estimated construction cost for Contract No. A500.642 is approximately \$2,500,000 with an estimated duration for construction of fourteen (14) months including contract closeout.

Emergency repairs on the Authority Roadways and Facilities are completed using the Authorities Immediate & Scheduled Electrical Repairs Contract, No. A200.553. Professional services may include supervision of emergency or scheduled repairs as directed by the Authority on an as needed basis.

Project background materials (*preliminary plans, studies, reports, etc.*) will be available for review electronically through the Authority's Secure File Sharing site in the "*Background Materials*" folder. Access to the secure workspace will be provided to all prequalified and eligible Consultants via e-mail as part of the RFEI notification process. If there are any questions or issues related to the Secure File Sharing site, please contact Rich Reuter via e-mail at reuter@njta.com. The subject line should read "OPS No. A3902, secure file sharing site information."

Submission Requirements for Expression of Interest

Firms that are interested in being considered for these services must submit a total of **five (5)** copies of their Expression of Interest, no later than **11:00am on April 18, 2022**. EOIs are to be submitted as follows: **One (1) PDF** copy uploaded to the Authority's Secure File Sharing Site (Kiteworks); as well as **four (4)** hard copies, delivered to the Authority's Headquarters on or before the date and time referenced above.

Late submissions will not be considered.

EOI's shall be addressed to:

Hand or Overnight Delivery
