Scope of Services

During the course of this assignment, the Authority expects to require a variety of professional engineering services to be performed in a number of engineering specialties on an "on-call" basis. The services comprising each of the individual task assignments often will need to be performed on short notice and within a short time frame. The consultant must be able and willing to devote the necessary resources to satisfy these needs if and when required. The general types of services that may be necessary include:

- A. Provide general advisory services on engineering-related matters.
- B. Conduct investigations and special studies for proposed improvements to Turnpike and Parkway roadways, bridges, and facilities.
- C. Assist the Authority in the development of short and long-range planning of improvements.
- D. Inspect damage to Authority roadways, bridges, and facilities; and prepare reports of findings.
- E. Prepare plans and specifications and perform construction inspections for small-scale projects.
- F. Perform field surveys as necessary to establish existing conditions and controls for proposed design and construction projects, including surveys to establish Authority right-of-way in critical areas.
- G. Attend and make formal presentations to the Authority's staff and/or Commissioners.

The specific tasks that will potentially be assigned to the consultant will be varied in terms of magnitude, scope, duration, value, schedule criticality, and engineering specialty. As such, the consultant must have the ability to respond to the Authority's needs on an expedited basis and have the flexibility to make the appropriate personnel available to satisfy those needs. The following is a representative sample of tasks that the Authority has historically assigned to its on-call engineering consultants:

1. Planning:
 - a. Review License to Cross application submissions.
 - b. Provide inspection services of License to Cross construction.
 - c. Review Third-Party submissions of development proposals from adjacent property owners including reports, plans, and schedules.
 - d. Provide inspection services for Third-Party development work.

 - b. Provide supplemental drafting support including preparation of as-builts.
 - c. Prepare updates to the Authority's manuals, specifications, and standard drawings.
3. Facility:
 - a. Perform design and prepare construction contract documents, including post design services, for relatively small projects including building demolition, repair and renovation of facilities, and new facility projects.

- b. Perform testing, adjusting, and balancing services (TAB) and associated reporting.
- c. Perform air quality testing and associated reporting.
- d. Perform inspection and recommend repair of HVAC systems.
- e. Perform building energy efficiency studies.
- f. Assess the operation of existing water and wastewater facilities.
- g. Perform commissioning services.

4. Construction:

- a. Perform construction management, construction supervision, and/or construction inspection for small scale construction projects.

Upon notification of the need for services, the Consultant will present a detailed scope of work, staffing proposal, and cost estimate including an estimate of person hours and direct expenses. It is expected that the Consultant's proposal for task assignments will be received by the Authority within five (5) business days of the receipt of the notification to the Consultant unless requested sooner by the Authority.

All work shall be done in accordance with the Authority's manuals, specifications, standard drawings, CADD standards, and other guidance documents, or those of an outside entity if applicable. Final submission of project reports, specifications, etc., shall be in accordance with the Procedures Manual or as specified by the Authority's Task Liaison.

A Traffic Control Coordinator (TCC) shall be required where lane and half ramp closings are to be installed by the consultant or vendor as part of design or bridge inspection projects. A TCC will not be required for shoulder closings installed by the consultant or vendor. Refer to Specifications Subparagraph 801.03(A)(6) for TCC requirements and certification which shall apply to design and bridge inspection assignments involving lane and half ramp closings.

Dependent on the task, the Consultant may be responsible for providing post design services as described in the Authority's Procedures Manual (which is available on the Authority's website). It is specifically noted that the Consultant will then be responsible for the review of shop drawings and responding to RFIs in accordance with Section 3.4.6 "Post Design Services" including Exhibit 3-9 of the Authority's Procedure Manual. The Consultant may be required to attend a Project Hand-off Meeting and prepare required materials, such as a Hand-off Report, to inform the Authority's construction staff of the key components of the contract prior to construction. Additionally, participation at weekly progress meetings for the duration of construction and participation at the final inspection meeting may be required.

The Consultant should anticipate meeting with Authority staff to discuss the scope and overall needs of each task. Upon arriving at a mutually agreeable scope, schedule, staff-hour estimate, personnel, and cost, the Authority will authorize the Consultant to proceed via the Work Request Authorization Form (WRAF) procedure. No work shall proceed until a WRAF is approved by the Authority's Chief Engineer.

The Consultant shall coordinate its activities with the applicable Authority Task Liaison throughout the course of each task order assignment. Early on, the Consultant shall establish a means of coordinating and reporting its activities with the Authority's Task Liaison to assure an expeditious exchange of information. The Authority shall be informed of all meetings with other agencies, government officials, and/or groups so that Authority personnel can attend if necessary.

All correspondence, invoices, and transmittals for the project shall be referenced by Authority's OPS Number and Task Number and Task name.

The Consultant shall submit a monthly progress report to the Authority's OPS Project Manager. The progress report shall list all tasks that have been authorized to date and identify the authorized amount for each task as well as the

billings to date and the percent complete of each task. Invoices are required to be submitted for each task on a monthly basis and shall be received by the Authority within 20 calendar days of the end of each billing period.

The Consultant shall notify the Authority's Task Liaison immediately, if and when the percent fee expended exceeds the task percent complete. The Consultant shall implement necessary adjustments and/or make recommendations on how to alleviate this condition when applicable. Failure to do so will put the Consultant at risk of having to absorb any costs incurred above and beyond the authorized fee.

Subsection A4
Compensation Basis

The Consultant will be responsible for paying all tolls.

Following a review of submitted Expressions of Interest, the Authority will request Technical Proposal(s) from the Firm(s) it deems most qualified.

Because of the nature of this assignment, a Fee Proposal will not be required. In lieu of a Fee Proposal, the consultant shall provide, as part of the Expression of Interest, the Firm's multiplier to be utilized in calculating the fee associated with the individual task assignments and a list of all personnel that may be utilized in performing the tasks assigned, along with their hourly rates. The multiplier, not to exceed 2.8, should be based on a 10% allowance for profit and an overhead rate of 154.5%, or the individual firm's overhead rate as determined by Federal Audit Regulation (FAR) procedures, whichever is less. **Tasks for construction services will be capped at a multiplier of 2.35.**

The fee for each task will be negotiated with the consultant as a cost-plus fee, based on reimbursement of direct professional and technical salaries, except Corporate Officers, Partners, Owners and routine secretarial and clerical services, times the multiplier plus direct expenses, and subconsultant services, at cost. The multiplier shall not be applied to the premium portion of overtime. When Corporate Officers, Partners, Owners and/or Principals are required to provide services in a technical capacity, the salaries for such services shall be reimbursable. The multiplier covers all overhead and profit. No expenses or costs shall be billed unless specifically included in this EOI Solicitation. For general services provided by Corporate Officers, Partners, Owners and/or Principals working in a non-technical capacity, no compensation will be provided.

The total authorized ceiling for each OPS is \$5,000,000. The maximum allowable value on an individual work assignment (WRAF) is \$750,000.

Average rate per classification/grade will not be permitted to determine total labor costs. The Consultant shall list each individual proposed for the project and include the hours and hourly pay rate.

The Consultant is responsible for managing the assignment, adhering to the number of hours, salary rates and personnel, as proposed in the Expression of Interest and Fee Proposal. Individual standard and overtime rates must be approved by the Authority's Chief Engineer or the Chief Engineer's designated representative prior to commencement of work or whenever the Consultant proposes that an individual's rate be changed during the term of this OPS, provided such change is reflected in the Consultant's Fee Proposal. Except for overtime worked on construction supervision during permissible contract working hours, approval of overtime must be issued by the Authority. The Fee Proposal shall follow and reflect the Staffing Estimate as shown in Attachment A4.

Subsection B4
State Contractor Political Contributions Compliance
N.J.S.A. 19:44A-20.25 (P.L. 2005, c.51) superseding Executive Order 134 (2004)
and Executive Order 117 (2008)

In order to safeguard the integrity of State government procurement by imposing restrictions to insulate the award of State contracts from political contributions that pose the risk of improper influence, purchase of access, or the appearance thereof, Executive Order 134 was signed on September 22, 2004 ("Executive Order 134"). The Order is applicable to all State agencies, the principal departments of the executive branch, any division, board, bureau, office, commission within or created by a principal executive branch department, and any independent State authority, board, commission, instrumentality, or agency. Executive Order 134 was superseded by N.J.S.A. 19:44A-20.25 (P.L. 2005, c.51), signed into law on March 22, 2005. In September 2008, Executive Order 117 was signed and became effective November 15, 2008. It applies to the same government contracting entities subject to Executive Order 134 but extends the political contribution restrictions by expanding the definition of "business entity" to include, for example, more corporate shareholders and sole proprietors. Executive Orders 134 and 117, and N.J.S.A. 19:44A-20.25 (P.L. 2005, c.51), contain restrictions and reporting requirements that will necessitate a thorough review of the provisions. Pursuant to the requirements of N.J.S.A. 19:44A-20.25 (P.L. 2005, c.51), the terms and conditions set forth in this attachment are material terms of any OPS resulting from this RFEOI or RFP:

Definitions

For the purpose of this Attachment, the following shall be defined as follows:

- a) Contribution – means a contribution reportable as a recipient under "The New Jersey Campaign Contributions and Expenditures Reporting Act.", N.J.S.A. 19:44A-3 et seq. (P.L. 1973, c.83), and implementing regulations set forth at N.J.A.C. 19:25-7 and N.J.A.C. 19:25-10.1 et seq. Through December 31, 2004, contributions in excess of \$400 during a reporting period were deemed "reportable" under these laws. As of January 1, 2005, that threshold was reduced to contributions in excess of \$300.
- b) Business Entity – means any natural or legal person; business corporation (and any officer, person, or business entity that owns or controls 10% or more of the corporation's stock); professional services corporation (and any of its officers or shareholders); limited liability company (and its members); general

partnership (and its partners); limited partnership (and its partners); in the case of a sole proprietorship: the proprietor; a business trust, association or any other legal commercial entity organized under the laws of New Jersey or any other state or foreign jurisdiction, including its principals, officers, or partners. The definition of a business entity also includes (i) all principals who own or control more than 10 percent of the profits or assets of a business entity; (ii) any subsidiaries directly or indirectly controlled by the business entity; (iii) any political organization organized under attachment 527 of the Internal Revenue Code that is directly or indirectly controlled by the business entity, other than a candidate committee, election fund, or political party committee; and (iv) if a business entity is a natural person, that person's spouse or child, residing in the same household.

Breach of Terms of the Legislation

It shall be a breach of the terms of the OPS for the Business Entity to (i) make or solicit a contribution in violation of the Legislation, (ii) knowingly conceal or misrepresent a contribution given or received; (iii) make or solicit contributions through intermediaries for the purpose of concealing or misrepresenting the source of the contribution; (iv) make or solicit any contribution on the condition or with the agreement that it will be contributed to a campaign committee or any candidate or holder of the public office of Governor, or to any State or county party committee; (v) engage or employ a lobbyist or consultant with the intent or understanding that such lobbyist or consultant would make or solicit any contribution, which if made or solicited by the business entity itself, would subject that entity to the restrictions of the Legislation; (vi) fund contributions made by third parties, including consultants, attorneys, family members, and employees; (vii) engage in any exchange of contributions to circumvent the intent of the Legislation; or (viii) directly or indirectly through or by any other person or means, do any act which would subject that entity to the restrictions of the Legislation.

Certification and Disclosure Requirement

- a) The Authority shall not enter into a contract to procure from any Business Entity services or any material, supplies or equipment, or to acquire, sell or lease any land or building, where the value of the transaction exceeds \$17,500, if that Business Entity has solicited or made any contribution of money, or pledge of contribution, including in-kind contributions to a candidate committee and/or election fund of any candidate for or holder of the public office of Governor, or to any State, county or municipal political party committee, or legislative leadership committee during specified time periods.
- b) Prior to the award of any contract or agreement, the intended Awardee shall submit the Certification and Disclosure form, certifying that no contributions prohibited by the Legislation have been made by the Business Entity and reporting all contributions the Business Entity made during the preceding four years to any political organization organized under 26 U.S.C.527 of the Internal Revenue Code that also meets the definition of a "continuing political committee" within the means of N.J.S.A. 19:44A-3(n) and N.J.A.C. 19:25-1.7. Failure to submit the required forms will preclude award of a contract under this RFEI, as well as future contract opportunities.
- c) Further, the Consultant is required, on a continuing basis, to report any contributions it makes during the term of the contract, and any extension(s) thereof, at the time any such contribution is made.

State Treasurer Review

The State Treasurer or /her designee shall review the Disclosures submitted pursuant to this attachment, as well as any other pertinent information concerning the contributions or reports thereof by the intended awardee, prior to award, or during the term of the contract, by the contractor. If the State Treasurer determines that any contribution or action

by the contractor constitutes a breach of contract that poses a conflict of interest in the awarding of the contract under this solicitation, the State Treasurer shall disqualify the Business Entity from award of such contract.

Additional Disclosure Requirement of N.J.S.A. 19:44A-20.27

Consultant is advised of its responsibility to file an annual disclosure statement on political contributions with the New Jersey Election Law Enforcement Commission (ELEC), pursuant to N.J.S.A. 19:44A-20.27, if the Consultant receives contracts in excess of \$50,000 from a public entity in a calendar year. It is the Consultant's responsibility to determine if filing is necessary. Failure to so file can result in the imposition of financial penalties by ELEC. Additional information about this requirement is available from ELEC at 888-313-3532 or at <https://www.elec.state.nj.us/>.

Additional Disclosure Requirement Disclosure of N.J.S.A. 19:44A-20.13 et seq. (Executive Order No. 117)

Executive Order No. 117 (Corzine 2008) is designed to enhance New Jersey's efforts to protect the integrity of government contractual decisions and increase the public's confidence in government. The Executive Order builds on the provisions of N.J.S.A. 19:44A-20.13 et seq., which limits contributions to certain political candidates and committees by for-profit business entities that are, or seek to become, State government vendors.

Executive Order No. 117 extends the provisions of Chapter 51 in two ways:

1. The definition of "business entity" is revised and expanded so that contributions by the following individuals also are considered contributions attributable to the business entity:
 - Officers of a corporation, any person or business entity who owns or controls 10% or more of the corporation's stock, and professional services corporations, including any officer or shareholder, with the term "officer" being defined in the same manner as in the regulations of the Election Law Enforcement Commission regarding vendor disclosure requirements (N.J.A.C. 19:25-26.1), with the exception of officers of non-profit entities.
 - Partners of general partnerships, limited partnerships, and limited liability partnerships and members of limited liability companies (LLCs), with the term "partner" being defined in the same manner as in the regulations of the Election Law Enforcement Commission regarding vendor disclosure requirements (N.J.A.C. 19:25-26.1).
 - In the case of a sole proprietorship: the proprietor; and
 - In the case of any other form or entity organized under the laws of this State or any other state or foreign jurisdiction: the entity and any principal, officer, and partner thereof.
 - Spouses, civil union partners, and resident children of officers, partners, LLC members, persons owning or controlling 10% or more of a corporation's stock, all shareholders of a professional services corporation, and sole proprietors are included within the new definition, except for contributions by spouses, civil union partners, or resident children to a candidate for whom the contributor is eligible to vote or to a political party committee within whose jurisdiction the contributor resides.
2. Reportable contributions (those over \$300.00 in the aggregate) to legislative leadership committees, municipal political party committees, and candidate committees or election funds for Lieutenant Governor are disqualifying contributions in the same manner as reportable contributions to State and county political party committees and candidate committees or election funds for Governor have been disqualifying contributions under Chapter 51.

Only the intended Awardee will be required to submit the required N.J.S.A. 14:44A-20.25 (P.L. 2005, c.51)/Executive Order 117 and N.J.S.A. 19:44-20.26 (P.L. 2005, c. 271, s.2) form. The **combined** form is available on the Department of Treasury Division of Purchase and Property's website at: <http://www.state.nj.us/treasury/purchase/forms.shtml>.

Subsection B5
Set-Off for State Tax

Pursuant to N.J.S.A. 54:4-19, and notwithstanding any provision of the law to the contrary, whenever any taxpayer, partnership, or S corporation under Contract to provide goods or services or construction projects to the State of New Jersey or its agencies or instrumentalities, including the legislative and judicial branches of State government, is entitled to payment for those goods or services or construction projects and at the same time the taxpayer, or the partner or shareholder of that entity, is indebted for any State tax, the Director of the Division of Taxation shall seek to set-off that taxpayer's, partner's or shareholder's share of the payment due to the taxpayer, partnership, or S corporation. The amount of set-off shall not allow for the deduction of any expenses or other deductions which might be attributable to a partner or shareholder subject to set-off under this act. No payment shall be made to the taxpayer, the provider of goods or services or the contractor or subcontractor of construction projects pending resolution of the indebtedness.

The Director of the Division of Taxation shall give notice to the set-off to the taxpayer, the provider of goods or services, or the contractor or subcontractor of construction projects and provide an opportunity for a hearing with thirty (30) days such notice under the procedures for protests established under R.S. 54:49-18. No requests for conference, protest, or subsequent appeal to the Tax Court from any protest under this attachment shall stay the collection of the indebtedness. Interest that may be payable by the State pursuant to N.J.S.A. 52:32-32 et seq. (P.L. 1987, c 184) to the taxpayer, the provider of goods or services, or the contractor or subcontractor of construction projects shall be stayed.

Subsection B6
Right to Audit

Pursuant to N.J.A.C. 17:44-2.2, authority to audit or review contract records:

- a) Relevant records of private vendors or other persons entering into contracts with covered entities are subject to review by the Office of the State Comptroller (OSC) pursuant to N.J.S.A. 52:15C-14(d).
- b) As of November 15, 2010, the Consultant (contract partner) shall maintain all documentation related to products, transactions, or services under this contract for a period of five years from the date of final payment. Such records shall be made available to the New Jersey Office of the State Comptroller upon request.

Subsection B7
Source Disclosure Certification

Pursuant to N.J.S.A. 52:34-13.2 (Executive Order 129 (2004)), the Authority must consider the requirements of New Jersey's contracting laws, the best interests of the State of New Jersey and its citizens, as well as applicable federal and international requirements.

The Authority shall insure that all Firms seeking to enter into any contract in which services are procured on its behalf must disclose:

- a) The location by country where the services under contract will be performed.
- b) Any subcontracting of services under the contract and the location by country where the subcontracted services will be performed.

This information must be disclosed on the Vendor Source Disclosure Form – N.J.S.A. 52:34-13.2 (Executive Order 129 (2004)), which is available on the Authority's website and returned with your Firm's Expression of Interest (EOI).

Subsection B8
Disclosure of Investment Activities in Iran

Pursuant to N.J.S.A. 52:32-57, any person or entity that submits a bid or proposal or otherwise proposes to enter into or renew a contract must complete the Authority's "*Disclosure of Investment Activities in Iran*" certification, prior to contract award, to attest, under penalty of perjury, that neither the person or entity, nor any of its parents, subsidiaries, or affiliates (any parent, successor, subunit, direct or indirect subsidiary, or any entity under common ownership or control with, any entity), is identified on the Department of Treasury's Chapter 25 list as a person or entity engaging in investment activities in Iran. The Chapter 25 list is found on the State of New Jersey, Department of Treasury, Division of Purchase and Property website at <http://www.state.nj.us/treasury/purchase/pdf/Chapter25List.pdf>. Proposers must review this list prior to completing the certification. If the Authority finds a person or entity to be in violation of the law, s/he shall take action as may be appropriate and provided by law, rule, or contract, including but not limited to, imposing sanctions, seeking compliance, recovering damages, declaring the party in default, and seeking debarment or suspension of the party.

Subsection B9
Prohibited Activities in Russia or Belarus

Prior to the time a contract is awarded, pursuant to N.J.S.A. 52:32-60.1 et seq. (P.L. 2022, c.3), the successful Firm must certify that neither the successful Firm, nor one of its parents, subsidiaries, or affiliates may have engaged in prohibited activities in Russia or Belarus.

If the successful Firm is unable to so certify, the Firm shall provide a detailed and precise description of such activities to the Authority. Failure to provide such description will result in the Proposal being rendered as non-responsive, and the Authority will not be permitted to contract with such person or entity, and if a Proposal is accepted or contract is entered into without delivery of the certification, appropriate penalties, fines and/or sanctions will be assessed as provided by law.

If the Firm certifies that the Firm is engaged in activities prohibited by N.J.S.A. 52:32-60.1 et seq.
