**Responses to Inquiries
Request for Expressions of Interest**

1. **Inquiry:** On Page 4, Resumes, it states 7 maximum. However, on Page 6, it has some conflicting information. It states "EOI's are limited to a total of thirteen single sided, letter size pages comprised of the following: Letter of Interest (not to exceed 5 pages), resumes of maximum of eight, each of which shall be one page. I am assuming that a maximum of 7 resumes is correct and EOI with resumes is twelve pages.

Response: EOI's are limited to a total of twelve (12). Resumes are limited to a maximum of seven (7).

2. **Inquiry:** On Page 17, Item 10, last paragraph, it states, "the multiplier shall not be applied to the trainee program rate. However, the consultant may include a separate multiplier to over overhead and fringe benefits associated with the program." The maximum multiplier is 2.5 as in the Section VI. How does this work if the trainee's firm overhead rate is above 150%? I am assuming that means the maximum allowable would be the same as the others at 2.5. Please confirm.

Response: Profit shall not apply to the Trainee Program.
