

New Jersey Turnpike Authority
Engineering Department

Order for Professional Services Nos. A4118, A4119, and A4120
On-Call Engineering Services

Responses to Inquiries
Request for Expressions of Interest

1. **Inquiry:**

On pages 10 and 11, the EOI is requesting a form entitled "Affidavit of Moral Integrity Form" and it is located on NJTA.com under Doing Business, Engineering Professional Services, Supplemental Forms. I am not able to locate this form on the website as instructed. If this form is to be included in the EOI, can you direct me how to obtain it?

Response:

This Affidavit of Moral Integrity Form can be located on the Authority's website below:

<https://www.njta.com/doing-business/ps-supplemental-forms>

2. **Inquiry:**

The EOI states on page 16 that: "Because of the nature of this assignment, a Fee Proposal will not be required. In lieu of a Fee Proposal, the consultant shall provide, as part of the Expression of Interest, the Firm's multiplier to be utilized in calculating the fee associated with the individual task assignments and a list of all personnel that may be utilized in performing the tasks assigned, along with their hourly rates." Can you please confirm that hourly cost and multiplier information is being requested as part of the initial EOI submission and not as part of the Technical Proposal submission? If so, should cost information be submitted separately from the EOI?

Response:

The hourly cost and multiplier information will be part of the Technical Proposal submission. An addendum will be issued to clarify this.
