SECTION I

A. INTRODUCTION

The New Jersey Turnpike Authority (the “Authority”) was created by an act of the New Jersey Legislature in 1948, known as the New Jersey Turnpike Authority Act (as amended and supplemented, “Act”). The Act authorizes the Authority to construct, maintain, repair, and operate the New Jersey Turnpike, to collect tolls, and to issue Turnpike Revenue Bonds or Notes, subject to the approval of the Governor, payable from tolls and other revenues of the Authority. On May 27, 2003, the Act was amended to empower the Turnpike to assume all powers, rights, obligations and duties of the New Jersey Highway Authority (the “Highway Authority”), which owned and operated the Garden State Parkway and PNC Bank Arts Center. On July 9, 2003, the Authority assumed all powers, rights, obligations and duties of the Highway Authority. The Authority currently operates both the Garden State Parkway (“GSP”) and the New Jersey Turnpike (“Turnpike”) (both roads are collectively referred to herein as the (“Roadways”).

The Authority is governed by an eight-member Board of Commissioners (“Board”). The Governor of New Jersey appoints each of its members and has the statutory authority to overturn an action of the Board by vetoing any Board action within 10 days of receiving the minutes of the meeting. The Board authorizes awards of all public contracts over \$100,000, except in cases where it has delegated authority to the Executive Director.

This bid solicitation is being conducted pursuant to the Authority’s enabling statute as found in *N.J.S.A. 27:23-6.1* and Executive Order number 37 (Corzine 2006) and the regulations and policies of the Authority with regard to public bid procurement.

Notice Of Electronic Bidding

In an effort to make the bid solicitation process more efficient and cost effective for both vendors and the “Authority”, the “PMM” Department has adopted an electronic bidding process for the majority of its public bids. Receipt of bids via the electronic format will be required for designated procurement contracts. For these contracts, notifications, including advertisement to bidders, will state bids that will **only** be received electronically. The mandatory electronic bidding on selected contracts will commence in the fall of 2020.

In those instances, where electronic bids are required, the bidder must submit the bids to **bidexpress.com**. It is recommended that all vendors become familiar with the process to prepare for the Authority contracts that require electronic submission. All electronic bidders must **register on bidexpress.com and create a Free “Digital ID”** to the vendor and may take up to five (5) business days to process and an additional 48 hours once approved by Bid Express before bid submittal, the Authority recommends that a Digital ID be processed in advance, should a Digital ID not be established at the time of bid submission, electronic submittal may not be possible.

In lieu of paying the overnight delivery costs, Bid Express charges a fee of \$25.00 on a pay-per solicitation basis. Alternatively, you can participate in Bid Express’ monthly subscription (\$50.00) program (nationally) for unlimited electronic bid submission to all entities that post solicitations on the **bidexpress.com** website which gets daily email notifications by your companies commodity codes. Furthermore, Bid Express provides alerts to errors and omissions and not being able to submit an incomplete or inaccurate bid. Bid Express also has an optional electronic bid bond submission program, which the bid express team can guide you along with assistance from your insurance carrier; this service shall verify accurate bid bond submittal.

For additional information on electronic bidding and FAQs, go to the <https://bidexpress.com> or contact the Bid Express team toll free at (888) 352-2439 (select option 1).
