Document Change Announcement

Standard Drawings
Parallel Acceleration Lane
DCA2022SD-03

Subject: Revisions to

Drawing PM-1 Entrance Ramp Markings
Drawing PM-2 Multilane Entrance Ramp Markings

Description of Change:

This DCA revises the design Ramp Acceleration Lane Geometry to be used for entrance ramps on the New Jersey Turnpike in Design Manual Section 1.4.1. – Acceleration Lanes and the associated Standard Drawings.

Notice to New Jersey Turnpike Authority Staff and Design Consultants

Effective immediately, changes must be implemented in all applicable projects that have not entered Phase C development within one month following the date of this DCA and in which these changes do not result in any one of the following: (1) significant delay in the project delivery, (2) significant increase in the construction costs of the project, (3) acquisition of additional right-of-way, (4) significant environmental impacts, and (5) significant alteration of the construction staging. Contact your New Jersey Turnpike Authority Project Manager for instruction.

The revisions may be accessed on the Authority's webpage: <https://www.njta.com/doing-business/professional-services>
