Response to Inquiry
Request for Expressions of Interest

- Inquiry:** The scope of service identified in Section C: Scope of Project, Item 33 is not anticipated for OPS T3757 and therefore should not be included as a direct expense or provided as hours for the environmental consultant.

Response: It is the consultant's responsibility to have an environmental consultant readily available in the event that one of the services identified needs to be performed, however this would be considered beyond the Scope of Project.
