract or any extension thereof, to:

- (i) make or solicit a contribution in violation of Chapter 51 or EO117;
- (ii) knowingly conceal or misrepresent a contribution given or received;
- (iii) make or solicit contributions through intermediaries for the purpose of concealing or misrepresenting the source of the contribution;
- (iv) make or solicit any contribution on the condition or with the agreement that it will be contributed to a campaign committee or any candidate of holder of the public office of Governor or Lieutenant Governor, or to any State, county or municipal party committee, or legislative leadership committee;
- (v) engage or employ a lobbyist or consultant with the intent or understanding that such lobbyist or consultant would make or solicit any contribution, which if made or solicited by the Business Entity itself, would subject that entity to the restrictions of Chapter 51 or EO117;
- (vi) fund contributions made by third parties, including consultants, attorneys, family members, and employees;
- (vii) engage in any exchange of contributions to circumvent the intent of Chapter 51 or EO117; or
- (viii) directly or indirectly through or by any other person or means, do any act which would subject that entity to the restrictions of Chapter 51 or EO117.

CERTIFICATION AND DISCLOSURE REQUIREMENTS

Prior to the award of any contract or agreement, the Authority shall notify any Business Entity to which it intends to award a contract of the need to submit to the Authority a completed Certification and Disclosure of Political Contributions form, as issued by the State Treasurer. **The intended awardee will receive the applicable form from the Authority's Procurement**

and Materials Management Department to be completed and returned to the Authority for submission to the State Treasurer.

In completing this form, the Business Entity must certify that no contributions prohibited by Chapter 51 or EO117 have been made by the Business Entity and must report all contributions the Business Entity made during the preceding four years to any political organization organized under 26 U.S.C. § 527 of the Internal Revenue Code that also meets the definition of a “continuing political committee” within the meaning of *N.J.S.A.* 19:44A-3(n) and *N.J.A.C.* 19:25-1.7. Failure to submit the required forms will preclude award of the contract at issue, as well as future contract opportunities.

Upon approval by the State Treasurer, the Authority will prepare the Services Agreement for execution. However, if the State Treasurer determines that any contribution or action by a Business Entity poses a conflict of interest in the awarding of the contract or agreement at issue, the State Treasurer shall disqualify the Business Entity from award of such contract.

Once approved by the State Treasurer, a Business Entity’s Political Contributions Certification is valid for a two (2) year period from the date of approval. If, prior to the award of a contract, the State Treasurer confirms to the Authority that the intended awardee has an approved certification that will remain valid for the term of the contract, the Authority may waive the requirement that the awardee complete an additional Certification and Disclosure of Political Contributions form.

Any Business Entity entering into a contract with the Authority is required, on a continuing basis, to report to the Authority any contributions it makes during the term of the contract, and any extension(s) thereof, at the time any such contribution is made. Such reports shall be subject to review by the Authority and the State Treasurer. If the State Treasurer determines that any such contribution poses a conflict of interest, such contribution shall be deemed a material breach of the contract or agreement at issue.
