**SUBJECT: REQUEST FOR PROPOSALS FOR THE PERFORMANCE OF  
PROFESSIONAL LEGAL SERVICES FOR THE IAG SERVICE  
CORPORATION (RFP NUMBER 2020-07-001)**

**I. INTRODUCTION**

The IAG Service Corporation (IAGSC), a 501(c)(4) not for profit corporation incorporated in the state of Delaware, requests proposals outlining qualifications and fee/rate structures for providing certain legal counsel services on an as-needed basis. Those legal services will generally be in the areas of intellectual property, government law (see list of states below), contracts, organizational governance, not for profit, tax and conflict of laws. A prospective proposer may respond to one or more of the primary practice areas requested, being intellectual property and government.

The IAGSC exists to provide certain administrative services to the E-ZPass Group through an Administrative Services Agreement. The E-ZPass Group is the largest interoperable tolling network in the world, currently consisting of 33 agencies and authorities with the system of electronic toll collection, known as E-ZPass, across 18 states – Delaware, Florida, Illinois, Indiana, Kentucky, Maryland, Maine, Massachusetts, Minnesota, New Hampshire, New Jersey, New York, North Carolina, Ohio, Pennsylvania, Rhode Island, Virginia, and West Virginia. Please refer to the E-ZPass Group's web site at [www.e-zpassiag.com](http://www.e-zpassiag.com) for a complete list of E-ZPass Group members as well as more information regarding the E-ZPass Group member agencies and E-ZPass.

The IAGSC is seeking the services of one or more law firms that have prior experience providing legal services to state governments, agencies or authorities and/or to associations of state governments, agencies, or authorities, and/or to not for profit entities and that have significant experience and strength in the following legal practice areas: intellectual property, government contracts, organizational governance (with an emphasis on state agencies and authorities), not-for-profit law and conflict of laws, including the laws of the states where E-ZPass Group members are located. A more detailed description of the services requested is in Attachment A hereto.

A proposing law firm may choose to submit a proposal for one or more subject matters depending on areas of expertise. The successful proposer(s) will enter into retainer agreement(s) with the IAGSC. Various assignments, which may include legal advice to the E-ZPass Group (but not a single member), shall be made only by the Executive Director of the IAGSC, the Chair of the IAGSC Board of Directors, or the Chair of the E-ZPass Group's Legal Committee.

The term of engagement will be for five (5) years and the IAGSC shall have the option to extend the engagement of one or more successful proposers for up to two (2) additional one-year periods.

The IAGSC reserves the right to engage multiple firms to provide these legal services.

### **III. EVALUATION PROCESS**

The proposals submitted will be evaluated by a committee consisting of staff and representatives from members of the IAGSC (the "**Evaluation Committee**"). Upon review of all proposals the IAGSC in its discretion may request that the highest ranked firms submitting proposals appear for an oral presentation focusing on how their firm will satisfy the requirements of this RFP. The IAGSC may limit the number of proposer(s) that can make oral presentations to permit efficient competition among the most highly rated. Should oral presentations be requested, it will be an opportunity for each short-listed proposer(s) to introduce its staff to the IAGSC, and to present supplementary information regarding its proposal and credentials as related to the specific needs of the IAGSC. The proposer(s) may use materials during this oral presentation; provided, however, that the presentation will be restricted to a maximum time period specified by the IAGSC, including the time allotted for a question and answer period. Information relating to the proposer(s)'s recent experience on similar assignments, approach to the work and the use of innovative and/or cost effective measures should be included in the oral presentation. Please provide the name and e-mail address of the person who should be contacted for presentation scheduling, if applicable, as well as an alternative in the event that person is unavailable. It should be noted that firms selected to make presentations might be given brief advance notice.

After evaluating proposals and oral presentations, if requested, the Evaluation Committee may enter into further discussions with the highest ranked proposer(s). The primary purpose of these discussions is to maximize the IAGSC's ability to get the best value, based on the requirements and technical criteria set forth in the RFP. Discussions may involve the identification of significant proposal weaknesses, ambiguities and other deficiencies that could limit a proposer(s)' award potential. The Committee may solicit a best and final offer from the highest ranked proposer(s). If negotiations are unsuccessful with the highest ranked proposer(s), the Evaluation Committee may choose to end them and proceed to negotiations with lower ranked proposer(s). More rounds of negotiations may be held with one proposer(s) than another. Negotiations will be structured to safeguard information and ensure that all proposer(s) in the competitive range are treated fairly.

After evaluation of the proposals and oral presentations, the Evaluation Committee will recommend to the Board of Directors of the IAGSC for award those law firms whose proposals are most advantageous to the IAGSC. The IAGSC Board of Directors may accept, reject or modify the recommendation(s) of the Evaluation Committee.

The review, rating and ranking of Proposals will be based upon the following technical criteria (considering the weight of the score for each criteria as identified below). After consideration

of these factors the IAGSC may enter into negotiations with the firm (or firms) deemed best qualified in terms of the forgoing factors to perform the required services.

1. The firm's fee schedule. (20%)
2. Conflicts identified. (5%)
3. Qualifications and experience of the proposed staff. (30%)
4. Quality and depth of experience of the firm in providing similar services to others. (20%)
5. The firm's proposed technical approach to performance of the services outlined in Attachment A. (15%)
