Document Change Announcement

CADD Standards Manual

DCA2022-CADD-01

Subject: MicroStation Version and File Naming Template Updates

Description of Change:

The CADD Standards Manual now reflects utilizing the latest version of MicroStation available. For the file naming template, contract sheet files on page 19 of the Manual now clarifies Change of Plan and Addendum phase nomenclature.

Instructions to Designers and Consultants

Effective immediately, the revisions contained in this announcement shall be applied to all projects in every phase of design. For advertised contracts awaiting the opening bids, this revision shall be incorporated via addendum, if applicable. Contact your NJTA Project Manager for instructions.

Designers may access the revisions in the NJTA CADD Standards Manual on the Authority's webpage: <https://www.njta.com/doing-business/professional-services>

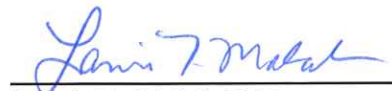

Information for In-House Staff

The revisions have been incorporated into the CADD Standards Manual, which is available on the Authority's webpage: <https://www.njta.com/doing-business/cadd-manual>. Please distribute the information to your respective Project Managers and have them direct their consultants appropriately.
