AGENDA  
NEW JERSEY TURNPIKE AUTHORITY  
BOARD MEETING: December 20, 2022

## HUMAN RESOURCES

257-12-2022 Roster/Confirmation of Personnel Matters

## LAW

258-12-2022 Authorization to Settle Litigation in the Matter of Jenter v. NJTA, et al. (Middlesex County)  
R-175725, Budget Code: 10-822-441043  
Amount: \$200,000.00

This matter is a personal injury claim arising from a slip and fall in the Joyce Kilmer rest area. Plaintiff sustained a rotator cuff tear, thereby requiring surgery. An Arbitrator found the NJTA 90% liable and awarded plaintiff a net total of \$234,000. There is no issue of liability. Outside counsel is seeking settlement authority in the amount of \$200,000. The Law Department concurs with outside counsel's recommendation.

## ENGINEERING

A. PUBLIC BID SOLICITATIONS - AWARD OF CONTRACTS

259-12-2022 Recommendation to Award Contract No. T100.599  
New Jersey Turnpike  
**Joseph M. Sanzari, Inc.**  
Bridge Repairs and Resurfacing, Milepost 92 to 122 and the Newark Bay-Hudson County Extension (2023)  
R-175550, Budget Code: 0390000001  
Amount: \$17,819,148.80

This is the first of two Turnpike bridge repair contracts to be awarded for the 2023 construction season. The contract is concentrated in the northern portion of the Turnpike and will perform work on 41 structures. The work generally includes selective replacement of complete deck panels, concrete spall repairs, joint repairs, replacement of existing asphalt wearing surface, bearing replacement, and miscellaneous substructure repairs. All work is expected to be substantially completed by November 2023.

260-12-2022 Recommendation to Award Contract No. P100.602  
Garden State Parkway  
**Joseph M. Sanzari, Inc.**  
Bridge Repairs and Resurfacing, Milepost 126 to 172 (2023)  
R-175551, Budget Code: 0390002002  
Amount: \$11,143,787.00

This is the first of two Parkway bridge repair contracts to be awarded for the 2023 construction season, concentrated in the northern portion of the Parkway and will perform work on 12 structures. The work generally includes selective replacement of complete deck panels, concrete spall repairs, joint repairs, replacement of existing asphalt wearing surface, bearing replacement, and miscellaneous substructure repairs. All work is expected to be substantially completed by November 2023.

AGENDA  
NEW JERSEY TURNPIKE AUTHORITY  
BOARD MEETING: December 20, 2022

261-12-2022     **Recommendation to Award Contract No. T200.711**

New Jersey Turnpike

**South State, Inc.**

Roadway Resurfacing, Milepost 0 to 83 Section 2 (2023)

R-175552, Budget Code: 0390036007

Amount: \$16,891,209.00

This contract will provide for pavement removal and resurfacing of asphalt surface course pavement with warm mix asphalt along the Northbound and Southbound Turnpike mainline roadways and interchange ramps, rehabilitation of left shoulders and other incidental work from Milepost 0 to 83 in Salem, Gloucester, Camden, Burlington, Mercer, and Middlesex Counties. All work is expected to be substantially completed by September 2023.

262-12-2022     **Recommendation to Award Contract No. P200.712**

Garden State Parkway

**C.J. Hesse, Inc.**

Roadway Resurfacing Milepost 0 to 126 Section 4 (2023)

R-175553, Budget Code: 0390038003

Amount: \$34,479,019.62

This contract will provide for pavement removal and resurfacing of asphalt surface course pavement with warm mix asphalt along the Northbound and Southbound Parkway mainline including shoulders, interchange ramps, toll plazas and other incidental work between Milepost 0 and 126 in Cape May, Atlantic, Burlington, Ocean, Monmouth and Middlesex Counties, New Jersey. All work is expected to be substantially completed by December 2023.

263-12-2022     **Recommendation to Award Contract No. A500.722**

Garden State Parkway and New Jersey Turnpike

**Champion Elevator Corp.**

Headquarters Elevator Replacement

R-175581, Budget Code: 0390012007

Amount: \$2,821,848.07

This contract will provide for the replacement of five (5) elevators at the New Jersey Turnpike Authority Headquarters Building located in Woodbridge Township, New Jersey. Construction will include architectural, mechanical, fire protection and electrical related work to support the new elevator upgrades and meet code requirements within the rooms that service the hoist ways. All work is expected to be completed by September 2024.

**B.                    ORDER FOR PROFESSIONAL SERVICES (OPS)**

264-12-2022     **Recommendation to Issue Order for Professional Services No. T3907 and T3908**

New Jersey Turnpike

**Van Cleef Engineering Associates, LLC - OPS No. T3907**

**ATANE Engineers, Architects and Land Surveyors, P.C. - OPS No. T3908**

2023 New Jersey Turnpike Authority Bridge Inspection Program

Order for Professional Services No. T3907

New Jersey Turnpike – Group 2, Milepost 67 to 99

R-175554, Budget Code: 010-850-445900

Funding Allocation: \$1,400,000.00 FY 2023

\$ 50,000.00 FY 2024

Amount: \$1,450,000.00

AGENDA  
NEW JERSEY TURNPIKE AUTHORITY  
BOARD MEETING: December 20, 2022

And

Order for Professional Services No. T3908  
New Jersey Turnpike – Group 4, Milepost 99 to 122  
R-175555, Budget Code: 010-850-445900  
Funding Allocation: \$1,250,000.00 FY 2023  
                                  \$ 35,000.00 FY 2024  
Amount: \$1,285,000.00

Through this single procurement process, the Authority will select two consultants to furnish design services for bridge inspections on the Turnpike.

The engineering services associated with OPS No. T3907 will include the inspection of 194 bridges located in the southern region of the Turnpike.

The design services associated with OPS No. T3908 will include the inspection of 172 bridges located in the northern region of the Turnpike. Both OPS' include FHWA Inventory Appraisal (SI&A) form updates, FHWA Element Level Inspection data collection, and preparation of Bridge Inspection Reports.

265-12-2022    **Recommendation to Issue Order for Professional Services No. P3917 and P3918**

Garden State Parkway

**Stantec Consulting Services, Inc. - OPS No. P3917**

**Van Cleef Engineering Associates, LLC - OPS No. P3918**

Order for Professional Services No. **P3917**

Design Services for Contract No. P100.653, Bridge Repairs and Resurfacing, Milepost 0 to 126 (2024)

R-175556, Budget Code: 0390002003

Amount: \$1,420,000.00

And

Order for Professional Services No. **P3918**

Design Services for Contract No. P100.654, Bridge Repairs and Resurfacing, Milepost 126 to 172 (2024)

R-175557, Budget Code: 0390002004

Amount: \$1,510,000.00

Through this single procurement process, the Authority will select two consultants to furnish design services and prepare construction contract documents for the annual bridge deck and miscellaneous structural repair contracts for 2024, which will address the southern and northern portions on the Parkway.

The design services associated with OPS No. P3917 will include bridge inspection, condition evaluation and preparation of contract documents for bridge deck repairs, resurfacing, and miscellaneous structural repairs on the southern portion of the Parkway.

The design services associated with OPS No. P3918 will include bridge inspection, condition evaluation and preparation of contract documents for bridge deck repairs, resurfacing and miscellaneous structural repairs on the northern portion of the Parkway.

AGENDA  
NEW JERSEY TURNPIKE AUTHORITY  
BOARD MEETING: December 20, 2022

- 266-12-2022     **Recommendation to Issue Order for Professional Services No. T3952**  
New Jersey Turnpike  
**Boswell Engineering**  
Supervision of Construction Services for Contract No. T100.599, Bridge Repairs and Resurfacing, Milepost 92 to 122 and the Newark Bay-Hudson County Extension (2023)  
R-175582, Budget Code: 0390000001  
Amount: \$1,990,000.00

This OPS will provide supervision of construction services for Contract No. T100.599, Bridge Deck Repairs and Resurfacing, Milepost 92 to 122 (2023). These services include construction inspection, material testing, record keeping, preparation of payment estimates, and other services required to ensure compliance with the contract documents.

- 267-12-2022     **Recommendation to Issue Order for Professional Services No. P3955**  
Garden State Parkway  
**Dewberry Engineers Inc.**  
Supervision of Construction Services for Contract No. P100.602, Bridge Repairs and Resurfacing, Milepost 126 to 172 (2023)  
R-175583, Budget Code: 0390002002  
Amount: \$1,730,000.00

This OPS will provide supervision of construction services for Contract No. P100.602, Bridge Deck Repairs and Resurfacing, Milepost 126 to 172 (2023). These services include construction inspection, material testing, record keeping, preparation of payment estimates, and other services required to ensure compliance with the contract documents.

- 268-12-2022     **Recommendation to Issue Order for Professional Services Nos. T4039 and P4040**  
New Jersey Turnpike and Garden State Parkway  
**Johnson, Mirmiran & Thompson, Inc.** - OPS No. T4039  
**Boswell Engineering** - OPS No. P4040

Order for Professional Services No. **T4039**

Supervision of Construction Services for Contract No. T200.711, Roadway Resurfacing, Milepost 0 to 83 Section 2 (2023)  
R-175584, Budget Code: 0390036007  
Amount: \$2,435,000.00

And

Order for Professional Services No. **P4040**

Supervision of Construction Services for Contract No. P200.712, Roadway Resurfacing, Milepost 0 to 126 Section 4 (2023)  
R-175585, Budget Code: 0390038003  
Amount: \$3,285,000.00

Through this single procurement process the Authority will select two consultants to furnish engineering services for roadway resurfacing contracts for 2023.

OPS No. T4039 will provide supervision of construction services for Contract No. T200.711, Roadway Resurfacing Milepost 0 to 83 Section 2 (2023) on the Turnpike. These services will include construction inspection, material testing, record keeping, preparation of payment estimates, and other services required to ensure compliance with the contract documents.

OPS No. P4040 will provide supervision of construction services for Contract No. P200.712, Roadway Resurfacing Milepost 0 to 126 Section 4 (2023) on the Parkway. These services will include construction inspection, material testing, record keeping, preparation of payment estimates, and other services required to ensure compliance with the contract documents.

AGENDA  
NEW JERSEY TURNPIKE AUTHORITY  
BOARD MEETING: December 20, 2022

269-12-2022     **Recommendation to Issue Order for Professional Services Nos. P4050 and P4052**  
Garden State Parkway  
**McCormick Taylor, Inc.** – OPS No. P4050  
**Churchill Consulting Engineers, PC** – OPS No. P4052

Order for Professional Services No. P4050  
Final Design Services for Contract No. P200.669, Culvert Repairs Milepost 156 to 163 and 119.85  
R-175558, Budget Code: 5000010014  
Amount: \$5,850,000.00  
and  
Order for Professional Services No. P4052  
Final Design Services for Contract No. P200.670, Culvert Repairs Milepost 164 to 172  
R-175559, Budget Code: 5000010015  
Amount: \$5,950,000.00

Through this single procurement process, the Authority will select two consultants for preliminary and final design engineering and permitting services, as necessary, for the structural rehabilitation of Parkway culverts.

The professional services associated with OPS No. P4050 provides for the structural rehabilitation of the Corrugated Metal Pipe (CMP) culverts located at Parkway Mileposts 119.85, 156.2, 160.4, 160.5, 160.8, and 162.8, which will be prepared as a single contract. These services also include non-NBIS culvert inspections, permitting, post design services and other related work.

The professional services associated with OPS No. P4052 provides for the structural rehabilitation of the Corrugated Metal Pipe (CMP) culverts located at Parkway Mileposts 164.1, 164.4, 165.6, 167.5, 170.85N, 170.85S, and 171.5, which will be prepared as a single contract. These services also include non-NBIS culvert inspections, permitting, post design services and other related work.

270-12-2022     **Recommendation to Issue Order for Professional Services No. A4098**  
New Jersey Turnpike and Garden State Parkway  
**CDM Smith Inc.**

General Traffic Engineering Consultant Services  
R-175560, Budget Code: Various and 444030-00-010-850  
Funding Allocation:     \$ 974,000.00 FY 2023  
                                     \$ 999,000.00 FY 2024  
                                     \$ 1,030,000.00 FY 2025  
                                     \$ 1,059,000.00 FY 2026  
                                     \$ 1,088,000.00 FY 2027  
Amount:                     \$ 5,150,000.00

This OPS will provide General Traffic Engineering Consultant Services involving expert traffic engineering consultation, traffic studies and short- and long-term traffic and revenue projections and analyses in addition to services related to the Authority's General Bond Resolution. The consultant will also perform project specific tasks on an as-needed basis. The term of the OPS is five (5) years.

AGENDA

## PROCUREMENT AND MATERIALS MANAGEMENT

### COMPETITIVE PROCUREMENTS

**A. PUBLIC BIDS**

273-12-2022

**Disposal of Roadway Sweepings**  
**Custom Environmental Management Co., Inc.**  
RM-173944, Budget Code: Various  
Amount: \$ 111,600.00

Under this contract, Custom Environmental Management Co., Inc. will provide for the collection, transportation, recycling and disposal of screened roadway sweepings from both Roadways. Bidders were required to provide separate prices per ton for 1) Loading, Separating and Screening and 2) Transporting and Recycling/Disposal of an estimated 2,100 tons of material annually at 9 locations on both Roadways. The contract is for a term of one (1) year with the option to extend for two (2) additional one (1) year terms.

AGENDA  
NEW JERSEY TURNPIKE AUTHORITY  
BOARD MEETING: December 20, 2022

276-12-2022

**(10) 3/4-Ton Pick-Up Trucks with Plows**

**Nielson Ford**

R-175702 (Operations), Budget Code: 049 00 500 156555 0490016017

State Contract No. 88727 expiring 04/25/2023

Amount: \$ 583,040.00 (\$58,304.00 each)

Under this contract, Nielson Ford will provide ten (10) 2023 Ford F-250 4WD regular cab pick-up trucks with plows and other standard equipment listed per New Jersey State Contract. These vehicles are part of the Authority's Vehicle Program to replace older, high mileage vehicles which have become very expensive to maintain and are available from NJ State Contract. 88727 expiring 4/25/2023.

277-12-2022

**(5) Toyota RAV 4 Hybrid Vehicles**

**Hudson Motors Partnership**

R-175785 (Operations), Budget Code: 049 00 500 156555 0490016017

State Contract No. 20-FLEET-01394 expiring 02/18/2023

Amount: \$ 204,400.00 (\$40,880.00 each)

Under this contract, Hudson Motors Partnership will provide five (5) 2023 Toyota RAV 4 all-wheel drive vehicles equipped with hybrid gas/electric engines. These vehicles are part of the Authority's Vehicle Program to replace old, high mileage vehicles which have become very expensive to maintain. The vehicles being replaced will be salvaged and sold at surplus auction if feasible.

278-12-2022

**(30) Chevrolet Tahoe 4-Wheel Drive Patrol Vehicles**

**Gentilini Chevrolet, LLC**

R-175765 (State Police), Budget Code: 049 00 720 156555 0490016016

State Contract No. (T-2776) 21-FLEET-01485 expiring 4/29/2023

Amount: \$1,342,148.40 (\$44,738.28 each)

Under this contract, Gentilini Chevrolet, LLC will provide thirty (30) 2023 Chevrolet Tahoe 4-wheel drive patrol/pursuit vehicles. These vehicles are part of the Authority's State Police Vehicle Program to replace old, high mileage vehicles which have become very expensive to maintain. The vehicles being replaced will be salvaged and sold at surplus auction if feasible. These vehicles are available from NJ State Contract No. 21-FLEET-01485 expiring 4/29/2023.

279-12-2022

**State Contract Modifications**

At prior Board of Commissioners meetings, the Authority approved purchases (up to a maximum authorized dollar amount) from the vendors listed herein under the New Jersey State contracts referenced below. The terms of the referenced State contracts have since been extended and additional funds are needed to purchase these necessary goods and/or services through the extended terms of the State contracts:

**Plumbing and Heating Supplies/Equipment**

**Atlantic Plumbing Supply Corp.**

RM-175261/Contract No. 2247 (Operations)

State Contract No. (T-3025) 89798 expiring 6/23/2023, Budget Code: Various

Current Authorized Amount: \$ 405,229.91

Requested Amount: \$ 75,000.00

New Authorized Amount: \$ 480,229.91

AGENDA  
NEW JERSEY TURNPIKE AUTHORITY  
BOARD MEETING: December 20, 2022

**Mott, Alamo and Toro Parts, Accessories and Repairs**  
**Storr Tractor Company**

RM-175757/Contract No. 2481(Inventory)  
State Contract No. T-2187/43038 expiring 02/16/2023  
Budget Code: Various  
Current Authorized Amount: \$ 520,000.00  
Requested Amount: \$ 95,000.00  
New Authorized Amount: \$ 615,000.00

**GENERAL BUSINESS**

280-12-2022 **Volume and Crash Synopses**

Garden State Parkway and New Jersey Turnpike: Period 01/01/2022 through 11/30/2022: with 2021-2022 Yearly Comparisons through November 2022.

281-12-2022 **New Jersey State Police Troop D Activity Reports**

For November 2022, with 2021-2022 Yearly Comparisons

282-12-2022 **Financial Summary for the Eleven (11) month's ended November 30, 2022**

283-12-2022 **Authorization to Award a contract for Insured Stop Loss Coverage to Union Labor Life Insurance Company ("ULLICO") for the period 1/1/2023 – 12/31/2023**

For an amount not to exceed \$3,000,000.00

This is to replace the current Insured Stop Loss coverage contract that will be expiring 12/31/2022.

284-12-2022 **See Procurement and Materials Management**

285-12-2022 **Request for Authorization to Enter into an Agreement with the Treasurer of the State of New Jersey to Provide Funding to Advance the Hudson Tunnel Project**

Law

# New Jersey Turnpike Authority

## MEMORANDUM

December 6, 2022

TO: John M. Keller  
Executive Director

FROM: Ann Christine Monica  
Acting Director of Law

RE: Authorization to Settle Litigation in the Matter of Jenter v. New Jersey Turnpike Authority et al. (Middlesex County)  
Budget Code: 10-822-441043  
Amount: \$200,000.00

This matter is a personal injury claim arising from a 54 year-old patron who slipped and fell in the Joyce Kilmer rest area at approximately 5:30 a.m. on Monday, September 24, 2018. This incident occurred due to an existing hole or defect in the parking lot area that resulted in severe injuries to the plaintiff which included a rotator cuff tear requiring surgery.

The court scheduled a non-binding arbitration held on October 26, 2022. A trial date was scheduled for December 26, 2022. At the arbitration, an award was entered in the gross amount of \$260,000.00, which included plaintiff's \$56,936.42 Worker's Compensation lien. The arbitrator found the New Jersey Turnpike Authority 90% liable and plaintiff 10% liable. As a result, the arbitrator awarded plaintiff a net total of \$234,000.00. However, the DeCotiis law firm as General Counsel upon a review of settlement values of similar matters that were previously adjudicated and/or settled has been successful to negotiate a lower settlement in the amount of \$200,000.00 pending Commissioner approval. The Law Department concurs after reviewing DeCotiis' recommendation and the facts of this litigation.

Therefore, it is recommended that the Authority's Commissioners approve the settlement of \$200,000.00 pursuant to the terms set forth above. It is also recommended that the Authority's Commissioners authorize the Executive Director to execute any and all documents in furtherance of same.

Ann Christine Monica  
Acting Director of Law

CERTIFIED FOR CONSIDERATION:

John M. Keller  
Executive Director

		<b>Requesting Department:</b> Engineering	
		<b>Director/Manager:</b> Michael Garofalo, P.E., Chief Engineer	
		Publicly advertised in the Star Ledger and posted on the Authority's website on October 24, 2022	

This is the first of two Turnpike bridge repair contracts to be awarded for the 2023 construction season. The contract is concentrated in the northern portion of the Turnpike between Milepost 92 and 122, and the Newark Bay-Hudson County Extension and will perform work on 42 structures. The work generally includes selective replacement of complete deck panels, concrete spall repairs, joint repairs, replacement of existing asphalt wearing surface, bearing replacement, and miscellaneous substructure repairs. All work is expected to be substantially completed by November 2023.

One bid proposal was received on November 22, 2022 for the above publicly advertised contract, as shown on the attached bid summary sheet. The bid proposal, in the amount of \$17,819,148.80, may be compared to the Engineer's Estimate in the amount of \$15,983,478.00. The bid was higher than the Engineer's Estimate likely due to recent volatility in the cost of materials and labor associated with paving and deck repair pay items. The low bidder, Joseph M. Sanzari, Inc., has performed work for the Authority and is considered competent to complete this contract.

It is, therefore, recommended that Contract No. T100.599 be awarded to Joseph M. Sanzari, Inc. of Hackensack, New Jersey in the amount of \$17,819,148.80. This award is contingent upon the Treasurer of the State of New Jersey completing the review of all documents submitted by the selected awardee, pursuant to Public Law 2005, Chapter 51 (formerly Executive Order 134) and Executive Order 117 (Corzine 2008), and having no objection to same. Bids for this work were procured, and the authorization being sought is to award this contract to the lowest responsible bidder, in accordance with N.J.S.A. 27:23-6.1, N.J.A.C. 19:9-2.2, and Executive Order No. 37 (Corzine 2006).

The General Consultant, HNTB Corporation, concurs with this recommendation.

		Publicly advertised in the Star Ledger and posted on the Authority's website on October 7, 2022.	

This is the first of two Parkway bridge repair contracts to be awarded for the 2023 construction season. The contract is concentrated in the northern portion of the Parkway between Milepost 126 to 172 and will perform work on 12 structures. The work generally includes selective replacement of complete deck panels, concrete spall repairs, joint repairs, replacement of existing asphalt wearing surface, bearing replacement and miscellaneous substructure repairs. All work is expected to be substantially completed by November 2023.

Three bid proposals were received on November 4, 2022 for the above publicly advertised contract, as shown on the attached bid summary sheet. The low bid proposal, in the amount of \$11,143,787.00, may be compared to the Engineer's Estimate in the amount of \$11,230,992.00. The low bidder, Joseph M. Sanzari, Inc. has performed work for the Authority and is considered competent to complete this contract.

It is, therefore, recommended that Contract No. P100.602 be awarded to the low bidder, Joseph M. Sanzari, Inc. of Hackensack, New Jersey in the amount of \$11,143,787.00. This award is contingent upon the Treasurer of the State of New Jersey completing the review of all documents submitted by the selected awardee, pursuant to Public Law 2005, Chapter 51 (formerly Executive Order 134) and Executive Order 117 (Corzine 2008), and having no objection to same. Bids for this work were procured, and the authorization being sought is to award this contract to the lowest responsible bidder, in accordance with N.J.S.A. 27:23-6.1, N.J.A.C. 19:9-2.2, and Executive Order No. 37 (Corzine 2006).

The General Consultant, HNTB Corporation, concurs with this recommendation.

		Engineering	
		<b>Director/Manager:</b>	
		Michael Garofalo, P.E., Chief Engineer	
		Publicly advertised in the Star Ledger and posted on the Authority's website on October 27, 2022	

This contract will provide for pavement removal and resurfacing of asphalt surface course pavement with warm mix asphalt along the Northbound and Southbound Turnpike mainline roadways and interchange ramps, the rehabilitation of left shoulders and other incidental work at various locations from Milepost 0 to 83 in Salem, Gloucester, Camden, Burlington, Mercer, and Middlesex Counties. All work is expected to be substantially completed by September 2023.

Five bid proposals were received on November 22, 2022 for the above publicly advertised contract, as shown on the attached bid summary sheet. The low bid proposal, in the amount of \$16,891,209.00, may be compared to the second low bidder in the amount of \$17,899,513.13. The low bid was significantly lower than the Engineer's Estimate in the amount of \$19,264,400.00 likely due to the low bidder's proximity to the project, their current workload and ability to produce all asphalt mixes for the project. The low bidder, South State, Inc. has performed work for the Authority and is considered competent to complete this contract.

It is, therefore, recommended that Contract No. T200.711 be awarded to the low bidder, South State, Inc. of Bridgeton, New Jersey in the amount of \$16,891,209.00. This award is contingent upon the Treasurer of the State of New Jersey completing the review of all documents submitted by the selected awardee, pursuant to Public Law 2005, Chapter 51 (formerly Executive Order 134) and Executive Order 117 (Corzine 2008), and having no objection to same. Bids for this work were procured, and the authorization being sought is to award this contract to the lowest responsible bidder, in accordance with N.J.S.A. 27:23-6.1, N.J.A.C. 19:9-2.2, and Executive Order No. 37 (Corzine 2006).

The General Consultant, HNTB Corporation, concurs with this recommendation.

		Publicly advertised in the Star Ledger and posted on the Authority's website on November 4, 2022.	

This contract will provide for pavement removal and resurfacing of asphalt surface course pavement with warm mix asphalt along the Northbound and Southbound Parkway mainline roadways including shoulders, interchange ramps, toll plazas, and other incidental work at various locations from Milepost 0 and 126 in Cape May, Atlantic, Burlington, Ocean, Monmouth and Middlesex Counties, New Jersey. All work is expected to be substantially completed by December 2023.

Five bid proposals were received on November 29, 2022 for the above publicly advertised contract, as shown on the attached bid summary sheet. The low bid proposal, in the amount of \$34,479,019.62, may be compared to the Engineer's Estimate in the amount of \$36,314,050.00. The low bidder, C.J. Hesse, Inc. has performed work for the Authority and is considered competent to complete this contract.

It is, therefore, recommended that Contract No. P200.712 be awarded to the low bidder, C.J. Hesse, Inc. of Atlantic Highlands, New Jersey in the amount of \$34,479,019.62. This award is contingent upon the Treasurer of the State of New Jersey completing the review of all documents submitted by the selected awardee, pursuant to Public Law 2005, Chapter 51 (formerly Executive Order 134) and Executive Order 117 (Corzine 2008), and having no objection to same. <input type="checkbox"/> Sole Source	<input type="checkbox"/> Other	Publicly advertised in the Star Ledger and posted on the Authority's website on October 13, 2022	

This contract will provide for the replacement of five (5) elevators at the Turnpike Authority Headquarters Building located in Woodridge Township, New Jersey. Construction will include architectural, mechanical, fire protection and electrical related work to support the new elevator upgrades and meet code requirements within the rooms that service the hoist ways. All work is expected to be completed by September 2024.

One bid proposal was received on November 17, 2022 for the above publicly advertised contract, as shown on the attached bid summary sheet. The bid proposal in the amount of \$2,821,848.07 may be compared to Engineer's Estimate in the amount of \$3,507,000.00. The bid was significantly lower than the Engineer's Estimate which is likely due to recent volatility in the cost of materials and labor associated with the elevator replacement work. Engineering Department representatives confirmed with Champion Elevator Corp. that they can perform this work at the bid price. Champion Elevator Corp. has not previously performed work for the Authority, but is considered competent to complete this contract.

It is, therefore, recommended that Contract No. A500.722 be awarded to Champion Elevator Corp. of Clinton, New Jersey, in the amount of \$2,821,848.07. This award is contingent upon the Treasurer of the State of New Jersey completing the review of all documents submitted by the selected awardee, pursuant to Public Law 2005, Chapter 51 (formerly Executive Order 134) and Executive Order 117 (Corzine 2008), and having no objection to same. Bids for this work were procured, and the authorization being sought is to award this contract to the lowest responsible bidder, in accordance with N.J.S.A. 27:23-6.1, N.J.A.C. 19:9-2.2, and Executive Order No. 37 (Corzine 2006).

The General Consultant, HNTB Corporation, concurs with this recommendation.

		Michael Garofalo, P.E., Chief Engineer	
		Posted on the Authority's website on October 5, 2022	

Through this single procurement process, the Authority will select two consultants to furnish engineering services for bridge inspections on the Turnpike. The engineering services associated with OPS No. T3907 will include inspection of 194 bridges located in the southern region of the Turnpike and OPS No. T3908 will include inspection of 172 bridges located in the northern region of the Turnpike. Both OPS' include FHWA Structure Inventory and Appraisal (SI&A) form updates, FHWA Element Level Inspection data collection, and preparation of bridge inspection reports.

These assignments are classified as "Simple Projects" since the scopes of work are clearly defined and not likely to change during the course of the project, and the cost of each is less than \$2,000,000.00. The Solicitation for Expressions of Interest (EOIs) was posted on the Authority's website and thirty-four (34) engineering firms were prequalified and eligible under Profile Code: D280C, Bridges - NBIS Program, Complex. Eight firms submitted EOIs by the closing date of October 26, 2022.

The scoring of the EOIs by the Review Committee resulted in the following order of ranking of the top three firms:

1) ATANE Engineers, Architects and Land Surveyors, P.C.; 2) Van Cleef Engineering Associates, LLC; and 3) Johnson, Mirmiran & Thompson, Inc. These three firms were requested to submit sealed Fee Proposals, which were received and have been reviewed. A review of the Fee Proposal of the highest technically ranked firm, ATANE Engineers, Architects and Land Surveyors, P.C., for OPS No. T3908 (their preferred OPS) was negotiated, which resulted in a reduction in their fee proposal. Subsequently, a review of the Fee Proposal of the second highest technically ranked firm, Van Cleef Engineering Associates, LLC, for OPS No. T3907 was negotiated, which resulted in a reduction in their fee proposal. Both fees are considered to be fair and reasonable for the services to be provided.

It is, therefore, recommended that Order for Professional Services No. T3907 be issued to the firm of Van Cleef Engineering Associates, LLC of Freehold, New Jersey, not to exceed the amount of \$1,450,000.00 allocated as follows: \$1,400,000.00 in FY 2023 and \$50,000.00 in FY 2024. This amount includes reimbursement of direct salaries times a maximum multiplier of 2.59 to cover the cost of fringe benefits, overhead and profit, plus authorized direct non-salary expenses.

It is further recommended that Order for Professional Services No. T3908 be issued to the firm of ATANE Engineers, Architects and Land Surveyors, P.C. of Edison, New Jersey, not to exceed the amount of \$1,285,000.00 allocated as follows: \$1,250,000.00 in FY 2023 and \$35,000.00 in FY 2024. This amount includes reimbursement of direct salaries times a maximum multiplier of 2.80 to cover the cost of fringe benefits, overhead and profit, plus authorized direct non-salary expenses.

The issuance of these OPS' are contingent upon the Treasurer of the State of New Jersey completing the review of all documents submitted by the selected awardees, pursuant to Public Law 2005, Chapter 51 (formerly Executive Order 134) and Executive Order 117 (Corzine 2008), and having no objection to same. These professional services were procured, and the recommended firms were selected, in accordance with N.J.S.A. 52:34-9.1, et seq., N.J.S.A. 27:23-6.1 of the Authority's enabling legislation, N.J.A.C. 19:9-2.8, promulgated pursuant thereto, and Executive Order No. 37 (Corzine 2006).

<input checked="" type="checkbox"/>	Competitive	<input type="checkbox"/>	Non-Competitive
<b>SOLICITATION TYPE:</b>			
<input type="checkbox"/>	Bid	<input checked="" type="checkbox"/>	RFP
<input type="checkbox"/>	Sole Source	<input type="checkbox"/>	Other

Through this single procurement process, the Authority will select two consultants to furnish design services and prepare construction contract documents for the annual bridge deck and miscellaneous structural repair contracts for 2024 on the Parkway. The services associated with OPS No. P3917 are for the southern region of the Parkway, and the services associated with OPS No. P3918 are for the northern region of the Parkway. Both OPS' include bridge inspection, condition evaluation and preparation of contract documents for bridge deck repairs, resurfacing and miscellaneous structural repairs.

These assignments are classified as "Simple Projects" since the scopes of work are clearly defined and not likely to change during the course of the project, and the cost of each is less than \$2,000,000.00. The Solicitation for Expressions of Interest (EOIs) was posted on the Authority's website and fifty-one (51) engineering firms were prequalified and eligible under Profile Codes: A092, Bridges: Miscellaneous Repairs and A093, Bridges: Deck Replacements and Rehabilitations. Four firms submitted EOIs by the closing date of October 27, 2022.

The scoring of the EOIs by the Review Committee resulted in the following order of ranking of the top three firms: 1) Van Cleef Engineering Associates, LLC; 2) Stantec Consulting Services, Inc.; and 3) Dewberry Engineers Inc. These three firms were requested to submit sealed Fee Proposals, which were received and have been reviewed. A review of the Fee Proposal of the highest technically ranked firm, Van Cleef Engineering Associates, LLC, for OPS No. P3918 (their preferred OPS) was negotiated, which resulted in a reduction in the total fee. Subsequently, a review of the Fee Proposal of the second highest technically ranked firm, Stantec Consulting Services, Inc. for OPS No. P3917 was negotiated, which resulted in a reduction in the total fee. Both fees are considered to be fair and reasonable for the services to be provided.

It is, therefore, recommended that Order for Professional Services No. P3917 be issued to the firm of Stantec Consulting Services, Inc. of Rochelle Park, New Jersey, not to exceed the amount of \$1,420,000.00. This amount includes reimbursement of direct salaries times a maximum multiplier of 2.80 to cover the cost of fringe benefits, overhead and profit, plus authorized direct non-salary expenses.

It is further recommended that Order for Professional Services No. P3918 be issued to the firm of Van Cleef Engineering Associates, LLC of Freehold, New Jersey, not to exceed the amount of \$1,510,000.00. This amount includes reimbursement of direct salaries times a maximum multiplier of 2.59 to cover the cost of fringe benefits, overhead and profit, plus authorized direct non-salary expenses.

The issuance of these OPS' are contingent upon the Treasurer of the State of New Jersey completing the review of all documents submitted by the selected awardees, pursuant to Public Law 2005, Chapter 51 (formerly Executive Order 134) and Executive Order 117 (Corzine 2008), and having no objection to same. These professional services were procured, and the recommended firms were selected, in accordance with N.J.S.A. 52:34-9.1, et seq., N.J.S.A. 27:23-6.1 of the Authority's enabling legislation, N.J.A.C. 19:9-2.8, promulgated pursuant thereto, and Executive Order No. 37 (Corzine 2006).

This Order for Professional Services will provide for supervision of construction services for Contract No. T100.599, Bridge Repairs and Resurfacing, Milepost 92 to 122 and the Newark Bay-Hudson County Extension. The services include construction inspection, material testing, record keeping, preparation of payment estimates, and other services required to ensure compliance with the contract documents.

This assignment is classified as a "Simple Project" based on the scope of work being clearly defined and not likely to change during the course of the project, and the cost not exceeding \$2,000,000.00. The solicitation for Expressions of Interest (EOIs) was posted on the Authority's website and fifty-seven (57) engineering firms were prequalified and eligible under Profile Codes: B156, Bridge Repair Inspection and B157, Bridge Deck Repair/Replacement Inspection. Three firms submitted EOIs by the closing date of October 26, 2022.

Subsequent to the scoring of EOIs by the Review Committee, Fee Proposals were requested from the three firms. The firms in the order of ranking are: 1) Boswell Engineering; 2) M&J Engineering, P.C.; and 3) MAKs Engineers, PC. The fee submitted by Boswell Engineering has been reviewed, negotiated and is considered to be fair and reasonable for the services to be provided.

It is, therefore, recommended that Order for Professional Services No. T3952 be issued to the firm of Boswell Engineering of South Hackensack, New Jersey, in an amount not to exceed \$1,990,000.00. This amount includes reimbursement of direct salaries times a maximum multiplier of 2.25 to cover the cost of fringe benefits, overhead and profit, plus authorized direct non-salary expenses. The award is contingent upon the Treasurer of the State of New Jersey completing the review of all documents submitted by the selected awardee, pursuant to Public Law 2005, Chapter 51 (formerly Executive Order 134) and Executive Order 117 (Corzine 2008), and having no objection to same. These professional services were procured, and the recommended firm was selected, in accordance with N.J.S.A. 52:34-9.1, et seq., N.J.S.A. 27:23-6.1 of the Authority's enabling legislation, N.J.A.C. 19:9-2.8, promulgated pursuant thereto, and Executive Order No. 37 (Corzine 2006).

This Order for Professional Services will provide supervision of construction services for Contract No. P100.602, Bridge Repairs and Resurfacing, Milepost 126 to 172 (2023). These services include construction inspection, material testing, record keeping, preparation of payment estimates, and other services required to ensure compliance with the contract documents.

This assignment is classified as a "Simple Project" based on the scope of work being clearly defined and not likely to change during the course of the project, and the cost not exceeding \$2,000,000.00. The solicitation for Expressions of Interest (EOIs) was posted on the Authority's website and fifty-seven (57) engineering firms were prequalified and eligible under Profile Codes: B156, Bridge Repair Inspection and B157, Bridge Deck Repair/Replacement Inspection. Four firms submitted EOIs by the closing date of October 6, 2022.

Subsequent to the scoring of EOIs by the Review Committee, Fee Proposals were requested from the top three technically ranked firms. The firms in the order of ranking are: 1) Dewberry Engineers Inc.; 2) M&J Engineering P.C.; and 3) Hardesty & Hanover Construction Services, LLC. The fee submitted by Dewberry Engineers Inc. has been reviewed, negotiated and is considered to be fair and reasonable for the services to be provided.

It is, therefore, recommended that Order for Professional Services No. P3955 be issued to the firm of Dewberry Engineers Inc. of Bloomfield, New Jersey, in an amount not to exceed \$1,730,000.00. This amount includes reimbursement of direct salaries times a maximum multiplier of 2.3 to cover the cost of fringe benefits, overhead and profit, plus authorized direct non-salary expenses. The award is contingent upon the Treasurer of the State of New Jersey completing the review of all documents submitted by the selected awardee, pursuant to Public Law 2005, Chapter 51 (formerly Executive Order 134) and Executive Order 117 (Corzine 2008), and having no objection to same. <input type="checkbox"/>			

Through this single procurement process the Authority will select two consultants to furnish construction supervision services for roadway resurfacing on the Turnpike and Parkway roadways.

OPS No. T4039 will provide supervision of construction services for Contract No. T200.711, Roadway Resurfacing, Milepost 0 to 83, Section 2 (2023) on the Turnpike. These services will include construction inspection, material testing, record keeping, preparation of payment estimates, and other services required to ensure compliance with the contract documents.

OPS No. P4040 will provide supervision of construction services for Contract No. P200.712, Roadway Resurfacing, Milepost 0 to 126, Section 4 (2023) on the Parkway. These services will include construction inspection, material testing, record keeping, preparation of payment estimates, and other services required to ensure compliance with the contract documents.

These assignments are classified as "Complex Projects" since the scopes of work are not clearly defined and likely to change during the course of the projects, and the costs of each exceeds \$2,000,000.00. The Solicitation for Expressions of Interest (EOIs) was posted on the Authority's website and fifty-eight (58) engineering firms were prequalified and eligible under Profile Codes: B153, Roadway Construction Inspection and B154, Roadway Resurfacing Inspection. Four firms submitted EOIs by the closing date of September 30, 2022.

In accordance with the regulations for Complex Projects, "if only three or four EOIs have been deemed complete by the Authority, these firms shall receive the RFP and the Review Committee will not conduct an evaluation of the EOIs" [N.J.A.C. 19:9-2.8(e)3.]. The Review Committee recommended that we proceed directly to the RFP phase of the procurement and solicit Technical and sealed Fee Proposals from the four firms which submitted complete EOIs: Boswell Engineering; Greenman-Pedersen, Inc.; Johnson, Mirmiran & Thompson, Inc.; and KS Engineers, P.C. The Review Committee reviewed and evaluated each firm's Technical Proposal and it was determined that oral presentations would not be required. Final scoring resulted in Johnson, Mirmiran & Thompson, Inc. being the highest technically ranked firm and Boswell Engineering being the second highest technically ranked firm. A review of the Fee Proposal of the highest technically ranked firm, Johnson, Mirmiran & Thompson, Inc. for OPS No. T4039 (their preferred OPS) was determined to be fair and reasonable for the work

to be performed. Subsequently, a review of the Fee Proposal of the second highest technically ranked firm, Boswell Engineering, for OPS No. P4040 was determined to be fair and reasonable for the work to be performed.

It is, therefore, recommended that Order for Professional Services No. T4039 be issued to the firm of Johnson, Mirmiran & Thompson, Inc. of Trenton, New Jersey, not to exceed the amount of \$2,435,000.00. This amount includes reimbursement of direct salaries times a maximum multiplier of 2.34 to cover the cost of fringe benefits, overhead and profit, plus authorized direct non-salary expenses.

It is further recommended that Order for Professional Services No. P4040 be issued to the firm of Boswell Engineering of South Hackensack, New Jersey, not to exceed the amount of \$3,285,000.00. This amount includes reimbursement of direct salaries times a maximum multiplier of 2.35 to cover the cost of fringe benefits, overhead and profit, plus authorized direct non-salary expenses.

The issuance of these OPS' are contingent upon the Treasurer of the State of New Jersey completing the review of all documents submitted by the selected awardees, pursuant to Public Law 2005, Chapter 51 (formerly Executive Order 134) and Executive Order 117 (Corzine 2008), and having no objection to same. These professional services were procured, and the recommended firms were selected, in accordance with N.J.S.A. 52:34-9.1, et seq., N.J.S.A. 27:23-6.1 of the Authority's enabling legislation, N.J.A.C. 19:9-2.8, promulgated pursuant thereto, and Executive Order No. 37 (Corzine 2006).

		Posted on the Authority's website on August 3, 2022	

Through this single procurement process, the Authority will select two consultants to furnish preliminary and final design engineering and permitting services, as necessary, for the structural rehabilitation or repair of Parkway culverts.

The professional design services associated with OPS No. P4050 will include structural rehabilitation of the Corrugated Metal Pipe (CMP) culverts located on the Parkway at Mileposts 119.85, 156.2, 160.4, 160.5, 160.8 and 162.8. These services also include non-NBIS culvert inspections, permitting, post design services and other related work. The professional design services associated with OPS No. P4052 will include the structural rehabilitation of the Corrugated Metal Pipe (CMP) culverts located on the Parkway at Mileposts 164.1, 164.4, 165.6, 167.5, 170.85N, 170.85S and 171.5. These services also include non-NBIS culvert inspections, permitting, post design services and other related work.

These assignments are classified as "Complex Projects" since the scopes of work are not clearly defined and likely to change during the course of the project, and the cost exceeds \$2,000,000.00. The Solicitation for Expressions of Interest (EOIs) was posted on the Authority's website and forty-one (41) engineering firms were prequalified and eligible under Profile Codes: A250, Fully Controlled Access Highways and A265, Roadway Storm Water Collection Systems. Six firms submitted EOIs by the closing date of August 25, 2022.

The scoring of the EOIs by the Review Committee resulted in the following order of ranking of the top three firms: 1) McCormick Taylor, Inc.; 2) Churchill Consulting Engineers, PC; and 3) T.Y. Lin International. On October 17, 2022, Technical and sealed Fee Proposals were received from the top three firms. The Review Committee reviewed and evaluated each firm's Technical Proposals and it was determined that oral presentations would not be required. The final scoring resulted in McCormick Taylor, Inc. being the highest technically ranked firm and Churchill Consulting Engineers, PC being the second highest technically ranked firm. A review of the fee proposal of the highest technically ranked firm, McCormick Taylor, Inc. for OPS No. P4050 (their preferred OPS) resulted in acceptance of their original submitted fee. Subsequently, a review of the fee proposal of the second highest technically ranked firm, Churchill Consulting Engineers, PC for OPS No. P4052, was negotiated which resulted in a reduction of their total fee. Both fees are considered to be fair and reasonable for the services to be provided.

It is, therefore, recommended that Order for Professional Services No. P4050 be issued to the firm of McCormick Taylor, Inc. of Mount Laurel, New Jersey, not to exceed the amount of \$5,850,000.00. This amount includes reimbursement of direct salaries times a maximum multiplier of 2.80 to cover the cost of fringe benefits, overhead and profit, plus authorized direct non-salary expenses.

It is further recommended that Order for Professional Services No. P4052 be issued to the firm of Churchill Consulting Engineers, PC of Berlin, New Jersey, not to exceed the amount of \$5,950,000.00. This amount includes reimbursement of direct salaries times a maximum multiplier of 2.33 to cover the cost of fringe benefits, overhead and profit, plus authorized direct non-salary expenses.

The issuance of these OPS' are contingent upon the Treasurer of the State of New Jersey completing the review of all documents submitted by the selected awardees, pursuant to Public Law 2005, Chapter 51 (formerly Executive Order 134) and Executive Order 117 (Corzine 2008), and having no objection to same. These professional services were procured, and the recommended firms were selected, in accordance with N.J.S.A. 52:34-9.1, et seq., N.J.S.A. 27:23-6.1 of the Authority's enabling legislation, N.J.A.C. 19:9-2.8, promulgated pursuant thereto, and Executive Order No. 37 (Corzine 2006).

This Order for Professional Services will provide General Traffic Engineering Consultant Services involving expert traffic engineering consultation, traffic studies and short and long-term traffic and revenue projections and analyses in addition to services related to the Authority's General Bond Resolution. The consultant will also perform project specific tasks on an as-needed basis. The term of this OPS is five (5) years.

This assignment is classified as a "Complex Project" since the scope of work is not clearly defined and likely to change during the course of the project, and the cost exceeds \$2,000,000.00. The Solicitation for Expressions of Interest (EOIs) was posted on the Authority's website and eleven (11) engineering firms were prequalified and eligible under Profile Codes: D492, Traffic Engineering Data Collection & Demand Modeling and D493, Traffic Engineering Toll Revenue & Sensitivity Analysis. Two firms submitted EOIs by the closing date of September 20, 2022.

In accordance with N.J.A.C. 19:9-2.8, since there were only two EOIs received, both of which were deemed complete, the Review Committee did not evaluate the EOIs and both firms received a Request for Technical and Fee Proposals. The Technical and Fee Proposals were received from both firms on November 7, 2022. Based on the Review Committee's review of the Technical Proposals, the ranking of the firms is: 1) CDM Smith, Inc. and 2) Stantec Consulting Services, Inc. The fee submitted by CDM Smith, Inc. has been reviewed and is considered to be fair and reasonable for the services to be provided.

It is, therefore, recommended that Order for Professional Services No. A4098 be issued to the firm of CDM Smith Inc. of Edison, New Jersey, in an amount not to exceed \$5,150,000.00.

The anticipated total expenditure of funds being charged to the Engineering Department's Operating budget for Core Services is \$1,150,00 allocated as follows:

FY 2023 \$224,000  
FY 2024 \$224,000  
FY 2025 \$230,000  
FY 2026 \$234,000  
FY 2027 \$238,000

The remaining \$4,000,000.00 will be expended through separately negotiated WRAFs for additional services to be performed by the General Traffic Engineering Consultant. The funding for which will be encumbered upon the execution of each WRAF. The cumulative total for all Work Requests will be limited to \$4,000,000 over the five-year term of this OPS. This amount includes reimbursement of direct salaries times a maximum multiplier of 2.8 to cover the cost of fringe benefits, overhead and profit, plus authorized direct non-salary expenses. The total fee for this OPS, including core services and WRAFs will not exceed \$5,150,000 for the five-year term.

The award is contingent upon the Treasurer of the State of New Jersey completing the review of all documents submitted by the selected awardee, pursuant to Public Law 2005, Chapter 51 (formerly Executive Order 134) and Executive Order 117 (Corzine 2008) and having no objection to same. These professional services were procured, and the recommended firm was selected, in accordance with N.J.S.A. 52:34-9.1, et seq., N.J.S.A. 27:23-6.1 of the Authority's enabling legislation, N.J.A.C. 19:9-2.8, promulgated pursuant thereto, and Executive Order No. 37 (Corzine 2006).

All work performed on each of the construction contracts listed below have been completed in accordance with the contract documents and to the satisfaction of the Engineering Department. Accordingly, it is recommended that these contracts be deemed complete and approved for Final Acceptance. The table below lists each contract and includes pertinent Change Order and financial information including the final payment amount due the Contractor upon Final Acceptance.

Contract No.	Contractor	Award Total Amount	No. of Change Orders	Additions/Reductions	Final Total Contract Amount	Final Payment Amount
T300.463	Earle Asphalt Company	\$7,131,513.13	1	(\$64,350.83)	\$7,067,162.30	\$500.10
T200.497	Crisdel Group, Inc.	\$9,785,000.00	2	\$3,090,163.91	\$12,875,163.91	\$500.00
P200.544	C. J. Hesse, Inc.	\$25,494,191.25	1	\$432,548.69	\$25,926,739.94	\$500.00
P200.610	HBC Company Inc	\$2,035,939.50	1	(\$146,608.46)	\$1,889,331.04	\$137,637.23
A500.611	McCauley Construction Co., Inc.	\$1,524,999.00	2	(\$34,412.72)	\$1,490,586.28	\$31,094.00
Total						\$170,231.33

The Certification and Recommendation for Final Acceptance has been executed by the Engineers, the General Consultant and the Chief Engineer. All required contract documents including the Engineer's Final Certifications, Maintenance Bonds, Affidavit of Prevailing Wage and the Final Payment certificates have been submitted to the Law Department and approved as to correctness of form. Furthermore, the Contractors have certified that there are no liens outstanding against the Contractors. Accordingly, it is recommended that each contract listed above be accepted and final payment in the amounts shown above be made to the Contractors.

Publicly advertised in the Star Ledger and Asbury Park Press and posted on the Authority's and State's websites on November 3, 2022.			

Under this contract, Custom Environmental Management Co., Inc. will collect, transport, recycle and dispose of screened roadway sweepings from both Roadways. Bidders were required to provide separate prices per ton for 1) Loading, Separating and Screening and 2) Transporting and Recycling/Disposal of an estimated 2,100 tons of material annually at 9 locations on both Roadways. The contract is for a term of one (1) year with the option to extend for two (2) additional one (1) year terms. The bid was fully advertised and the six (6) vendors listed in the Authority's database for this Service were notified of the procurement. On November 17, 2022, a sole bid was received as follows (unit prices are available from the PMM Department):

<b>Vendor</b>	<b>Total Bid Price</b>
Custom Environmental Management Co., Inc., Hainesport, NJ	\$ 111,600.00

Departmental Estimate: \$100,000.00

Bids were procured, and authorization is being sought to award this contract in accordance with *N.J.S.A. 27:23-1 et seq.*, the Authority's enabling legislation, *N.J.A.C. 19:9-2.2*, promulgated pursuant thereto, and Executive Order No. 37 (Corzine 2006). This award is contingent upon the Treasurer of the State of New Jersey completing the review of all documents submitted by the selected awardee pursuant to Public Law 2005, Chapter 51 and Executive Order No. 117 (Corzine 2008), and having no objection to same.

Accordingly, authorization is requested to award a two-year contract to Custom Environmental Management Co., Inc. for the collection, transportation, recycling and disposal of screened roadway sweepings in the amount not to exceed \$111,600.00, subject to funding availability at the time of service. Authorization is further requested for the Executive Director to approve each of the two, one-year extensions upon satisfactory performance by the vendor.

Publicly advertised in the Star Ledger and the Asbury Park Press and posted on the Authority's and State's websites on November 8, 2022.			

Under this contract, Atlas Flasher and Supply Co. will provide twenty-four (24) solar powered arrow boards. The arrow board units are trailer-mounted and used on Maintenance vehicles to provide warning information to the motoring public. Bidders were required to quote unit and total prices for the boards. The bid was fully advertised and the fourteen (14) vendors listed in the Authority's database for the referenced commodity were notified of the procurement. On November 22, 2022, two (2) bids were received as follows:

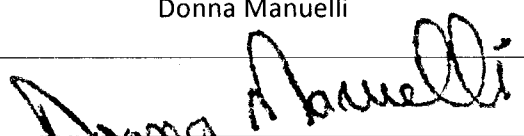

<i>Name of Bidder</i>	<i>Amount of Bid</i>
Atlas Flasher and Supply Co., Inc.	\$160,752.00
Traffic Safety Service, LLC	\$184,248.00

Departmental estimate was \$143,952.

This contract was originally bid and awarded in accordance with *N.J.S.A. 27:23-1 et seq.*, the Authority's enabling legislation, *N.J.A.C. 19:9-2.2*, promulgated pursuant thereto, and Executive Order No. 37 (Corzine 2006). This contract is in compliance with Public Law 2005, Chapter 51 and Executive Order No. 117 (Corzine 2008).

Accordingly, authorization is requested to award a contract to purchase twenty-four (24) solar-powered arrow boards from Atlas Flasher and Supply Co., Inc., for a total amount not to exceed \$160,752.00.

At its August 23, 2022 meeting (Agenda Item No. 167-08-2022), the Authority's Board of Commissioners authorized the award of a three month extension to Rapid Armored Corporation ("Rapid") to provide armored car services ("Services") essential to the daily collection of Authority toll and other revenue from both Roadways. Services consist of pick-up of Authority revenue at 11 toll plazas on the Garden State Parkway as well as 28 toll plazas and 12 Service Areas on the New Jersey Turnpike. The original contract had provision to extend for two (2) additional 1-year terms. The second extension (PA 2500-2) expired on July 1, 2022 and was extended through December 31, 2022. However, no surplus funding was added to the contract. Preliminary discussions indicate that the procurement process may continue until at least March 2023. Should the procurement process not be complete, authorization is being requested for thirty (30) day interval extensions thereafter until the extensive procurement process is complete. The extended term(s) allows Rapid to continue servicing the Authority's revenue transportation needs. The current authorized funds for this contract have been exhausted, and additional funds are now required to continue these essential Services through the extended terms.

The original procurement for this contract was conducted in accordance with N.J.S.A. 27:23-6.1 of the Authority's enabling legislation, N.J.A.C. 19:19-9-2.1(b) promulgated pursuant thereto, and Executive Order No. 37 (Corzine 2006) and Executive Order No. 26 (Whitman 1994). This contract is in compliance with Public Law 2005, Chapter 51 and Executive Order No. 117 (Corzine 2008).

Accordingly, approval is requested to increase Contract No. 2500-2 with Rapid Armored Corporation by \$1,300,000.00, for a new total authorized amount not to exceed \$3,394,654.25 through March 31, 2023, subject to funding availability at the time of service.

At prior Board of Commissioners meetings, the Authority approved purchases (up to a maximum authorized dollar amount) from the vendors listed herein under the New Jersey State contract referenced below. The terms of the referenced State contract has since been extended and additional funds are needed to purchase these necessary goods and/or services through the extended terms of the State contract.

Description / Original Agenda Item – Award Date	Vendor Name	Requisition Number	NJTA Contract No.	NJ State Contract No. Expiration	Current Authorized Amount	New Authorized Amount	Requested Increase Amount
Plumbing and Heating Supplies/Equipment 490-11-2015	Atlantic Plumbing Supply Corp.	RM-175261 Operations	2247	T-3025/89798 expiring 06/23/2023	\$405,229.91	\$480,229.91	\$75,000.00
Mott, Alamo, and Toro Parts, Accessories, and Repairs 103-03-2017	Storr Tractor Company	RM-175757 Inventory	2481	T-2187/43038 expiring 02/16/2023	\$520,000.00	\$615,000.00	\$95,000.00
<b>Total</b>							<b>\$170,000.00</b>

The original procurements, under the State contracts, were in accordance with N.J.A.C. 19:9-2.5(a), promulgated pursuant to N.J.S.A. 27:23-1 et seq., the Authority's enabling legislation, and Executive Order No. 37 (Corzine 2006) which permits the Authority, without advertising, to purchase goods and services directly from vendors who hold contracts with the State of New Jersey.

Accordingly, given that the period of time during which the Authority may make additional purchases under the referenced State Contract was extended through the new expiration dates of these contracts, approval is hereby requested to increase the Authority's current authorized amounts to the new authorized amounts stated above, subject to funding availability at the time of order.

## Operations - Synopses of Volumes and Crashes

December 2021 to November 2022

Illustrated below in Figures 1 and 2 are trend lines for monthly vehicle mileage traveled and total crash rate per 100 Million Vehicle Miles (MVM) for the most recent 12 months of available data.

**Figure 1 - New Jersey Turnpike Vehicle Mileage Traveled and Total Crash Rate by Month**

**Figure 2 - Garden State Parkway Vehicle Mileage Traveled and Total Crash Rate by Month**

Illustrated below in Figures 3 and 4 are monthly crashes compared to the same month from previous year. A trend line of the five-year average is also provided. The data, received by the State Police - Troop D, reflects the most recent 12 months of available data. Due to changes to the State Police Crash Record System that took effect on June 8<sup>th</sup> 2021, the total number of crashes cannot be differentiated between injury and property-damage-only crashes.

**Figure 4 - Garden State Parkway Injury and Property-Damage-Only Crashes by Month**

**NEW JERSEY TURNPIKE**  
**FATAL CRASH SYNOPSIS 01/01/2022 - 11/30/2022**

<b>FATAL CRASH #</b>	<b>Date</b>	<b>Time</b>	<b>Milepost Location</b>	<b>Number of Fatalities</b>	<b>Total Fatalities This Year</b>	<b>Description</b>
1.	1/13/2022	7:07 p.m.	10S NOSA Ramp	1	1	Vehicle #1, a truck, was parked on the right shoulder of the Thomas Edison Service Area (10S) NOSA Ramp in a "No Stopping or Standing" zone. Vehicle #2 was traveling southbound on the NOSA Ramp. Subsequently, Vehicle #2 struck the rear of Vehicle #1. As a result of this crash, Driver #2 sustained fatal injuries and was pronounced deceased at 7:33 p.m. (Driver #2, male, age 55, killed)
2.	2/26/2022	4:43 p.m.	104.7 SNO	1	2	Vehicle #1, an unregistered motorcycle, was traveling northbound on the Outer Roadway of the New Jersey Turnpike near Milepost 104.7. Subsequently, Vehicle #1 overturned and struck the underside of the guidrail to the right. Driver #1 was pronounced deceased at 5:19 p.m. (Driver #1, male, age 22, killed)
3.	3/7/2022	3:57 p.m.	Interchange 14 Outside Entry	1	3	Vehicle #1, Vehicle #2, Vehicle #3, and Vehicle #4 were entering the New Jersey Turnpike Interchange 14 Outside-Entry Toll Plaza near Lane #1. Subsequently, Driver #1, suffered a possible medical episode and impacted the rear of Vehicle #2. After initial impact, Vehicle #2 struck the rear of Vehicle #3 and then Vehicle #3 struck the rear of Vehicle #4. Driver #1 was transported to University Hospital in Newark and pronounced deceased at 12:12 a.m. on 3/8/2022. (Driver #1, male, age 63, killed) <b>(possible medical pending autopsy report)</b>
4.	3/16/2022	12:51 p.m.	HWE 5.5	1	4	Vehicle #1 was traveling eastbound on the Newark Bay-Hudson County Extension Roadway of the New Jersey Turnpike near Exit 14B at Milepost 5.5. Subsequently, Vehicle #1 traveled off the roadway and impacted a tree before becoming engulfed in flames. Driver #1 sustained fatal injuries and was pronounced deceased at 1:11 p.m. (Driver #1, female, age 36, killed)
5.	4/9/2022	2:16 p.m.	SNX 121.6	1	5	Vehicle #1 was traveling northbound in the right lane of the Express Roadway on the New Jersey Turnpike near Milepost 121.6 and Vehicle #2 was traveling northbound in the left lane. Subsequently, Vehicle #1 entered into the left lane of travel and struck the right side of Vehicle #2. Driver #1 sustained fatal injuries and was pronounced deceased at 3:16 p.m. (Driver #1, male, age 53, killed)
6.	4/16/2022	12:26 p.m.	68.4 SNO	1	6	Vehicle #1 was traveling northbound on the Outer Roadway of the New Jersey Turnpike near Milepost 68.4. Vehicle #2 was parked in the right shoulder. Driver #2 was outside of Vehicle #2, becoming Pedestrian #1. Subsequently, Vehicle #1 struck Pedestrian #1 within the right travel lane. Pedestrian #1 sustained fatal injuries and was pronounced deceased at 12:48 p.m. (Pedestrian #1, male, age 43, killed)
7.	4/18/2022	11:03 p.m.	1.6 SN	1	7	Vehicle #1 was traveling northbound on the New Jersey Turnpike near Milepost 1.6. Vehicle #2 was disabled in the left lane due to a previous crash. Driver #2 exited the disabled vehicle and was standing in the left shoulder, becoming Pedestrian #1. Subsequently, Vehicle #1 swerved into the left shoulder to avoid the disabled vehicle in the left lane and struck Pedestrian #1. Pedestrian #1 sustained fatal injuries and was pronounced deceased at 11:47 p.m. (Pedestrian #1, female, age 53, killed)

FATAL CRASH SYNOPSIS 01/01/2022 - 11/30/2022**

<b>FATAL CRASH #</b>	<b>Date</b>	<b>Time</b>	<b>Milepost Location</b>	<b>Number of Fatalities</b>	<b>Total Fatalities This Year</b>	<b>Description</b>
8.	4/19/2022	4:30 a.m.	Interchange #1 Inside Exit	1	8	Vehicle #1 and Vehicle #2 were traveling southbound on the New Jersey Turnpike approaching the Inside-Exit of the Toll Plaza at Interchange 1 at Milepost 2.3. Subsequently, Vehicle #2 struck the rear of Vehicle #1 as both vehicles were approaching Lane #14 of the Toll Plaza resulting in Vehicle #2 overturning onto its right side and slid laterally into Toll Lanes #11 through #14. Upon overturning, Vehicle #2 struck the booths and structure of the Toll Plaza. During the impact, Driver #2, whom was not wearing a seatbelt, was ejected from the vehicle and sustained serious injuries. Passenger #1 of Vehicle #2 sustained fatal injuries and was pronounced deceased at 5:39 a.m. (Passenger #1, female, age 23, killed)
9.	4/21/2022	3:43 a.m.	63.4 SNO	1	9	Vehicle #1 was traveling northbound on the Outer Roadway of the New Jersey Turnpike near Milepost 63.4. Subsequently, Vehicle #1 entered the left shoulder and struck the guidrail on the left side before overturning and impacting a concrete bridge support. Driver #1 sustained fatal injuries and was pronounced deceased at 5:19 a.m. (Driver #1, male, age 36, killed)
10.	4/24/2022	4:14 a.m.	105.9 SNOW	1	10	Vehicle #1 and Vehicle #2 were traveling northbound on the Outer Roadway of the Western Spur of the New Jersey Turnpike near Milepost 105.9. Subsequently, Vehicle #2 struck the left rear of Vehicle #1, causing Vehicle #1 to cross the roadway and strike the guidrail on the right side, before coming to an uncontrolled rest. During the collision, Driver #1, whom was not wearing a seatbelt, was ejected from the vehicle coming to rest near the concrete curb to the left of the roadway. After the initial impact, Vehicle #3 took evasive actions to avoid collision with the vehicles and crossed the roadway to the left traveling over the concrete curbed median. While doing so, Vehicle #3 impacted Driver #1. Driver #2 was found to have been driving under the influence. Driver #1 sustained fatal injuries and was pronounced deceased at 5:00 a.m. (Driver #1, female, age 41, killed)
11.	5/10/2022	2:30 p.m.	59.9 NSO	1	11	Vehicle #1 and Vehicle #2 were traveling southbound on the Outer Roadway of the New Jersey Turnpike near Milepost 59.9. Subsequently, Vehicle #2 impacted the rear of Vehicle #1. After initial impact, Vehicle #2 then struck the concrete traffic barrier to the right before impacting the guidrail on the left side. As a result, Driver #2 sustained fatal injuries and was pronounced deceased at 3:04 p.m. (Driver #2, male, age 70, killed)
12.	6/6/2022	3:09 p.m.	107.2 SNW	1	12	Vehicle #1 was traveling northbound on the Western Spur of the New Jersey Turnpike near Milepost 107.2. Subsequently, Driver #1 travelled off the roadway to the right and struck the guidrail. Driver #1 was pronounced deceased at 4:10 p.m. (Driver #1, male, age 71, killed) <b>(possible medical pending autopsy report)</b>

FATAL CRASH SYNOPSIS 01/01/2022 - 11/30/2022**

<b>FATAL CRASH #</b>	<b>Date</b>	<b>Time</b>	<b>Milepost Location</b>	<b>Number of Fatalities</b>	<b>Total Fatalities This Year</b>	<b>Description</b>
13.	6/14/2022	3:18 a.m.	Interchange #1 Outside Entry	1	13	Vehicle #1 was traveling northbound on the New Jersey Turnpike approaching the Outside-Entry section of the Toll Plaza at Interchange 1 at Milepost 2.3. Subsequently, Vehicle #1 struck the concrete abutment that separates Toll Lane #1 and Toll Lane #2 while on approach to the Toll Plaza resulting in Vehicle #1 igniting and traveling through Toll Lane #1, before coming to an uncontrolled rest on the north side of the Toll Plaza. During the collision sequence, Driver #1 became entrapped in the vehicle and sustained fatal injuries and was pronounced deceased at 3:18 a.m. (Driver #1, male, age 59, killed)
14.	6/17/2022	3:33 a.m.	56.8 SNO	1	14	Vehicle #1 was traveling northbound on the Inner Roadway of the New Jersey Turnpike near Milepost 56.8. Vehicle #2 was disabled in the right lane of the Inner Roadway from a prior crash and unoccupied. Pedestrian #1 (Driver of Vehicle #2) was standing in the left shoulder of the Outer Roadway. Subsequently, Vehicle #1 struck the disabled Vehicle #2, impacted the guiderail, entered the northbound Outer Roadway and struck Pedestrian #1 before becoming fully engulfed in flames. Pedestrian #1 sustained fatal injuries and was pronounced deceased at 8:43 a.m. (Pedestrian #1, male, age 47, killed)
15.	6/24/2022	11:39 p.m.	Interchange 16W SWT Ramp	1	15	Vehicle #1, a motorcycle, was traveling west on the SWT Ramp of Interchange 16W on the New Jersey Turnpike near Milepost 112.7. Subsequently, Vehicle #1 overturned while negotiating the curve and impacted the guiderail. Driver #1 was ejected and sustained fatal injuries and was pronounced deceased at 1:05 a.m. on 6/25/2022 (Driver #1, male, age 33, killed)
16.	6/26/2022	12:00 a.m.	45.1 NS	1	16	Vehicle #1, a limousine, was traveling southbound on the New Jersey Turnpike near Milepost 45.1. Subsequently, Passenger #1 fell from the vehicle and was struck by Vehicle #1. After initial impact, Passenger #1 came to rest within the roadway and was struck by other unknown passing vehicles. Driver #1 was suspected to have been driving under the influence and with a suspended driver's license. Passenger #1 sustained fatal injuries and was pronounced deceased at 12:14 a.m. (Passenger #1, male, age 28, killed)
17.	6/30/2022	12:41 p.m.	Interchange 11 TPS Ramp	1	17	Vehicle #1 was traveling on the Outside-Exit of the Toll Plaza at Interchange 11 on the New Jersey Turnpike approaching the TPS Ramp. Subsequently, Vehicle #1 entered the left shoulder, struck the guiderail on the left side and was redirected into the left lane of the TPS Ramp. Vehicle #2, that was traveling on the TPS Ramp, struck Vehicle #1 on the left side. Driver #1 sustained fatal injuries and was pronounced deceased at 2:07 p.m. (Driver #1, male, age 57, killed)
18.	6/30/2022	9:54 p.m.	13.2 NS	1	18	Vehicle #1, a motorcycle, was traveling southbound on the New Jersey Turnpike near Milepost 13.2. Subsequently, Driver #1 lost directional control of Vehicle #1 and travelled off the roadway to the left and struck a guiderail. Driver #1 became Pedestrian #1, ran across both lanes of travel and was struck by Vehicle #2 in the right lane. Pedestrian #1 was pronounced deceased at 9:54 p.m. (Pedestrian #1, male, age 48, killed)

FATAL CRASH SYNOPSIS 01/01/2022 - 11/30/2022**

<b>FATAL CRASH #</b>	<b>Date</b>	<b>Time</b>	<b>Milepost Location</b>	<b>Number of Fatalities</b>	<b>Total Fatalities This Year</b>	<b>Description</b>
19.	7/13/2022	12:02 a.m.	120 SNL	2	20	Vehicle #1 was traveling northbound in the right lane of the Local Roadway on the New Jersey Turnpike near Milepost 120 at a low rate of speed due to a tire malfunction. Vehicle #2 and Vehicle #3 were also traveling northbound behind and along side Vehicle #1, respectively. Subsequently, Vehicle #2 rear-ends Vehicle #1 and both vehicles enter into the path of Vehicle #3. All three vehicles travel off the roadway to the left and strike the guiderail and concrete traffic barrier on the left side. Driver #1, whom was driving with a suspended New York driver's license, suffered moderate injuries. Passenger #1 (front-right passenger of Vehicle #1) suffered serious injuries. Passenger #2 (rear-right passenger of Vehicle #1) and Passenger #3 (rear-left passenger of Vehicle #1), both of whom were not wearing a seatbelt at the time of the crash suffered fatal injuries and were pronounced deceased at 12:56 a.m. (Passenger #2, female, age 57, killed) (Passenger #3, female, age 54, killed)
20.	7/24/2022	3:28 a.m.	71.2 NSI	1	21	Vehicle #1 and Vehicle #2 were traveling southbound on the Inner Roadway of the New Jersey Turnpike near Milepost 71.2. Subsequently, Driver #1 failed to maintain directional control of Vehicle #1 and struck the rear of Vehicle #2. Vehicle #2 then travelled off the roadway to the right striking a guiderail, and Vehicle #1 overturned and struck a guiderail as well. Driver #1, whom was not wearing a seatbelt at the time of the crash, was ejected from Vehicle #1 and pronounced deceased at 3:49 a.m. (Driver #1, female, age 29, killed)
21.	8/1/2022	11:39 a.m.	117.8 SN80	1	22	Vehicle #1 was traveling northbound on the SN80 Roadway of the New Jersey Turnpike near Milepost 117.8. Prior to the crash, Vehicle #1 impacted debris and became disabled in the left shoulder. Vehicle #2, Vehicle #3, and Vehicle #4 were traveling northbound in the travel lane. Subsequently, Vehicle #4 impacted the rear of Vehicle #3. Vehicle #3 then impacted the rear of Vehicle #2. Vehicle #2 then impacted the concrete barrier on the left side and Vehicle #1 in the left shoulder. Passenger #1 (front-right passenger of Vehicle #3) sustained fatal injuries and was pronounced deceased at 1:00 p.m. (Passenger #1, male, age 85, killed)
22.	8/9/2022	6:53 p.m.	93.2 NSO	2	24	Vehicle #1, a coach bus with 23 occupants, was traveling southbound in the left travel lane on the Outer Roadway of the New Jersey Turnpike near Milepost 93.2. Vehicle #2 was traveling in the center travel lane. Subsequently, Driver #1 lost directional control of Vehicle #1, traversed the travel lane to the right and struck the left side of Vehicle #2. After the initial collision, Vehicle #2 was redirected to the right and impacted the guide rail on the right side. Vehicle #1 impacted the guide rail to the right and overturned on its right side before coming to an uncontrolled final rest on the NOSA Ramp of the Thomas Edison Service Area (10S). Driver #1, Passenger #1, and Passenger #2 of Vehicle #1 sustained serious injuries. Passenger #3 (upper deck rear of Vehicle #1) and Passenger #4 (upper deck front of Vehicle #1), both of whom were not wearing a seatbelt at the time of the crash, sustained fatal injuries and were pronounced deceased at 7:57 p.m. and 8:40 p.m., respectively. (Passenger #3, female, age 59, killed) (Passenger #4, female, age 67, killed)

15.	7/10/2022	12:03 p.m.	60.5 SB	1	15	Vehicle #1 was traveling southbound on the Garden State Parkway near Milepost 60.5. Subsequently, Vehicle #1 impacted the guiderail on the left side, travelled off the roadway to the left, overturned down an embankment and struck a tree within the wooded median. A search of the area of the crash for any occupants of the vehicle was met with negative results. Three days thereafter, on July 13, 2022, upon further canvas of the area of the crash, Driver #1 was located deceased. Investigation revealed Driver #1, whom was not wearing a seatbelt at the time of the crash was ejected from Vehicle #1 during the collision sequence, sustained fatal injuries, and was pronounced deceased on July 13, 2022 at 1:14 p.m. (Driver #1, male, age 22, killed)
16.	7/10/2022	7:18 p.m.	119.7 SB Local	3	18	Vehicle #1 and Vehicle #2 were traveling southbound on the Local Roadway of the Garden State Parkway near Milepost 119.7 when both vehicles sideswiped each other. Subsequently, Vehicle #2 came to a controlled stop in the right shoulder and Vehicle #1 travelled off the roadway to the right, impacted a metal delineator post, overturned and struck a tree. During the collision sequence, Driver #1, whom was suspected to have been under the influence and was not wearing a seatbelt, and Passengers #1 and #2, whom were not wearing seatbelts, were ejected from Vehicle #1. Driver #1, and Passenger #1, sustained fatal injuries and were both pronounced deceased at 8:14 p.m., Passenger #2 sustained fatal injuries and was pronounced deceased at 10:38 p.m. (Driver #1, female, age 25, killed) (Passenger #1, female, age 44, killed) (Passenger #2, female, age 24, killed)
17.	7/20/2022	10:58 p.m.	87.5 SB	1	19	Vehicle #1 was traveling southbound on the Garden State Parkway near Milepost 87.5. Vehicle #2, a truck, was operating in the median u-turn near Milepost 87.5. Subsequently, Vehicle #2 entered the southbound travel lanes from the median u-turn, directly into the path of Vehicle #1, and the left front of Vehicle #1 impacted the rear right of Vehicle #2. As a result of the crash, Driver #1 sustained serious injuries and was transported to Jersey Shore Medical Center in Neptune, New Jersey. Seven days thereafter, Driver #1 succumbed to his serious injuries and was pronounced deceased on July 27, 2022 at 2:59 p.m. (Driver #1, male, age 78, delayed death)

**GARDEN STATE PARKWAY  
FATAL CRASH SYNOPSIS 01/01/2022 - 11/30/2022**

<b>FATAL CRASH #</b>	<b>Date</b>	<b>Time</b>	<b>Milepost Location</b>	<b>Number of Fatalities</b>	<b>Total Fatalities This Year</b>	<b>Description</b>
18.	7/21/2022	9:08 p.m.	30.1 SB	1	20	Vehicle #1, Vehicle #2, and Vehicle #3 were traveling southbound on the Garden State Parkway near Milepost 30.1. Vehicle #4 was occupying the right shoulder. Subsequently, a same direction sideswipe collision occurred between Vehicle #1 and Vehicle #2. After the initial impact, the front of Vehicle #2 and Vehicle #3 stuck the rear of Vehicle #4. Vehicle #2 then travelled off the roadway to the right, struck the guiderail, and overturned. As result of the crash, Driver #2 and Passenger #1, of Vehicle #2, sustained serious injury and were transported to Atlanticare Regional Medical Center in Atlantic City. One day thereafter, on July 22, 2022, Driver #2 succumbed to her serious injuries and was pronounced deceased at 8:19 p.m. (Driver #2, female, 53, delayed death)
19.	7/23/2022	11:50 p.m.	165.9 SB	1	21	Vehicle #1 was traveling southbound on the Garden State Parkway near Milepost 165.9. Vehicle #2 was disabled in the travel lane due to a previous crash. Driver #2 exited the vehicle and was standing next to the Vehicle #2, becoming Pedestrian #1. Subsequently, Vehicle #1 struck Vehicle #2 and Pedestrian #1. Vehicle #1 then continued southbound and impacted the center concrete barrier. Pedestrian #1 sustained fatal injuries and was pronounced deceased at 1:23 a.m. on July 24, 2022 (Pedestrian #1, male, age 35, killed)
20.	7/29/2022	7:23 p.m.	72.0 NB	1	22	Vehicle #1 was traveling northbound on the Garden State Parkway near Milepost 72.0. Subsequently, Vehicle #1 traveled off the roadway to the right, down an embankment, and impacted several trees before coming to an uncontrolled final rest. Driver #1 sustained fatal injuries and was pronounced deceased at 7:50 p.m. (Driver #1, male, age 49, killed)
21.	8/27/2022	2:43 a.m.	28.45 NB	1	23	Vehicle #1 was traveling northbound on the Garden State Parkway near Milepost 28.45. Pedestrian #1 was walking southbound in the northbound travel lanes. Subsequently, Vehicle #1 impacted Pedestrian #1 within the left travel lane. Pedestrian #1 sustained fatal injuries and was pronounced deceased at 3:15 a.m. (Pedestrian #1, male, age 20, killed)
22.	9/12/2022	2:33 p.m.	112.0 NB Local	1	24	Vehicle #1 and Vehicle #2 were traveling northbound on the Local Roadway of the Garden State Parkway near Milepost 112.0. Subsequently, a same-direction side-swipe collision occurred between Vehicle #1 and Vehicle #2. After the initial impact, Vehicle #1 came to an uncontrolled stop in the right shoulder. Vehicle #2 impacted the guiderail end to the right, traveled down an embankment, and then overturned. Driver #2, whom was not wearing a seatbelt at the time of the crash, was ejected from Vehicle #2 and sustained serious injuries. Twelve days thereafter, Driver #2 succumbed to his injuries and was pronounced deceased on September 24, 2022 at 1:52 a.m. (Driver #2, male, age 62, delayed death)

**GARDEN STATE PARKWAY  
FATAL CRASH SYNOPSIS 01/01/2022 - 11/30/2022**

<b>FATAL CRASH #</b>	<b>Date</b>	<b>Time</b>	<b>Milepost Location</b>	<b>Number of Fatalities</b>	<b>Total Fatalities This Year</b>	<b>Description</b>
23.	9/19/2022	12:26 a.m.	121.6 NB Express	1	25	Vehicle #1 and Vehicle #2 were traveling northbound on the Express Roadway of the Garden State Parkway near Milepost 121.6. Subsequently, a same-direction side-swipe collision occurred between Vehicle #1 and Vehicle #2. After the initial impact, Vehicle #1 came to a controlled stop in the left shoulder. Vehicle #2 impacted a concrete traffic barrier and a guiderail, before overturning. Driver #2 sustained fatal injuries and was pronounced deceased at 12:58 a.m. (Driver #2, male, age 39, killed)
24.	9/29/2022	10:53 a.m.	Jon Bon Jovi Service Area Ramp	1	26	Vehicle #1 was traveling northbound on the ramp from the Local Roadway of the Garden State Parkway to the Jon Bon Jovi Service Area. Subsequently, Vehicle #1 impacted the right guiderail, travelled off the roadway to the right, overturned, and struck several trees. Driver #1 sustained fatal injuries and was pronounced deceased at 11:12 a.m. (Driver #1, male, age 62, killed)
25.	10/2/2022	7:19 p.m.	87.2 SB	1	27	Vehicle #1 was stopped in the right shoulder of the southbound roadway of the Garden State Parkway near Milepost 87.2. Passenger #1 exited Vehicle #1, becoming Pedestrian #1. Subsequently, Pedestrian #1 began walking southbound and was struck by an unknown vehicle traveling southbound and the unidentified driver did not stop on scene. Pedestrian #1 sustained fatal injuries and was pronounced deceased at 7:46 p.m. (Pedestrian #1, female, age 53, killed)
26.	10/14/2022	9:19 p.m.	38.8 NB	1	28	Vehicle #1 was traveling northbound in the left lane of the Garden State Parkway near Milepost 38.8. Subsequently, Vehicle #1 traveled off the roadway to the right and impacted the guiderail. Driver #1, whom was not wearing a seatbelt at the time of the crash, was ejected from the vehicle and sustained fatal injuries and was pronounced deceased at 11:21 p.m. (Driver #1, male, age 34, killed)
27.	10/21/2022	9:23 p.m.	59.3 SB	2	30	Vehicle #1 was traveling the wrong way, northbound in the center lane of the southbound roadway of the Garden State Parkway near Milepost 58.0. Vehicle #2 was traveling southbound on the Garden State Parkway near Milepost 59.3. Subsequently, a head on collision occurred between Vehicle #1 and Vehicle #2. After the initial impact, Vehicle #1 overturned. Driver #1, whom was suspected to have been driving while intoxicated, and Driver #2 sustained fatal injuries and were pronounced deceased at 9:50 p.m. and 9:47 p.m., respectively. (Driver #1, female, age 50, killed) (Driver #2, female, age 32, killed)

**GARDEN STATE PARKWAY  
FATAL CRASH SYNOPSIS 01/01/2022 - 11/30/2022**

<b>FATAL CRASH #</b>	<b>Date</b>	<b>Time</b>	<b>Milepost Location</b>	<b>Number of Fatalities</b>	<b>Total Fatalities This Year</b>	<b>Description</b>
28.	10/24/2022	5:43 a.m.	157.9 NB	1	31	Vehicle #1 was traveling northbound on the Garden State Parkway near Milepost 157.9. Subsequently, Vehicle #1 traveled off the roadway to the right, impacted multiple trees, struck the guiderail, before overturning and reentering the roadway. Driver #1, Passenger #1, and Passenger #2, all of whom were not wearing a seatbelt, were ejected from Vehicle #1. Passenger #1 and Passenger #2 sustained serious and moderate injuries, respectively. Driver #1 sustained fatal injuries and was pronounced deceased at 6:47 a.m. (Driver #1, gender and age unknown at this time, killed)
29.	10/24/2022	5:56 a.m.	159.7 NB	1	32	Vehicle #1, an unknown vehicle, and Vehicle #2 were traveling northbound on the Garden State Parkway near Milepost 159.7. Subsequently, Pedestrian #1, whom was in the roadway for unknown reasons at this time, was struck by Vehicle #1 that departed the scene and was then struck by Vehicle #2 that came to a final controlled rest north of the crash scene. Pedestrian #1 sustained fatal injuries and was pronounced deceased at 6:43 a.m. (Pedestrian #1, gender and age unknown at this time, killed)
30.	10/31/2022	5:56 a.m.	167.7 SB	1	33	Vehicle #1 was traveling southbound on the Garden State Parkway near Milepost 167.7. Subsequently, Vehicle #1 traveled off the roadway to the right, impacted multiple trees, and overturned. Driver #1, whom was not wearing a seatbelt, sustained fatal injuries and was pronounced deceased at 7:00 a.m. (Driver #1, male, age 35, killed)
31.	11/26/2022	1:37 a.m.	144.2 SB	1	34	Vehicle #1 was disabled in the southbound center lane of the Garden State Parkway near Milepost 144.2, due to a previous crash. Driver #1 exited the vehicle, becoming Pedestrian #1, and was struck by Vehicle #2. Pedestrian #1 sustained fatal injuries and was pronounced deceased at 2:06 a.m. (Pedestrian #1, male, age 60, killed)

<b>Debt Service Coverage</b>	2.15	1.83	2.09
<b>Total Requirements Coverage</b>	1.66	1.43	1.62

The following un-audited results are for the eleven months ended November 30, 2022.<sup>1</sup> Based upon these results, revenues will be sufficient to satisfy the requirements of the Authority's Bond Resolution. For the twelve months ending December 31, 2022, the Authority is budgeted to have a debt service coverage ratio of 2.09 and a total requirements coverage ratio of 1.62.

The Authority's total revenue for the eleven months ended November 30, 2022 was \$2,240,584,000, which is \$129,567,000, or 6.1%, above the 2022 year-to-date budget. Toll revenue was \$1,953,347,000, which is \$53,947,000, or 2.8%, more than the 2022 year-to-date budget. Toll revenue is greater than budget primarily due to stronger than projected commercial traffic growth on the New Jersey Turnpike. The month of August 2022 saw the most commercial traffic on the Turnpike ever recorded, as there has been an increase in tractor trailers on the roadway. Significant increases in gas prices have impacted discretionary traffic on both roadways, but mostly on the Garden State Parkway with both toll transactions and toll revenue below budget. Gas prices averaged \$0.36/gallon higher in the first eleven months of 2022 compared to the same period in 2021. When compared to October 2022, gas prices have increased an average of \$0.15/gallon. Investment income was \$36,910,000, or 671.1%, above budget due to both an increase in interest rates above the rates that were budgeted and the receipt of a \$15,400,000 upfront payment representing savings on the 2022A bond refunding which was not budgeted. E-ZPass fees were \$34,302,000, or 37.4%, above the budget due to conservative budgeting in 2022.

For the eleven months ended November 30, 2022, traffic on the New Jersey Turnpike increased 4.9% and toll revenue increased 7.3% compared to the same period in 2021. The increase in traffic is primarily due to the continued return to office, increased travel, and resumption of large-scale public events after the lifting of COVID-related restrictions in 2021. Toll revenue increased primarily due to the increase in traffic as well as due to the 3% annual toll rate indexing which went into effect on January 1, 2022. In addition, traffic and revenue also increased due to more travel during the February 2022 Presidents' Day, Easter, Memorial Day, and 4<sup>th</sup> of July holiday weekends compared to the same periods as last year. The 2022 traffic and toll revenue budgets are based on the Authority's traffic engineering consultant's (CDM Smith) updated toll revenue forecast dated September 10, 2021. The updated forecast includes both the assumed improved impact of COVID-19 on travel and the 3% annual toll rate indexing. Considering these two factors, CDM Smith projected a 2.6% increase in traffic and a 3.0% increase in revenue as compared to prior year. The actual results for the eleven months ended November 30, 2022 were above CDM's projections, despite the significant increase in gas prices in 2022 which was not projected. When compared to the same period in 2019, pre-pandemic, traffic is down 5.8% but revenue is up 35.9% for the same period. However, when comparing the month of November 2022 to November 2019, traffic has recovered to about 96.0% of pre-pandemic levels. Through November 2022, the E-ZPass usage rate on the New Jersey Turnpike was 91.5%, an increase from 89.5% for the same period in 2021.

For the eleven months ended November 30, 2022, toll transactions on the Garden State Parkway increased 2.1% and revenue increased 4.5% when compared to the same period in 2021. The increase in toll transactions is primarily due to the increase in travel as COVID-related restrictions were lifted in 2021, while toll revenue increased mainly due to the increase in toll transactions as well as the 3% annual toll rate indexing. Increased travel during the Presidents' Day, Easter, Memorial Day, and 4<sup>th</sup> of July holiday weekends as compared to last year also positively impacted results. The actual results for the eleven months ended November 30, 2022 were below the budget which was based on CDM's projection of a 2.7% increase in toll transactions and a 5.7% increase in toll revenue, due mainly to the significant increase in gas prices in 2022 which have impacted discretionary travel and was not projected. The projections include both the assumed impacts of COVID-19 and the 3% annual toll rate indexing. When compared to the same period in 2019, pre-pandemic, traffic is down 7.0% and revenue is up 20.9%. However, when comparing the month of November 2022 to November 2019, traffic has recovered to about 94.0% of pre-pandemic levels. Through November 2022, the E-ZPass usage rate on the Garden State Parkway was 89.7%, an increase from 88.1% for the same period in 2021.

<sup>1</sup> These are un-audited results. Amounts and categories of revenue and expenses may change when audited.

**Financial Summary  
For the Eleven Months Ended November 30, 2022**

Operating expenses for the eleven months ended November 30, 2022 were approximately \$547,633,000, which is \$49,829,000, or 8.3%, below the year-to-date budget. The Authority's operating expenses through November were below budget primarily due to lower than budgeted snow/severe weather costs, lower salaries because of existing vacancies, and lower than budgeted prescription benefit costs, which were partially offset by higher than budgeted transponder costs, credit card transaction processing fees, violation processing costs, and insurance costs. The Authority spent a total of \$30,928,000 for snow and severe weather costs in 2022, with \$16,504,000 charged to operating expenses and an additional \$14,424,000 charged to extraordinary events in the General Reserve Fund. All snow and severe weather costs are considered operating expenses and paid from the Revenue Fund, except for declared state of emergency events, which are charged to the General Reserve Fund. The Authority still has about \$32,516,000 in total available in its 2022 operating expense and general reserve budgets for snow and severe weather costs.

Debt Service includes interest and principal payments on the Authority's outstanding bonds. For the eleven months ended November 30, 2022, Debt Service totaled \$789,207,000, which was \$36,842,000 or 4.5% below budget and included \$522,411,000 in interest payments and \$266,796,000 in principal payments. Debt Service is below budget partly because the budget assumed a \$500,000,000 new money bond issuance in January 2022 and a \$750,000,000 new money bond issuance in July 2022 but only \$700 million was issued in November 2022.

The General Reserve Fund includes all contractual payments subordinate to bondholders and expenditures for any other corporate purpose. The General Reserve Fund spending totaled \$567,084,000 for the eleven months ended November 30, 2022. Spending consisted primarily of \$460,833,000 for the new State Transportation Agreement, \$20,167,000 for the Transportation Trust Fund, and \$14,424,000 for Extraordinary Events (state of emergency weather events). Also included are \$55,656,000 in transfers to the Supplemental Capital program in the Construction Fund.

The Capital Budget, which is funded by revenue, consists of the Maintenance Reserve Fund, Special Project Reserve Fund, and the Supplemental Capital Program. For the eleven months ended November 30, 2022, total expenditures were approximately \$169,093,000, which was 46.4% of the year-to-date spending budget. Expenditures included \$20,897,000 for GSP Milepost 80.8-91.5 N&S Resurfacing, \$14,307,000 for TPK Milepost 24.5-35.5 N&S Resurfacing, and \$14,266,000 for TPK Milepost 92-122 & NHBCE Bridge Repairs and Resurfacing. In addition to these expenditures, there are open contracts and commitments totaling approximately \$161,389,000.

The Construction Fund, which is funded from bond proceeds, consists of the 2022-2026 Capital Improvement Program, 2019 Capital Improvement Program, and the 2008 \$7 Billion Capital Improvement Program. For the eleven months ended November 30, 2022, total expenditures were approximately \$421,453,000, which was 80.2% of the year-to-date spending budget. Total expenditures included \$49,218,000 for TPK Bridge Rehabilitation W107.87, E107.88 and 84.24N&S, \$26,985,000 for Passaic River Bridge Rehabilitation, \$25,927,000 for TPK Install of New Hybrid CMS, and \$23,748,000 for Service Area Renovations. In addition to these expenditures, there are open contracts and commitments totaling approximately \$907,652,000.

# New Jersey Turnpike Authority

## MEMORANDUM

To: John M. Keller  
Executive Director

Re: Authorization to Award a contract for Insured Stop Loss coverage to Union Labor Life Insurance Company for the Period 1/1/2023 - 12/31/2023

Date: December 14, 2022

---

The New Jersey Turnpike Authority (the "Authority") has been working with its Health Benefits Consultant, Buck Global, LLC ("Buck"), to solicit proposals for Stop Loss Insurance. Stop Loss coverage is insurance that protects the Authority's self-insured medical benefits program from individual claimants with aggregate medical and prescription drug claims above a specific threshold. The Authority's threshold, or self-insured retention, is a \$350,000 deductible per claimant, plus an additional \$250,000 known as an aggregate deductible (combined threshold of \$600,000).

On behalf of the Authority, Buck requested proposals from fifteen (15) vendors, including the incumbent Union Labor Life Insurance Company ("ULLICO"), for rates offering stop loss insurance effective January 1, 2023. Vendors were asked to propose a contract that matched the current contract provisions. Thirteen (13) vendors were uncompetitive. Two proposals (2) were received from the following vendors were deemed to be responsive and competitive:

- 1) Union Labor Life Insurance Company ("ULLICO")
- 2) Sun Life Assurance ("Sunlife")

In its Evaluation Report dated December 2022, Buck thoroughly documented its evaluation process, the proposals, options to consider and its recommendation. Critical factors considered in the analysis were the proposer's ability to match the current contractual provisions, no lasering (claimant(s) who are made subject to a higher deductible than the rest of the participants in the same contract due to high medical claims) of large claims for 2023, as well as the total financial exposure to the Authority. After reviewing the proposals, ULLICO had the most competitive proposal while maintaining all the provisions of the current Stop Loss contract. Although ULLICO's Stop Loss proposal does include lasering one claimant that would expose the Authority up to an additional \$550,000 for 2023, Sun Life's Stop Loss proposal included lasering two claimants with an exposure of up to \$850,000 to the Authority.

The Authority's direct financial exposure is the annual premium paid, plus the aggregating specific deductible, \$250,000 (that must be met before any reimbursement is received from the stop loss contract), plus the estimated amount of the lasered claims above the specific stop loss deductible. Based on this analysis, ULLICO provided the most competitive quote.

ULLICO proposed a premium rate that is 19.5% above current premium costs, for an estimated annual premium not to exceed \$3.0 Million. The total exposure with the specific aggregating deductible

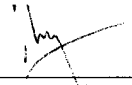

*Authorization to Award a contract for Insured Stop Loss coverage to Union Labor Life Insurance Company**Page 2 of 2*

(\$250,000), plus the estimated lasered claims above the specific stop loss, \$550,000, is \$3.8 Million, or an increase of 37.7% above the current exposure. The insurance financial strength of Union Labor Life Insurance Company has an A.M. Best rating of A-.

Sun Life, on the other hand, proposed a premium rate that is 46.1% above current premium costs, for an estimated annual premium of \$3.7 Million. The total exposure with the specific aggregating deductible (\$250,000), plus their estimated lasered claims above the specific stop loss, \$850,000, is \$4.77 Million, or an increase of 72.7% above the current exposure. The insurance financial strength of Sun Life Insurance Company has an A.M. Best rating of A+.

Buck Consultants recommends, and staff concurs, with placing the stop loss coverage with ULLICO. ULLICO has not only offered the most competitive proposal regarding cost and exposure but has also proposed a more favorable insured agreement for the Authority.

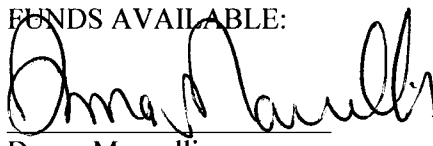

Therefore, authorization is requested to award a contract for insured Stop Loss coverage to Union Labor Life Insurance Company of Silver Spring, Maryland with an Individual Specific Stop Loss threshold of \$350,000 including the aggregating specific deductible of \$250,000, for the policy period of January 1, 2023 through December 31, 2023, for premium amounts not to exceed \$3,000,000, which precise premium shall be subject to fluctuation based on enrollment, as the premium is computed on a per participant per month basis. It is further recommended that the Executive Director be authorized to take any actions and execute any documents that are necessary to effectuate the purpose of the above authorizations.

RE: Request for Authorization to Enter into an Agreement with the Treasurer of the State of New Jersey to Provide Funding to Advance the Hudson Tunnel Project

In accordance with Agenda Item No. 318-12-2021 adopted by the Board of Commissioners on December 21, 2021, authorization was granted to negotiate an agreement with the Treasurer of the State of New Jersey to provide funding to advance the Hudson Tunnel Project (HTP), which is part of the larger Gateway Program that will expand and renovate the Northeast Corridor (NEC) - the busiest passenger rail line in the country - between Penn Station, Newark, New Jersey and Penn Station, New York, New York. Given the integrated nature of the State's transportation network, increasing the efficiency and capacity of public transportation – here, passenger rail service along the NEC – inures to the benefit of the Authority by mitigating motor vehicle traffic and reducing roadway congestion.

The Gateway Development Commission (GDC), created pursuant to the Gateway Development Commission Act, N.J.S.A. 32:36-1 et seq., is responsible for the planning, designing, financing, development and management of the HTP. The costs of the HTP will be shared by Port Authority of New York and New Jersey, the United States Department of Transportation, and the States of New York and New Jersey. In accordance with the Authority's statutory authority, pursuant to N.J.S.A. 27:23-5.8(b), to provide payments to the State for advancement of such transportation projects, the Authority and State Treasurer have concluded negotiations of an agreement to fund the State's share of costs of the HTP. Thus,

authorization is requested to execute an agreement with the State Treasurer on behalf of the State, substantially in accord with the following material terms:

1. Subject to the rights and security interests of its bondholders, the Authority agrees to make payments to the State on a quarterly basis (March 31, June 30, September 30 and December 31) in an amount not to exceed \$124 million annually,<sup>1</sup> to be utilized for payment of the State's share of the costs of the HTP. Payments will commence upon completion of construction of the HTP, anticipated in or about 2033. The Authority's obligation to make these payments shall terminate the earlier of (i) satisfaction of the State's share of costs of the HTP or (ii) assumption by another entity of the State's share.

2. Additionally, and subject to the rights and security interests of its bondholders, the Authority agrees to make payments to the State in an amount not to exceed \$1,666,667 monthly commencing on or about January 1, 2023 for GDC operations, which shall terminate the earlier of (i) completion of construction of the HTP or (ii) abandonment of construction of the HTP.

3. All future years' payments shall be subject to Board approval as part of the Authority's corresponding year's annual budget. However, if, in any year, tolls are not automatically adjusted in accordance with the annual indexing authorized by the Board's May 27, 2020 Resolution adjusting tolls, notice shall be provided to the State Treasurer regarding the amount of the shortfall.

4. The Authority's obligation to make the payments outlined above are subject to annual appropriation to NJ Transit of amounts received by the State from the Authority pursuant to the agreement. NJ Transit, in turn, shall transfer the funds to GDC solely for the purposes outlined in paragraphs 1 and 2, above.

In view of the foregoing, the Board is respectfully requested to authorize the Executive Director to execute an agreement with the Treasurer of the State of New Jersey, substantially in accord with the above terms, and to authorize and direct the Executive Director to take any other actions as may be necessary to implement the agreement, and it is further requested that all actions heretofore taken with respect to the agreement be authorized and ratified. A copy of the agreement, when executed, will be provided to the Board.
