**Response to Inquiries**

1. **Inquiry:** Is a digital notarization acceptable for the Affidavit of Eligibility and Affidavit of Moral Integrity?

**Response:** Yes. The Consultant shall ensure the notary seal is legible on hardcopy submissions.
  
2. **Inquiry:** The RFEI indicates various project locations are missing CARS data. A representative from Rieker indicates this data has been obtained by NJTA. Please review and confirm if this data has been collected. If so, will it be made available to the selected consultant?

**Response:** Refer to the Appendix starting on Page 43 of the RFEI Solicitation. Ramps have been identified where Rieker's CARS data is available. This information will be provided to the successful qualified firm. Further refer to approved direct expenses.
