1. **Inquiry:** On page 16 of the RFP, it is mentioned that the part-time Inspectors require NICET Level III certification, whereas on page 19, the part-time Inspector classification requirement is NICET Level II. Please clarify as to which is correct.

Response: The inspectors shall have a minimum of a NICET Level III.

2. **Inquiry:** Is a QCxP certification from the University of Wisconsin (which requires passing a test that includes an overview of the commissioning process and ASHRAE Guidelines) be considered equivalent to the ASHRAE Certified Commissioning Professional (CCxP)?

Response: No. The QCxP certification does not require the practical experience necessary for this assignment.
