

New Jersey Turnpike Authority  
Engineering Department

Order for Professional Services No. T3875  
Design Services for Contract No T200.617- Lighting Improvements at TPK Northern and Southern  
Mixing Bowls

Response(s) to Inquiries  
Request for Proposal

1. Inquiry: "The Compensation Basis states that cost-plus fee based on salaries times a multiplier not to exceed 2.5 based on a 10% allowance for profit and an overhead rate of 154.5%. Please confirm that the multiplier not to exceed should be 2.8 not 2.5."

Response: Please correct the multiplier from 2.5 to 2.8.

Statement on Page 22 of RFP should read

" The Fee Proposal shall be submitted as a cost-plus fee, based on reimbursement of direct professional and technical salaries, except Corporate Officers, Partners, Owners and routine secretarial and clerical services, times a multiplier, not to exceed 2.8, based on a 10% allowance for profit and an overhead rate of 154.5%, the individual Firm's overhead rate as determined by Federal Audit Regulation (FAR) procedures, whichever is less plus direct expenses and subconsultant services, at cost. The multiplier shall not be applied to the premium portion of overtime. When Corporate Officers, Partners, Owners and/or Principals are required to provide services in a technical capacity, the salaries for such services shall be reimbursable for direct salaries times a multiplier not to exceed 2.8. The multiplier covers all overhead and profit. No expenses or costs shall be billed unless specifically included in this RFP and Final Negotiated Fee Proposal. For general services provided by Corporate Officers, Partners, Owners and/or Principals working in a non-technical capacity, no compensation will be provided."
