(a) An Interest Period for the Series 2020 A Bonds in the CP Mode shall be of such duration of from one to 270 calendar days ending on a day preceding a Business Day or the Maturity Date, as the Remarketing Agent shall determine in accordance with the provisions of this Section. Each Series 2020 A Bond bearing interest at a Commercial Paper Rate can be subject to a Commercial Paper Rate Period, and bear interest at a Commercial Paper Rate, different than another Series 2020 A Bond bearing interest at a Commercial Paper Rate. In making the determinations with respect to Interest Periods, subject to limitations imposed by the second preceding sentence and in Section 203 hereof, on each Rate Determination Date for a Series 2020 A Bond bearing interest at a Commercial Paper Rate, the Remarketing Agent shall select for such Series 2020 A Bond, the Interest Period which would result in the Remarketing Agent being able to remarket such Series 2020 A Bond at par in the secondary market at the lowest average interest cost for all Series 2020 A Bonds bearing interest at a Commercial Paper Rate; provided, however, that if the Remarketing Agent has received notice from the Authority that the Series 2020 A Bonds are to be changed from the CP Mode to any other Mode, the Remarketing Agent shall select Interest Periods which do not extend beyond the resulting applicable Mandatory Purchase Date of the Series 2020 A Bonds.

(b) Except while the Series 2020 A Bonds are registered in a Book-Entry System, in order to receive payment of the Purchase Price, the Owner of any Series 2020 A Bond in the CP Mode must present such Series 2020 A Bond to the Paying Agent, by 12:00 noon on the Mandatory Purchase Date, in which case, the Paying Agent shall pay the Purchase Price to such Owner by 3:00 p.m. on the same day.

(c) By 1:00 p.m. on each Rate Determination Date, the Remarketing Agent, with respect to each Series 2020 A Bond in the CP Mode which is subject to adjustment on such date, shall determine the Commercial Paper Rate(s) for the Commercial Paper Rate Periods then selected for such Series 2020 A Bond and shall give notice by Electronic Means to the Paying Agent and the Authority, of the Commercial Paper Rate Periods, the Mandatory Purchase Date(s) and the Commercial Paper Rate(s). The Remarketing Agent shall make the Commercial Paper Rate(s) and the length of the Commercial Paper Rate Periods available after 2:00 p.m. on each Rate Determination Date by telephone or Electronic Means to any Beneficial Owner or Notice Party requesting such information.

SECTION 206. Determination of Interest Rates During the LIBOR Index Rate Mode and the SIFMA Index Rate Mode

(a) The interest rate for any Series 2020 A Bonds in the LIBOR Index Rate Mode shall be equal to the LIBOR Index Rate, as determined by the Trustee by no later than 5:00 p.m. on and as of the applicable Rate Determination Date. In the absence of manifest error, the determination of the LIBOR Index Rate by the Trustee and the record of the LIBOR Index Rate maintained by the Trustee shall be conclusive and binding upon the Authority, the Paying Agent, the Trustee, the Owners and the Beneficial Owners. The Trustee shall notify the Authority of each LIBOR Index Rate determined by the Trustee in accordance with this Section 206(a) by no later than 12:00 p.m. on the Business Day following the applicable Rate Determination Date by

Electronic Means. The Trustee shall further notify the Authority in writing no later than the second Business Day preceding each Interest Payment Date, Mandatory Purchase Date or Redemption Date for the Series 2020 A Bonds in the LIBOR Index Rate Mode of the amount of interest payable on the Series 2020 A Bonds on any such Date.

(b) The interest rate for any Series 2020 A Bonds in the SIFMA Index Rate Mode shall be equal to the SIFMA Index Rate, as determined by the Trustee by no later than 5:00 p.m. on and as of the applicable Rate Determination Date. In the absence of manifest error, the determination of the SIFMA Index Rate by the Trustee and the record of the SIFMA Index Rate s maintained by the Trustee shall be conclusive and binding upon the Authority, the Paying Agent, the Trustee, the Owners and the Beneficial Owners. The Trustee shall notify the Authority of each SIFMA Index Rate determined by the Trustee in accordance with this Section 206(a) by no later than 12:00 p.m. on the Business Day following the applicable Rate Determination Date by Electronic Means. The Trustee shall further notify the Authority in writing no later than the second Business Day preceding each Interest Payment Date, Mandatory Purchase Date or Redemption Date for the Series 2020 A Bonds in the SIFMA Index Rate Mode of the amount of interest payable on the Series 2020 A Bonds on any such Date.

SECTION 207. Determination of Fixed Rate

The Remarketing Agent shall determine the Fixed Rate for the Series 2020 A Bonds being converted to the Fixed Rate Mode in the manner and at the times as follows: not later than 4:00 p.m. on the applicable Rate Determination Date, the Remarketing Agent shall determine the Fixed Rate (or Rates, if the Series 2020 A Bonds being converted will have Serial Maturity Dates in accordance with Section 209(b)(v) hereof). Except as set forth in Section 209(b)(v) hereof, the Fixed Rate shall be the minimum interest rate which, in the sole judgment of the Remarketing Agent, will result in a sale of the Series 2020 A Bonds at a price equal to the principal amount thereof on the Rate Determination Date. The Remarketing Agent shall make the Fixed Rate available by telephone or by Electronic Means after 5:00 p.m. on the Rate Determination Date to any Notice Party requesting such Fixed Rate. Upon request of any Notice Party, the Paying Agent shall give notice of such rate by Electronic Means. Subject to Section 209(b)(v), the Fixed Rate so established shall remain in effect until the Maturity Date of such Series 2020 A Bonds.

SECTION 208. Alternate Rates

The following provisions shall apply in the event (i) the Trustee or the Remarketing Agent fails or is unable to determine the interest rate or Interest Period for any Series 2020 A Bonds, (ii) the method by which the Trustee or the Remarketing Agent determines the interest rate or Interest Period with respect to any Series 2020 A Bonds shall be held to be unenforceable by a court of law of competent jurisdiction or (iii) if the Remarketing Agent suspends its remarketing effort in accordance with the Remarketing Agreement. These provisions shall continue to apply until such time as the Trustee or the Remarketing Agent (or the Authority if applicable) again makes such determinations. In the case of clause (ii) above, the Trustee or the Remarketing Agent (or the Authority, if applicable) shall again make such determination at such time as there is delivered to the Trustee or the Remarketing Agent and the Authority an opinion of Bond Counsel to the effect that there are no longer any legal prohibitions against such determinations. The following shall be the methods by which the interest rates and, in the case of the CP Mode, the

Interest Periods, shall be determined for any Series 2020 A Bonds as to which any of the events described in clauses (i), (ii) or (iii) above shall be applicable. Such methods shall be applicable from and after the date any of the events described in clauses (i), (ii) or (iii) above first become applicable to any Series 2020 A Bonds until such time as the events described in clauses (i), (ii) or (iii) above are no longer applicable to such Series 2020 A Bonds.

(a) For any Series 2020 A Bonds that are then in the CP Mode, the next Interest Period shall be from, and including, the first day following the last day of the current Interest Period for such Series 2020 A Bonds to, but excluding, the next succeeding Business Day and thereafter shall commence on each Business Day and extend to, but exclude, the next succeeding Business Day. For each such Interest Period, the Commercial Paper Rate for such Series 2020 A Bonds shall be the Commercial Paper Rate in effect for such Series 2020 A Bonds for the preceding Interest Period; *provided, however*, if there is no Remarketing Agent in place for such Series 2020 A Bonds during any such Interest Period, the Commercial Paper Rate for such Series 2020 A Bonds shall be equal to the Maximum Rate for such Interest Period.

(b) For any Series 2020 A Bonds that are then in the LIBOR Index Rate Mode, such Series 2020 A Bonds shall bear interest during each subsequent Interest Period (1) at a LIBOR Index Rate that is the same as the LIBOR Index Rate for the immediately preceding Interest Period if the LIBOR Index Rate for such preceding Interest Period was determined by the Trustee, or (2) if the LIBOR Index Rate for the immediately preceding Interest Period was not determined by the Trustee or if the LIBOR Index Rate determined by the Trustee shall be held to be invalid or unenforceable by a court of law, at a LIBOR Index Rate for such Interest Period equal to 70% of the interest rate on 30-day high grade unsecured commercial paper notes sold through dealers by major corporations as reported in The Wall Street Journal or The Bond Buyer on the Rate Determination Date for such Interest Period as specified by the Authority to the Trustee.

(c) For any Series 2020 A Bonds that are then in the SIFMA Index Rate Mode, such Series 2020 A Bonds shall bear interest during each subsequent Interest Period (1) at a SIFMA Index Rate that is the same as the SIFMA Index Rate for the immediately preceding Interest Period if the SIFMA Index Rate for such immediately preceding Interest Period was determined by the Trustee, or (2) if the SIFMA Index Rate for the immediately preceding Interest Period was not determined by the Trustee or if the SIFMA Index Rate determined by the Trustee shall be held to be invalid or unenforceable by a court of law, at a SIFMA Index Rate for such Interest Period equal to (i) 100% of the SIFMA Index made available for the week preceding the Rate Determination Date, or (ii) if such SIFMA Index is no longer available, or no such index was made available for the week preceding the Rate Determination Date, 70% of the interest rate on 30-day high grade unsecured commercial paper notes sold through dealers by major corporations as reported in The Wall Street Journal or The Bond Buyer on the Rate Determination Date for such Interest Period as specified in writing by the Authority to the Trustee.

SECTION 209. Changes in Mode

Subject to the provisions of this Section, the Authority may effect a change in Mode with respect to all or a portion of the Series 2020 A Bonds by following the procedures set forth in this Section. If a change in Mode will make any Series 2020 A Bonds subject to Rule 15c2-12 promulgated under the Securities Act of 1934, as amended, it shall be a condition to the conversion

that the Authority shall have executed a continuing disclosure undertaking satisfying the requirements of such Rule (the “**Continuing Disclosure Agreement**”) and shall cooperate with the Remarketing Agent, if any, and any Underwriter (as defined in such Rule) in satisfying the requirements of such Rule. If the Mode is to be changed for a portion of the Series 2020 A Bonds (and not all of the Series 2020 A Bonds), the Authority and the Trustee shall take such actions as shall be necessary or desirable to distinguish the portion of the Series 2020 A Bonds in one Mode from the portion of the Series 2020 A Bonds in a different Mode, including assigning different designations to different portions of the Series 2020 A Bonds or creating one or more sub-series of the Series 2020 A Bonds.

(a) Changes to Modes Other Than to Fixed Rate Mode. All or a portion of the Series 2020 A Bonds (other than Series 2020 A Bonds in the Fixed Rate Mode) may be changed from one Mode to another Mode (other than the Fixed Rate Mode) as follows:

(i) Mode Change Notice; Notice to Owners. No later than a Business Day which is at least thirty (30) days (or such shorter time as may be agreed to by the Authority, the Trustee, the Tender Agent and the Remarketing Agent) preceding the proposed Mode Change Date, the Authority shall give written notice to the Notice Parties of its intention to effect a change in the Mode from the Mode then prevailing (for purposes of this Section, the “**Current Mode**”) to another Mode (for purposes of this Section, the “**New Mode**”) specified in such written notice. Notice of the proposed change in Mode shall be given by the Tender Agent to the Owners of the affected Series 2020 A Bonds not less than the fifteenth (15th) day next preceding the Mode Change Date provided that no notice need be given for a Mode Change Date occurring on the first Business Day following the last day of a Commercial Paper Rate Period. Such notice shall state: (1) the Mode to which the conversion will be made and the Mode Change Date; (2) that the affected Series 2020 A Bonds will be subject to mandatory purchase on the Mode Change Date (regardless of whether all of the conditions to the change in the Mode are satisfied) and the Purchase Price of the affected Series 2020 A Bonds; and (3) if the Book-Entry System is no longer in effect, information with respect to required delivery of any Series 2020 A Bond certificates and the payment of Purchase Price.

(ii) Determination of Interest Rates. The New Mode shall commence on the Mode Change Date and the interest rate(s) (together, in the case of a change to the CP Mode, with the Interest Period(s)) shall be determined by the Remarketing Agent in the manner provided in Sections 205 and 206 hereof, as applicable.

(iii) Conditions Precedent:

(A) The Mode Change Date shall be:

(1) in the case of a change from the CP Mode, the next Mandatory Purchase Date for all of the affected Series 2020 A Bonds that are in the CP Mode; and

(2) in the case of a change from the Direct Purchase Mode, the LIBOR Index Rate Mode or the SIFMA Index Rate Mode, any Business Day.

Such Series 2020 A Bonds shall be purchased on such Mode Change Date at a Purchase Price equal to 100% of the principal amount thereof, provided that if such Series 2020 A Bonds are to be purchased on an Interest Payment Date other than the last Interest Payment Date and would otherwise be subject to optional redemption on such Mode Change Date at a Redemption Price of more than 100% of the principal amount thereof, such Series 2020 A Bonds shall be purchased at a Purchase Price equal to such Redemption Price. Any premium paid in excess of 100% of the principal amount of such Series 2020 A Bonds purchased shall be paid by the Authority.

(B) If any Series 2020 A Bonds to be converted are in the CP Mode, no Interest Period set after delivery by the Authority to the Remarketing Agent of the notice of the intention to effect a change in Mode shall extend beyond the day preceding the proposed Mode Change Date.

(C) A Favorable Opinion of Bond Counsel, dated the Mode Change Date and addressed to the Notice Parties, shall have been delivered to the Trustee, the Paying Agent and the Remarketing Agent, if any, on or prior to the Mode Change Date.

(b) Change to Fixed Rate Mode. At the option of the Authority, all or a portion of the Series 2020 A Bonds bearing interest at the Direct Purchase Rate, a Commercial Paper Rate, the LIBOR Index Rate or the SIFMA Index Rate (in an amount which is an Authorized Denomination for the new Rate Period) may be changed to the Fixed Rate Mode, as provided in this Section 209(b). On any Business Day which is at least thirty (30) days (or such shorter time as may be agreed to by the Authority, the Trustee and the Remarketing Agent, but in any event not less than the fifteenth (15th) day next preceding the Mode Change Date) before the proposed Mode Change Date, the Authority shall give written notice to the Notice Parties stating that the Mode will be changed to the Fixed Rate Mode and setting forth the proposed Mode Change Date. In addition, such notice shall state whether some or all of the Series 2020 A Bonds to be converted shall be converted to Serial Series 2020 A Bonds and, if so, the applicable Serial Maturity Dates, all as determined pursuant to subsection (v) of this subsection (b). Any such change in Mode shall be made as follows:

(i) Mode Change Date. The Mode Change Date shall be:

(A) in the case of a change from the CP Mode, the next Mandatory Purchase Date for all of the affected Series 2020 A Bonds that are in the CP Mode; and

(B) in the case of a change from the Direct Purchase Mode, the LIBOR Index Rate Mode or the SIFMA Index Rate Mode, any Business Day.

Such Series 2020 A Bonds shall be purchased on such Mode Change Date at a Purchase Price equal to 100% of the principal amount thereof, provided that if such Series 2020 A Bonds would otherwise be subject to optional redemption on such Mode Change Date at a Redemption Price of more than 100% of the principal amount thereof, such Series 2020 A Bonds shall be purchased at a Purchase Price equal to such Redemption Price. Any premium paid in excess of 100% of the principal amount of such Series 2020 A Bonds purchased shall be paid by the Authority; and

(ii) Notice to Owners. Not less than the fifteenth (15th) day next preceding the Mode Change Date, the Paying Agent shall mail, in the name of the Authority, a notice of such proposed change to the Owners of the affected Series 2020 A Bonds stating that the Mode will be changed to the Fixed Rate Mode and the proposed Mode Change Date. Such notice shall also state that such Owner is required to tender such Owner's Series 2020 A Bonds for purchase on such proposed Mode Change Date regardless of whether all of the conditions to the change to the Fixed Rate Mode are satisfied.

(iii) General Provisions Applying to Change to Fixed Rate Mode. The change to the Fixed Rate Mode shall not occur unless a Favorable Opinion of Bond Counsel, dated the Mode Change Date and addressed to the Authority and the Trustee, shall have been delivered to the Authority, the Trustee and the Remarketing Agent, if any, on or prior to the Mode Change Date.

(iv) Determination of Interest Rate. The Fixed Rate (or rates in the case of Serial Series 2020 A Bonds) for the Series 2020 A Bonds to be converted to the Fixed Rate Mode shall be established by the Remarketing Agent on the Rate Determination Date applicable thereto pursuant to the provisions of Section 207(b). Such Rate or Rates shall remain in effect until the Maturity Date of the Series 2020 A Bonds to be converted to the Fixed Rate Mode.

Such determination shall be conclusive and binding upon the Authority, the Trustee and the Owners of the Series 2020 A Bonds to which such rate will be applicable. Not later than 5:00 p.m., on the date of determination of the Fixed Rate(s), the Remarketing Agent shall notify the Trustee and the Authority of such Fixed Rate(s) by telephone promptly confirmed in writing.

(v) Serialization and Sinking Fund; Price. Upon conversion of any Series 2020 A Bonds to the Fixed Rate Mode, the Series 2020 A Bonds to be so converted shall be remarketed at par, shall mature on the same Maturity Date(s) and be subject to the same optional redemption provisions as set forth in this Certificate for any prior Mode; provided, however, that if the Authority shall deliver to the Trustee a Favorable Opinion of Bond Counsel, the Authority may elect to (1) have some of the Series 2020 A Bonds to be so converted be Serial Series 2020 A Bonds and some subject to mandatory sinking fund redemption even if such Series 2020 A Bonds were not Serial Series 2020 A Bonds or subject to mandatory sinking fund redemption prior to such change, (2) change the optional redemption dates and/or premiums set forth in Section 305 hereof, and/or (3) sell

some or all of the Series 2020 A Bonds to be so converted at a premium or a discount to par.

(c) Failure to Satisfy Conditions Precedent to a Mode Change. In the event the conditions described above in subsections (a) or (b), as applicable, of this Section have not been satisfied by the applicable Mode Change Date, then the New Mode shall not take effect and any mandatory purchase shall be made on such date if notice has been sent to the Owners stating that such Series 2020 A Bonds would be subject to mandatory purchase on such date. If the failed change in Mode was from the CP Mode, the affected Series 2020 A Bonds shall remain in the CP Mode with interest rates and Interest Periods to be established by the Remarketing Agent on the failed Mode Change Date in accordance with Section 205 hereof. If the failed change in Mode was from the LIBOR Index Rate Mode, the affected Series 2020 A Bonds shall remain in the LIBOR Index Rate Mode, and if the failed change in Mode was from the SIFMA Index Rate Mode, the affected Series 2020 A Bonds shall remain in the SIFMA Index Rate Mode, in each case with interest rates established in accordance with the applicable provisions of Section 206 hereof on and as of the failed Mode Change Date. The Trustee will give written notice by first class mail postage prepaid as soon as practicable and in any event not later than the next succeeding Business Day to the Owners and the Authority that such conversion has not occurred, that the affected Series 2020 A Bonds will not be purchased on the failed Mode Change Date.

(d) Rescission of Election. Notwithstanding anything herein to the contrary, the Authority may rescind any election by it to change a Mode as described above prior to the Mode Change Date by giving written notice thereof to the Notice Parties prior to such Mode Change Date. If the Tender Agent receives notice of such rescission prior to the time the Tender Agent has given notice to the Owners of the Series 2020 A Bonds to be converted, then such notice of change in Mode shall be of no force and effect. If the Tender Agent receives notice from the Authority of rescission of a Mode change after the Tender Agent has given notice thereof to the Owners of the Series 2020 A Bonds to be converted, then if the proposed Mode Change Date would have been a Mandatory Purchase Date, such date shall continue to be a Mandatory Purchase Date. If the proposed change in Mode was from the CP Mode, the Series 2020 A Bonds which would have been converted shall remain in the CP Mode with interest rates and Interest Periods to be established by the Remarketing Agent on the proposed Mode Change Date in accordance with Section 205 hereof. If the proposed change in Mode was from the LIBOR Index Rate Mode, the Series 2020 A Bonds which would have been converted shall remain in the LIBOR Index Rate Mode, and if the proposed change in Mode was from the SIFMA Index Rate Mode, the Series 2020 A Bonds which would have been converted shall remain in the SIFMA Index Rate Mode, in each case with interest rates established in accordance with the applicable provisions of Section 206 hereof on and as of the proposed Mode Change Date. If the Remarketing Agent is unable to determine the interest rate on the proposed Mode Change Date, the provisions of Section 208 shall apply in effect at the beginning of each such Interest Period.

SECTION 210. Book-Entry System for the Series 2020 A Bonds

Notwithstanding any other provision of the Resolution or this Certificate to the contrary:

(a) The Series 2020 A Bonds shall initially be issued in the form of one (1) fully-registered bond certificate for the entire principal amount of the Series 2020 A and, unless

otherwise directed by the Purchaser, Series 2020 A Bonds in the Direct Purchase Rate Mode shall be issued in definitive certificated form registered in the name of the Owner thereof or as otherwise directed by such Owner. Except with respect to Series 2020 A Bonds in the Direct Purchase Rate Mode, and except as provided in paragraph (f) below, all of the Series 2020 A Bonds shall be registered in the name of Cede & Co., as nominee of DTC; provided, however, that if DTC shall request that the Series 2020 A Bonds be registered in the name of a different nominee, the Registrar shall exchange all or any portion of the Series 2020 A Bonds for an equal aggregate principal amount of Series 2020 A Bonds of the same maturity registered in the name of such nominee or nominees of DTC. While the Book-Entry System for the Series 2020 A Bonds is in effect, no Person other than DTC or its nominee shall be entitled to receive from the Authority or the Registrar either a Series 2020 A Bond certificate or any other evidence of ownership of the Series 2020 A Bonds, or any right to receive any payment in respect thereof, unless DTC or its nominee shall transfer record ownership of all or any portion of the Series 2020 A Bonds on the Register in connection with discontinuing the Book-Entry System as provided in paragraph (f) of this Section 210 or otherwise.

(b) So long as the Series 2020 A Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all payments of the principal or Redemption Price of and interest on such Series 2020 A Bonds shall be made to DTC or its nominee in accordance with the Letter of Representations on the dates provided for such payments under this Certificate. Each such payment to DTC or its nominee shall be valid and effective to fully discharge all liability of the Authority or the Paying Agent with respect to the principal or Redemption Price of and interest on such Series 2020 A Bonds to the extent of the sum or sums so paid.

(c) The Authority may treat DTC (or its nominee) as the sole and exclusive owner of the Series 2020 A Bonds registered in its name for the purposes of payment of the principal or Redemption Price of and interest on such Series 2020 A Bonds, selecting the Series 2020 A Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Owners of the Series 2020 A Bonds under the Series 2020 Resolution, registering the transfer of Series 2020 A Bonds, obtaining any consent or other action to be taken by the Owners of Series 2020 A Bonds and for all other purposes whatsoever; and the Authority shall not be affected by any notice to the contrary. The Authority shall not have any responsibility or obligation to any DTC Participant, any Beneficial Owner, or any other Person which is not shown on the Register as being the Owner of the Series 2020 A Bonds, with respect to: (i) the Series 2020 A Bonds; (ii) the accuracy of any records maintained by DTC or any DTC Participant; (iii) the payment by DTC or any DTC Participant of any amount in respect of the principal or Redemption Price of or interest on the Series 2020 A Bonds; (iv) any notice which is permitted or required to be given to the Owners of Series 2020 A Bonds under the General Bond Resolution or the Series 2020 Resolution; (v) the selection by DTC or any DTC Participant of any Person to receive payment in the event of a partial redemption of the Series 2020 A Bonds; or (vi) any consent given or other action taken by DTC as the Owner of Series 2020 A Bonds.

(d) So long as the Series 2020 A Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all notices required or permitted to be given to the Owners of the Series 2020 A Bonds under the Resolution or this Certificate shall be given to DTC in accordance with the Letter of Representations.

(e) So long as the Series 2020 A Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, in connection with any solicitation of consents from or voting by the Owners of Series 2020 A Bonds, the Trustee shall establish a special record date (the “**Special DTC Record Date**”) for such consent or other action (with no provision for revocation of consents or votes by subsequent Owners) and the date by which such consent or other action shall be received or taken (the “**Return Date**”). The Trustee shall give DTC notice of the Special DTC Record Date and of the Return Date not less than fifteen (15) calendar days in advance of such Special DTC Record Date to the extent possible.

(f) The Book-Entry System for registration of the ownership of the Series 2020 A Bonds through DTC shall be discontinued at any time that (i) DTC determines to resign as securities depository for the Series 2020 A Bonds and gives notice of such determination to the Authority and the Trustee, or (ii) the Authority determines that continuation of the Book-Entry System through DTC is not in the best interests of the Authority or the Owners of the Series 2020 A Bonds and gives notice of such determination to the Trustee and DTC. In either of such events the Authority may appoint a successor securities depository, but if the Authority does not appoint a successor, the Series 2020 A Bonds shall be delivered in registered certificated form to such Persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of the Authority or the Trustee for the accuracy of such designation. If a successor securities depository is appointed, this Section 210 shall be amended through a subsequent Certificate of Determination as necessary to reflect such succession and to incorporate provisions required by the successor securities depository.

(g) When any notices to the Owners of the Series 2020 A Bonds are given by the Trustee under the Resolution, they shall be sent by the Trustee to DTC with a request that DTC forward (or cause to be forwarded) the notice to the DTC Participants so that such DTC Participants may forward (or cause to be forwarded) the notices to the Beneficial Owners. The Authority and the Trustee shall be entitled to rely on any omnibus proxy delivered by DTC and to consider those DTC Participants to whose account the Series 2020 A Bonds are credited on any Record Date, as appropriate, and identified in a listing attached to the omnibus proxy, as the Owners of the aggregate amount of the Series 2020 A Bonds set forth on such listing for purposes of any consent, vote or other action of the Owners of the Series 2020 A Bonds under the Resolution.

SECTION 211. Form of the Series 2020 A Bonds and the Trustee’s Certificate of Authentication

Subject to the provisions of the Resolution, the form of the Series 2020 A Bonds and the Trustee’s Certificate of Authentication thereon shall be of substantially the tenor set forth in the form of the Series 2020 A Bonds attached hereto as Exhibit A with such variations, omissions and insertions thereto as are required or permitted by the Resolution.

**ARTICLE III
REDEMPTION OF SERIES 2020 A BONDS**

SECTION 301. Privilege of Redemption and Redemption Price

The Series 2020 A Bonds shall be subject to redemption prior to maturity as set forth or referred to in this Article III. If and to the extent of any inconsistency between this Article III and Article IV of the General Bond Resolution, this Article III shall govern with respect to the Series 2020 A Bonds. Except as otherwise provided by the second paragraph of Section 405 of the General Bond Resolution, on the Redemption Date, funds shall be deposited with the Paying Agent, in its capacity as a Co-Trustee, to pay, and such Co-Trustee is hereby authorized and directed to apply such funds to the payment of, the Series 2020 A Bonds or portions thereof called for redemption, together with accrued interest thereon to the Redemption Date. Series 2020 A Bonds subject to redemption prior to maturity shall be redeemable, upon notice as provided in this Article III, at such times, at such Redemption Prices and upon such terms, in addition to the terms contained or referred to in this Article III, as are specified in the General Bond Resolution.

SECTION 302. Optional Redemption of Series 2020 A Bonds in the Direct Purchase Rate

Series 2020 A Bonds in the Direct Purchase Rate Mode shall be subject to redemption at the option of the Authority, upon not less than thirty (30) days' prior written notice to the Purchaser as provided in Section 305 of the Series 2020 Resolution, in whole or in part in Authorized Denominations, on any date on or after January 1, 2018 at a Redemption Price equal to 100% of the principal amount thereof, plus accrued interest, if any, to the Redemption Date.

SECTION 303. Optional Redemption of Series 2020 A Bonds in the CP Mode

Series 2020 A Bonds in the CP Mode shall not be subject to optional redemption prior to their respective Mandatory Purchase Dates. The Series 2020 A Bonds in the CP Mode shall be subject to redemption at the option of the Authority, in whole or in part in Authorized Denominations, on their respective Mandatory Purchase Dates at a Redemption Price equal to the principal amount thereof.

SECTION 304. Optional Redemption of Series 2020 A Bonds in the LIBOR Index Rate Mode or the SIFMA Index Rate Mode

Series 2020 A Bonds in the LIBOR Index Rate Mode or the SIFMA Index Rate Mode shall be subject to redemption at the option of the Authority, in whole or in part in Authorized Denominations, on any Business Day at a Redemption Price equal to the principal amount thereof, plus accrued interest, if any, to the Redemption Date.

SECTION 305. Optional Redemption of Series 2020 A Bonds in the Fixed Rate Mode

Series 2020 A Bonds in the Fixed Rate Mode shall not be subject to redemption prior to the Maturity Date at the option of the Authority.

SECTION 306. Mandatory Sinking Fund Redemption of Series 2020 A Bonds

Except as otherwise provided in Section 209(b)(v) hereof, the Series 2020 A Bonds shall not be subject to mandatory sinking fund redemption prior to the Maturity Date.

SECTION 307. Mandatory Redemption Upon a Failed Remarketing

If all of the Series 2020 A Bonds in the Direct Purchase Rate are not purchased on a Mandatory Purchase Date as provided in Section 410(g) hereof, the Series 2020 A Bonds which are not purchased on such Mandatory Purchase Date shall be subject to mandatory redemption on the following dates (each such date, a **“Redemption Date”**): (i) fifty percent (50%) of the aggregate principal amount of the then Outstanding Series 2020 A Bonds which were not purchased on such Mandatory Purchase Date (and remain in the Direct Purchase Rate) shall be subject to mandatory redemption by the Authority on the date that is one (1) year after the commencement of the Amortization Period at a Redemption Price equal to one hundred percent (100%) of the principal amount of the Series 2020 A Bonds to be redeemed plus accrued interest, if any, to the Redemption Date, and (ii) the entire remaining aggregate principal amount of the then Outstanding Series 2020 A Bonds in the Direct Purchase Rate shall be subject to mandatory redemption by the Authority on the Amortization End Date at a Redemption Price equal to one hundred percent (100%) of the principal amount of such Outstanding Series 2020 A Bonds plus accrued interest, if any, to the Redemption Date.

SECTION 308. Selection of Series 2020 A Bonds to be Redeemed

Notwithstanding anything in the Resolution to the contrary, if less than all of the Series 2020 A Bonds are to be redeemed and paid prior to maturity, (i) Series 2020 A Bonds which constitute Authority Bonds shall be redeemed before any other Series 2020 A Bonds are redeemed, (ii) after all such Authority Bonds have been redeemed, the particular Series 2020 A Bonds, or portions thereof, to be redeemed shall be selected by the Authority, unless less than all of the Series 2020 A Bonds of the same maturity shall be called for redemption, in which case the selection of the Series 2020 A Bonds to be redeemed shall be by the Paying Agent, in its capacity as a Co-Trustee, by lot in such manner as such Co-Trustee in its discretion shall determine. In selecting Series 2020 A Bonds for redemption, such Co-Trustee shall treat each Series 2020 A Bond as representing that number of Series 2020 A Bonds which is obtained by dividing the principal amount of such Series 2020 A Bond by the then-minimum Authorized Denomination. Any Series 2020 A Bonds of the same maturity shall be deemed to be of the same maturity, whether or not the interest rates thereon are the same. If it is determined that less than all of the aggregate principal amount of a Series 2020 A Bond is to be called for redemption, then, except as may be otherwise provided in the Resolution, upon notice of the redemption of the portion of such principal amount that is to be called for redemption, the Owner of such Series 2020 A Bond shall forthwith surrender such Series 2020 A Bond to the Co-Trustee (1) for payment of the Redemption Price (including the redemption premium, if any, and interest to the Redemption Date) of the portion of such principal amount called for redemption and (2) the Co-Trustee shall authenticate and deliver to such Owner a new Series 2020 A Bond or Series 2020 A Bonds of the aggregate principal amount of the unredeemed balance of the principal amount of such Series 2020 A Bond. If the Book-Entry System for the Series 2020 A Bonds is in effect, upon a redemption of less than the entire principal

amount of a maturity of the Outstanding Series 2020 A Bonds, the Co-Trustee shall (i) either exchange the Series 2020 A Bond or Series 2020 A Bonds of such maturity held by the Securities Depository for a new Series 2020 A Bond or Series 2020 A Bonds of such maturity in the appropriate principal amount of the unredeemed portion of such maturity, if such Series 2020 A Bond is presented to the Co-Trustee by the Securities Depository, or (ii) obtain from the Securities Depository a written confirmation of the reduction in the principal amount of such Series 2020 A Bonds held by the Securities Depository.

SECTION 309. Notices

(a) Notice of the redemption of any Series 2020 A Bonds shall be given by the Paying Agent, in its capacity as a Co-Trustee, at the written direction and on behalf of the Authority by mailing a copy of an official notice of redemption not less than thirty (30) days (fifteen (15) days if the Series 2020 A Bonds to be redeemed are in the LIBOR Index Rate Mode, the SIFMA Index Rate Mode or the CP Mode) nor more than sixty (60) days (forty-five (45) days if the Series 2020 A Bonds to be redeemed are in the LIBOR Index Rate Mode, the SIFMA Index Rate Mode or the CP Mode) prior to the Redemption Date to (i) each Owner of the Series 2020 A Bonds to be redeemed by first class mail at their addresses appearing on the Registrar, (ii) any entities required to receive such notice pursuant to the provisions of the Continuing Disclosure Agreement, and (iii) the Remarketing Agent for the Series 2020 A Bonds; provided, however, that such notice (except with respect to those recipients described in clause (i) above), shall be given by certified mail, return receipt requested. Notwithstanding anything in the Resolution to the contrary, notice of the redemption of any Series 2020 A Bonds to be given to the Securities Depository shall be given in such manner and time as shall be required in accordance with the operating procedures of the Securities Depository.

(b) Each notice of redemption shall state at a minimum, the complete official name of the issue, the Series 2020 A Bond certificate numbers, the principal amount of each Series 2020 A Bond certificate to be redeemed (for partial redemptions), the date of issue, the interest rate, the Maturity Date, the Redemption Date, the Redemption Price, the place or places of redemption, including the Paying Agent's name and appropriate address or addresses with the name of a contact person and telephone number. CUSIP numbers shall also be set forth in such notices of redemption, but the failure to provide such CUSIP numbers shall not affect the validity of the proceedings for the redemption of the Series 2020 A Bonds to be redeemed.

(c) Any notice of redemption of the Series 2020 A Bonds given in accordance with the requirements of this Section 309 and Article IV of the General Bond Resolution shall be conclusively presumed to have been duly given, whether or not the Owner of any Series 2020 A Bond to be redeemed actually receives such notice.

(d) Notwithstanding anything herein or in the General Bond Resolution to the contrary, no notice of redemption is required to be given for any redemption of a Series 2020 A Bond which occurs on a Mandatory Purchase Date or pursuant to Section 307 hereof.

ARTICLE IV

SECTION 401. Mandatory Purchase on Mandatory Purchase Date

The Series 2020 A Bonds shall be subject to mandatory purchase on each Mandatory Purchase Date. With respect to a Mandatory Purchase Date described in clause (iii) of the definition thereof, the Tender Agent shall give notice of such mandatory purchase by mail or Electronic Means to the Owners of the Series 2020 A Bonds subject to mandatory purchase no less than fifteen (15) days prior to the Mandatory Purchase Date. No notice shall be given of the Mandatory Purchase Date for any Series 2020 A Bonds that are in the Direct Purchase Rate Mode or at the end of each Interest Period for Series 2020 A Bonds that are in the CP Mode. Any notice of such mandatory purchase shall state the Mandatory Purchase Date, the Purchase Price, the portion of the Series 2020 A Bonds to be purchased if less than all of the Series 2020 A Bonds are to be purchased, and that interest on the Series 2020 A Bonds subject to mandatory purchase shall cease to accrue from and after the Mandatory Purchase Date. The failure to mail such notice with respect to any Series 2020 A Bond shall not affect the validity of the mandatory purchase of any other Series 2020 A Bond with respect to which notice was so mailed. Any notice mailed will be conclusively presumed to have been given, whether or not actually received by any Owner or Beneficial Owner of any Series 2020 A Bond.

SECTION 402. Remarketing of Series 2020 A Bonds; Notices

(a) Remarketing of Series 2020 A Bonds. The Remarketing Agent shall use its best efforts to offer for sale all Series 2020 A Bonds required to be purchased on a Mandatory Purchase Date at interest rates up to the Maximum Rate; provided, however, that the Remarketing Agent shall not remarket any such Series 2020 A Bonds at a price less than the principal amount thereof, plus accrued interest, if any.

(b) Notice of Remarketing; Registration Instructions; New Series 2020 A Bonds. On each Mandatory Purchase Date:

(i) the Remarketing Agent shall notify the Tender Agent by Electronic Means no later than 10:30 a.m. of the principal amount of the Series 2020 A Bonds it has remarketed and/or been unable to remarket;

(iii) the Remarketing Agent shall notify the Tender Agent by Electronic Means not later than 11:30 a.m. of such information as may be necessary to register and deliver any Series 2020 A Bonds so remarketed; and

(iv) if the Series 2020 A Bonds are no longer in the Book-Entry System, the Tender Agent shall authenticate new Series 2020 A Bonds for the respective purchasers

thereof which shall be available for pick-up by the Remarketing Agent not later than 2:45 p.m. on the Mandatory Purchase Date.

SECTION 403. Source of Funds for Purchase of Series 2020 A Bonds

Except as set forth in Section 405(b) hereof, by 3:00 p.m. on each Mandatory Purchase Date the Tender Agent shall purchase the Series 2020 A Bonds from the Owners thereof at the Purchase Price by wire transfer in immediately available funds. Funds for the payment of the Purchase Price shall be derived solely from the following sources in the order of priority indicated and none of the Tender Agent, the Trustee nor the Remarketing Agent shall be obligated to provide funds from any other source:

- (a) immediately available funds on deposit in the Remarketing Proceeds Account; and
- (b) moneys of the Authority on deposit in the Authority Purchase Account.

The Authority shall be obligated to deposit amounts into the Authority Purchase Account sufficient to pay the Purchase Price to the extent that amounts on deposit in the Remarketing Proceeds Account are insufficient therefor.

SECTION 404. Delivery of Series 2020 A Bonds

On each Mandatory Purchase Date, the Series 2020 A Bonds shall be delivered as follows:

- (a) Series 2020 A Bonds sold by the Remarketing Agent and purchased by the Tender Agent with moneys described in Section 403(a) hereof shall be delivered by the Remarketing Agent to the purchasers of such Series 2020 A Bonds by 3:00 p.m.; and

SECTION 405. Book-Entry Tenders

(a) Notwithstanding any other provision of this Article IV to the contrary, all tenders for purchase during any period in which the Series 2020 A Bonds are registered in the name of Cede & Co., as nominee for DTC (or the nominee of any successor to DTC) shall be subject to the terms and conditions set forth in the Letter of Representations and to any regulations promulgated by DTC (or any successor DTC). Procedures under which a Beneficial Owner may direct a Direct Participant or DTC, or an Indirect Participant of DTC acting through a Director Participant of DTC, to exercise a tender option right in respect of Series 2020 A Bonds or portions thereof in an amount equal to all or a portion of such Beneficial Owner's beneficial ownership interest therein shall be governed by standing instructions and customary practices determined by such Direct Participant or Indirect Participant. For so long as the Series 2020 A Bonds are

registered in the name of Cede & Co., as nominee for DTC, delivery of Series 2020 A Bonds required to be tendered for purchase shall be effected by the transfer on the applicable Mandatory Purchase Date of a book-entry credit to the account of the Tender Agent of a beneficial interest in such Series 2020 A Bonds.

(b) Notwithstanding anything expressed or implied herein to the contrary, so long as the Book-Entry System for the Series 2020 A Bonds is maintained by the Authority:

(i) there shall be no requirement of physical delivery to or by the Tender Agent, the Remarketing Agent or the Trustee of:

(A) any Series 2020 A Bonds subject to mandatory purchase as a condition to the payment of the Purchase Price therefor; or

(B) any remarketing proceeds of such Series 2020 A Bonds; and

(ii) except as provided in (iii) below, none of the Trustee, the Tender Agent nor the Paying Agent shall have any responsibility for paying the Purchase Price of any Series 2020 A Bond or for remitting remarketing proceeds to any Person; and

(iii) the Tender Agent's sole responsibilities in connection with the purchase and remarketing of any Series 2020 A Bond shall be to,:

(A) to the extent necessary to pay all or a portion of the Purchase Price of such Series 2020 A Bond, remit any amounts withdrawn from the Authority Purchase Account to or upon the order of the Beneficial Owner upon delivery of such Series 2020 A Bond; and

(B) if required, obtaining a new CUSIP number with respect to any unremarketed Series 2020 A Bond.

SECTION 406. No Book-Entry System

If at any time the Series 2020 A Bonds shall no longer be in the Book-Entry System, the following procedures shall be followed in connection with the mandatory purchase of any Series 2020 A Bonds:

(a) Series 2020 A Bonds to be so purchased shall be delivered (with all necessary endorsements) at or before 12:00 noon on the Mandatory Purchase Date to the Paying Agent; provided, however, that payment of the Purchase Price shall be made pursuant to this Section 406 only if the Series 2020 A Bonds so delivered to the Paying Agent conform in all respects to the description thereof in the notice described in this Section. Payment of the Purchase Price with respect to purchases under this Section shall be made to the Owners of the Series 2020 A Bonds by wire transfer in immediately available funds by the Paying Agent by 3:00 p.m. on the Mandatory Purchase Date; and

(b) If a Series 2020 A Bond is not delivered by the Owner to the Paying Agent by 12:00 noon on the Mandatory Purchase Date, the Paying Agent shall hold any funds received

for the purchase of those Series 2020 A Bonds in the Purchase Fund in trust and shall pay such funds to the former Owners of the Series 2020 A Bonds upon presentation of the Series 2020 A Bonds. Such undelivered Series 2020 A Bonds shall cease to accrue interest as to the former Owners on such Mandatory Purchase Date and moneys representing the Purchase Price shall be available against delivery of those Series 2020 A Bonds at the Office of the Paying Agent. The Paying Agent shall authenticate a replacement Series 2020 A Bond for any undelivered Series 2020 A Bond which may then be remarketed by the Remarketing Agent.

(c) The Paying Agent shall hold all Series 2020 A Bonds properly tendered to it for purchase as agent and bailee of, and in escrow for the benefit of, the respective Owners of the Series 2020 A Bonds which shall have so tendered such Series 2020 A Bonds until moneys representing the Purchase Price of such Series 2020 A Bonds shall have been delivered to or for the account of or to the order of such Owners.

SECTION 407. Purchase Fund

There is hereby established and there shall be maintained with the Tender Agent, as agent for the Trustee, a separate fund designated the “**Series 2020 A Purchase and Remarketing Fund.**” The Tender Agent shall further establish separate accounts within the Purchase Fund to be designated the “**Remarketing Proceeds Account**” and the “**Authority Purchase Account,**” respectively. Only the Tender Agent shall have any right of withdrawal from the Purchase Fund; and the Purchase Fund and such right of withdrawal shall be for the sole and exclusive benefit of the Owners of the Series 2020 A Bonds. Amounts on deposit in the Purchase Fund shall be held uninvested and separate and apart from all other funds and accounts. Amounts in a particular Account or subaccount of the Purchase Fund shall not be commingled with amounts in any other Account or subaccount of the Purchase Fund or any other fund or account established under the Resolution. Moneys shall be deposited into and withdrawn from the Remarketing Proceeds Account and the Authority Purchase Account as follows:

(a) Remarketing Proceeds Account. Upon receipt of the proceeds of a remarketing of a Series 2020 A Bond on a Mandatory Purchase Date, the Tender Agent shall deposit such proceeds in the Remarketing Proceeds Account for application to the Purchase Price of the Series 2020 A Bonds.

(b) Authority Purchase Account. Upon receipt of funds from the Authority pursuant to Section 403 hereof, the Tender Agent shall deposit such funds in the Authority Purchase Account for application to the Purchase Price of the Series 2020 A Bonds. Any amounts deposited in the Authority Purchase Account and not needed to pay the Purchase Price for any Series 2020 A Bonds shall be immediately refunded to the Authority.

SECTION 408. Insufficient Funds for Tenders

(a) Except as otherwise set forth in clause (g) of this Section 408 with respect to Series 2020 A Bonds which are in the Direct Purchase Rate, if moneys sufficient to pay the Purchase Price of all Series 2020 A Bonds on any Mandatory Purchase Date are not available (1) no purchase shall be consummated on such Mandatory Purchase Date; (2) all of the Series 2020 A

Bonds deemed tendered shall be returned to the Owners thereof; and (3) all remarketing proceeds shall be returned to the Remarketing Agent for return to the Persons providing such moneys.

(b) Any Unpurchased Series 2020 A Bond shall bear interest at the Maximum Rate during the period of time from and including the Mandatory Purchase Date on which such Unpurchased Series 2020 A Bond was originally required to be purchased to (but not including) the date that such Unpurchased Series 2020 A Bond is successfully remarketed (the “**Delayed Remarketing Period**”).

(c) The Authority may direct the conversion of any Unpurchased Series 2020 A Bond to a different Mode during the Delayed Remarketing Period in accordance with Section 209 hereof; provided that the Authority shall not be required to comply with the notice requirements described in Section 209.

(d) The Remarketing Agent shall continue to use its best efforts to remarket all Unpurchased Series 2020 A Bonds. Once the Remarketing Agent has advised the Trustee and the Tender Agent that it has a good faith belief that it is able to remarket all of the Unpurchased Series 2020 A Bonds, the Trustee will give notice by mail or Electronic Means to the Owners of such Unpurchased Series 2020 A Bonds not later than five Business Days prior to the Mandatory Purchase Date, which notice will state (1) the Mode applicable to such Unpurchased Series 2020 A Bonds from and after the Mandatory Purchase Date; (2) that such Unpurchased Series 2020 A Bonds will be subject to mandatory tender for purchase on the Mandatory Purchase Date; (3) the procedures for such mandatory tender; (4) the Purchase Price of such Unpurchased Series 2020 A Bonds; and (5) the consequences of a failed remarketing described in subsection (b) of this Section 408.

(e) During the Delayed Remarketing Period, the Trustee may, upon written direction of the Authority, apply amounts on deposit in the Redemption Fund to the redemption of such Unpurchased Series 2020 A Bonds, as a whole or in part on any Business Day during the Delayed Remarketing Period, at a Redemption Price equal to the principal amount thereof, together with interest accrued thereon to the date fixed for redemption, without premium. Notwithstanding anything in the Resolution or this Certificate to the contrary, the Trustee shall give five (5) Business Days’ notice of such redemption to the Owners of the Series 2020 A Bonds to be redeemed.

(f) During the Delayed Remarketing Period, interest on Unpurchased Series 2020 A Bonds shall be paid to the Owners thereof on (i) the first Business Day of each calendar month occurring during the Delayed Remarketing Period and (ii) the last day of the Delayed Remarketing Period.

(g) Notwithstanding anything in the Resolution or this Certificate to the contrary, if moneys sufficient to pay the Purchase Price of all Series 2020 A Bonds tendered or deemed tendered for purchase on any Mandatory Purchase Date occurring while the Series 2020 A Bonds are in the Direct Purchase Rate Mode are not available, or if all of the Series 2020 A Bonds in the Direct Purchase Rate Mode tendered or deemed tendered for purchase on such Mandatory Purchase Date are not purchased from the Owners thereof for any other reason, then (1) the Authority, in its sole and absolute discretion, may elect and direct in a written notice

executed by an Authorized Officer of the Authority and delivered to the Tender Agent, that the portion of the Series 2020 A Bonds tendered or deemed tendered on such Mandatory Purchase Date which is set forth in such written notice shall be purchased on such Mandatory Purchase Date from the moneys available to pay the Purchase Price of the Series 2020 A Bonds tendered or deemed tendered on such Mandatory Purchase Date, in which case, (i) such portion of the Series 2020 A Bonds shall be purchased on such Mandatory Purchase Date and no purchase of the remainder of the Series 2020 A Bonds shall be consummated on such Mandatory Purchase Date, (ii) all remarketing proceeds which are not needed to pay the Purchase Price of the portion of the Series 2020 A Bonds which are purchased on such Mandatory Purchase Date shall be returned to the Remarketing Agent for return to the Persons providing such moneys, and (iii) all of the Series 2020 A Bonds which are not purchased on such Mandatory Purchase Date shall remain in the Direct Purchase Rate and shall immediately become subject to mandatory redemption as provided in Section 307 hereof, or (2) if the Authority does not deliver a written notice to the Tender Agent as provided in clause (1) of this paragraph, (i) no purchase of any Series 2020 A Bonds shall be consummated on such Mandatory Purchase Date, (ii) all remarketing proceeds shall be returned to the Remarketing Agent for return to the Persons providing such moneys, and (iii) all of the Series 2020 A Bonds shall remain in the Direct Purchase Rate Mode and shall immediately become subject to mandatory redemption as provided in Section 307 hereof.

(c) Unless otherwise provided, the Office of the Tender Agent is designated as the office or agency of the Authority for the payment of the Purchase Price of tendered or deemed tendered Series 2020 A Bonds.

SECTION 602. Tender Agent; General Responsibilities

(a) The Tender Agent shall perform the duties and obligations set forth in the Resolution and in particular shall:

(i) hold all Series 2020 A Bonds delivered to it for purchase hereunder in trust as bailee of, and for the benefit of, the respective Owners which have so delivered such Series 2020 A Bonds, until moneys representing the Purchase Price of such Series 2020 A Bonds shall have been delivered to or for the account of or to the order of such Owners;

(iii) keep such books and records as shall be consistent with prudent industry practice and make such books and records available for inspection by the Authority, the Fiduciaries, the Purchaser and the Remarketing Agent at all reasonable times.

(b) In addition, the following conditions shall apply to the performance of the Tender Agent's duties hereunder:

(i) The duties and obligations of the Tender Agent shall be determined solely by the express provisions of the Resolution, and no implied duties or obligations or covenants on the part of the Tender Agent shall be read into the Resolution. The Bank of

New York Mellon, in its capacity as a Co-Trustee, will, promptly upon receipt thereof, furnish to the Tender Agent a copy of any Supplemental Resolution, in the form proposed for adoption by the Authority. Without the prior written consent of the Tender Agent, the Authority will not, anything in the Resolution to the contrary notwithstanding, adopt a Supplemental Resolution, if such Supplemental Resolution would adversely affect any right, power, liability or obligation of the Tender Agent under the Resolution.

(ii) The Tender Agent may, in the absence of negligence or bad faith on its part, conclusively rely upon any document furnished to it and believed by it to be genuine and to have been signed, acknowledged or presented by the proper party or parties, and it shall not be answerable for any action taken in good faith on the basis thereof. The Tender Agent shall not be liable for any error of judgment made in good faith by a responsible officer, agent or employee of the Tender Agent unless the Tender Agent was negligent in ascertaining the pertinent facts.

(iv) The Tender Agent may become the owner of, or acquire any interest in, any obligations of the Authority (including, without limitation, the Series 2020 A Bonds or any other Bonds or obligations of the Authority) with the same rights that it would have if it were not the Tender Agent for the Series 2020 A Bonds under the Resolution; and it may engage in, or be interested in, any financial or other transaction with the Authority, and may act for, or as depository, trustee or agent for, any holders of any obligations of the Authority, or any committee or body of such holders, as freely as if it were not the Tender Agent for the Series 2020 A Bonds under the Resolution.

(v) Anything in the Resolution to the contrary notwithstanding, the Tender Agent shall have no liability under the Resolution for any act or omission except as shall result from its own negligence or bad faith.

(vi) No provision of the Resolution shall require the Tender Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties thereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(c) In performing its duties under the Resolution, the Tender Agent shall be entitled to all of the rights, protections and immunities accorded to a Co-Trustee as a Fiduciary under the terms of Article IX of the General Bond Resolution.

(d) The Authority shall cooperate to cause the necessary arrangements to be made and to be thereafter continued whereby funds from the sources specified in this Certificate will be made available for the purchase of Series 2020 A Bonds presented at the designated office

of the Tender Agent, and to otherwise enable the Tender Agent to carry out its duties under the Resolution.

(c) If the Remarketing Agent consolidates with, merges or converts into, or transfers all or substantially all of its assets (or, in the case of a bank, national banking association or trust company, its corporate assets) to, another corporation, the resulting, surviving or transferee corporation, without any further act, shall be the successor Remarketing Agent.

The execution and delivery by the Authority of the Escrow Deposit Agreement in substantially the form attached hereto as Exhibit C is hereby authorized and approved.

SECTION 802. Re-Identification and Amendment of the Existing Swap Agreement

After consultation with the Authority’s financial advisor and Bond Counsel and after consideration of the current market conditions, the fact that the Authority would have to make a substantial termination payment if the Existing Swap Agreement was terminated in connection with the refunding and defeasance of the Refunded Bonds, I hereby determine that it is in the best interest of the Authority to re-identify the Existing Swap Agreement to be a “Qualified Hedge” for the Series 2020 A Bonds for purposes of the Internal Revenue Code of 1986, as amended. Simultaneously with the issuance of the Series 2020 A Bonds, the Authority and Barclays Bank PLC shall enter into an amended and restated Confirmation for the Existing Swap Agreement which will reflect that the Existing Swap Agreement will thereafter be used by the Authority to manage its interest rate risk with respect to the Series 2020 A Bonds. From and after the date of issuance of the Series 2020 A Bonds, the Existing Swap Agreement shall be a Qualified Swap for the Series 2020 A Bonds and it is hereby determined that the Existing Swap Agreement will assist the Authority in more effectively managing its interest costs with respect to the Series 2020 A Bonds. From and after the date of issuance of the Series 2020 A Bonds, the Existing Swap Agreement shall continue to be (i) secured by the pledge and lien created by Section 501 of the General Bond Resolution on a parity with the Series 2020 A Bonds and the other payment obligations of the Authority secured on a parity with the Series 2020 A Bonds, and (ii) payable from amounts on deposit in the Debt Service Fund created and established under Section 502 of the General Bond Resolution. All payments received by the Authority from Barclays Bank PLC under the Existing Swap Agreement are hereby pledged as part of the Pledged Revenues under the General Bond Resolution, as provided in Section 501(b) of the General Bond Resolution. All payments received by the Authority from Barclays Bank PLC under the Existing Swap Agreement shall be deposited into the subaccount in the Debt Service Fund established for the Series 2020 A Bonds pursuant to Section 503 of this Certificate. In order to evidence the fact that the Existing Swap Agreement will be used by the Authority to manage its interest rate risk with respect to the

Series 2020 A Bonds, I hereby authorize the execution and delivery of the amended and restated Confirmation between the Authority and Barclays Bank PLC in substantially the form attached hereto as Exhibit D.
