1. **Inquiry:** Rating Factors, Part 6b "Outstanding Work with the Authority" states *Outstanding Work shall be considered the sum of the Outstanding Work of the prime and subconsultants*. The actual Outstanding Work Disclosure Form (Attachment C13g) states *work to be performed by subconsultants shall not be included*. These are conflicting statements. Please clarify.

**Response:** The Prime Consultant and all Subconsultants must complete the Consultant's Disclosure of Outstanding Work form. The statement within that form is saying that such firm must only include their own firm's work and not their Subconsultant(s)' work.
