TO ALL PROPOSERS:

RE: New Jersey Turnpike Authority
Request for Proposals
Self-Funded Vision Health Benefits Program Services
RM-170705

Pre-Proposal Meeting Responses to Inquiries

Dear Sir/Madam:

Below are the New Jersey Turnpike Authority's responses to inquiries received during the pre-proposal meeting of June 7, 2022 with respect to the above-referenced Request for Proposals ("RFP").

Responses to Inquiries:

1. Will the Authority be providing a current network status disruption report?

ANSWER: The Authority will not be providing the network status of the incumbent vision providers as this information is proprietary. Nor will the Authority share your organization's network status with these providers for the same reason.

2. The safety glass portion is not included in this RFP but was in the previous solicitation. Should this program be part of the RFP?

ANSWER: Please refer to Section VII.E.12 (page 56) of the RFP which states: "Please confirm your ability to administer "Safety Glasses", as outlined for Local 196 for the Authority and explain the process." See attached NJTA Safety Eyewear Plan of Benefits.

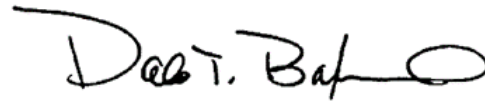

3. Are there any benefits the Authority is looking to improve upon or see in the proposals?

ANSWER: The Authority provides vision benefits, as required by the bargaining contracts it adheres to, as outlined in this proposal. It is always looking to improve

upon the benefits provided to its members and this is a great opportunity for a proposing organization to differentiate itself in their response to this RFP.

PROPOSALS ARE DUE ON Thursday, June 23, 2022 at 4:00 PM EST.

Very truly yours,

A handwritten signature in black ink, appearing to read "Dale T. Barnfield". The signature is fluid and cursive, with a large initial "D" and a stylized "B".
